V. Daily Proceedings

First Day

June 3, 1991

Physical Education Center, Centenary College
Afternoon Session - 1:30 p.m.

The Twenty-first Session of the Louisiana Annual Conference began with The Service of Memorial and Holy Communion in the Physical Education Center at Centenary College, Shreveport.

The celebrant was Bishop William B. Oden and liturgist was Rev. Helena Wright. Dr. Fred B. Craddock was the preacher for this service. Dr. Craddock's sermon was titled "The Vision as Memory", with scripture text coming from Mark 14:3-9.

The choir director, Dr. Will Andress, directed the combined Shreveport choirs of First United Methodist Church and St. Paul's United Methodist Church, with Mr. Stephen Distad, organist.

The Litany of Thanksgiving was offered for all those who died during the past year including ministers, and spouses of ministers from our Conference, bishops and bishops' spouses of the general church, and lay members of the church.

Bishop Oden read the names of the bishops who had died, and Mrs. Marilyn Oden read the names of bishops' spouses who had died. Rev. Isiah Lee read the names of the deceased ministers, and Mrs. Margaret St. Amant read the names of ministers' spouses who died during the year. Mr. Paul White led in a time of silence for lay leaders who had died.

The Service of Holy Communion was led by Bishop Oden and Dr. Craddock, with various clergy of the Louisiana Annual Conference assisting in the distribution of the elements. The service ended with dismissal and blessing by Bishop Oden.

At 3:30 p.m., the clergy moved to Brown Chapel for an Executive Session, and the laity remained in the Gold Dome for a meeting of all laity.

Executive Session: Bishop Oden called the 1991 Executive Session to order. He explained that on voting matters in the Executive Session, as well as voting for the ministerial delegates of the General Conference, only those Elders in Full Connection would be eligible to vote. If any matters arose in the Executive Session that required the consideration of only those in Full Connection, he would ask others to be excused and proceed with the business at hand. Bishop Oden then offered a prayer for the Executive Session and called on Rev. Bob Potter to present the report of the Board of Ordained Ministry.

Board of Ordained Ministry: Rev. Potter first presented Rev. John Winn, the director of the Center for Pastoral Effectiveness. Rev. Winn called attention to a brochure that had been provided to each person. The brochure explained the Center for Pastoral Effectiveness.

Report No. 1 was given by Rev. Hugh Baker, Chairman of Conference Relations. He dealt with disciplinary question no. 17, having to do with the character of all ministers. He reported that no charges are pending against any of the ministers. Rev. Baker then dealt with questions no. 35, 41, 45, 46, 51 and 52. These are listed in Section VI of the Conference Journal.

Report No. 2 was presented by Rev. John Lee, Registrar of Associate Members and Local Pastors. He dealt with questions no. 19, 20, 21, 22, and 45.d. A full list can be found in Section VI of the Conference Journal.

Report No. 3 was presented by Rev. Carl Rhoads, Registrar of Ministerial Training and Orders, who dealt with questions 24, 25, 28, 29, 31, 32, 37, 38, 42 and 69. Rev. Rhoads presented those to be elected to Probationary Membership, as well as those to be elected to Full Connection.

Following the presentation to the Executive Session and their election, Bishop Oden then asked the historic disciplinary questions to each of those who were to be ordained as Elders. The list of the candidates is found in Section VI of the Conference Journal.

Upon completion of the Board of Ordained Ministry report and the adoption of all three of these areas, Bishop Oden gave words of appreciation to the Board of Ordained Ministry.

Bishop Oden then presented the Secretary of the Cabinet, Dr. Byrl Moreland, who raised concerns in regard to the Minister's Emergency Fund. He explained that 33 persons had been helped this year. He reminded the new ministers coming into Full Connection of their obligation in this supportive ministry among our clergy.

Bishop Oden then asked the Conference Secretary for announcements. Dr. Don Cottrill listed some of the activities that would take place in the regular session tomorrow, and stated that motions would be made from the Cabinet regarding the process for the election of delegates to the General and Jurisdictional Conferences.

Bishop Oden recognized Rev. McKinley Franklin, who reminded the delegates of the need to be thinking seriously about the elections of our delegates to General Conference, especially reminding the clergy of the importance of including ethnic minority representation in the delegation (five minority groups are represented in our Conference).

Rev. Bob Burgess then asked for a matter of personal privilege. He reminded the Executive Conference that Evelyn Deich, wife of Rev. Bob Deich, was in a Nashville, Tennessee hospital undergoing surgery for a brain tumor. He urged us to remember her in our prayers.

Having completed the business, Bishop Oden dismissed the Executive Session with a prayer.

Monday, June 3, 1991
First United Methodist Church
Evening Session - 7:30 p.m.

The Louisiana Annual Conference convened for the informal Evening Worship Service at First United Methodist Church. Liturgists were: Rev. John Winn, Mrs. Rosalie Black and Rev. Andrew Douglas. The congregation sang "This is the Day of New Beginnings" led by Mrs. Cynthia Wilson-Felder. The sermon was delivered by Dr. Fred B. Craddock. Dr. Craddock's sermon topic was "The Vision As Postponement"; scripture text: Luke 4:16-30. The service concluded with a sending forth as everyone sang "We Shall Overcome."

Second Day
Tuesday, June 4, 1991
Physical Education Center, Centenary College
Morning Session - 8:30 a.m.

The Conference was opened at 8:20 a.m. with a devotion in song led by Cynthia Wilson-Felder. Mrs. Wilson-Felder is a Diaconal Minister at Hamilton Park United Methodist Church, Dallas, Texas.

Following the devotion, Scout Troop No. 9 of Broadmoor United Methodist Church, Shreveport, and Troop 10, St. Elizabeth Seaton Catholic Church of Shreveport posted the colors. The Conference was led in the Pledge of Allegiance by the Scout troops.

Bishop William Oden called the Twenty-first session of the Louisiana Annual Conference to order. He led the congregation in singing hymn no. 553, "And Are We Yet Alive?". Following the singing of the hymn, the Conference delegates were led in prayer by the Shreveport District Superintendent, Dr. L. Ray Branton.

The Bishop extended appreciation to Centenary College for hosting the Conference. Dr. John Fellers, Senior Pastor of First United Methodist Church, Shreveport, extended greetings to the Conference on behalf of the congregation of First Church.

Dr. Donald Webb, retiring President of Centenary College, welcomed the Conference and extended greetings on behalf of the entire college community.

Dr. Kirby Vining, Dean of the Cabinet, made the following motions from the floor: "I move that the main floor of the Physical Education Center of Centenary be designated as the bar of the Conference and, further, that the designated area on the presiding officer's right be reserved for clergy members who are eligible to vote at Annual Conference and, further, that Section I be designated for members in Full Connection who are eligible to vote for clergy delegates to the General and Jurisdictional Conferences, and Section II be reserved for all other clergy and, further, that the designated area on the presiding officer's left be reserved for lay members who are eligible to vote. He further moved that after the first ballots for delegates to the General and Jurisdictional Conferences, only those individuals receiving five or more votes shall have their names read to the Annual Conference. He also moved that the Conference elect four reserve clergy delegates and four reserve lay delegates to the Jurisdictional Conference and that the first reserve delegate to the General and Jurisdictional

Conferences for both clergy and laity have their expenses paid by the Annual Conference and that such funds be made available by the Conference Council on Finance and Administration. He further moved that the printed program be the agenda for the Annual Conference Session and that the Bishop be empowered to make changes in the agenda necessary to complete the business of the Conference. He also moved that the printed material that was to be distributed at the Annual Conference Session be cleared through the Conference Secretary prior to distribution.

An order of the day was requested for Tuesday at 3:25 p.m. for the report of the **Conference Council on Finance and Administration**. All motions were accepted.

Mrs. Marilyn Oden was presented to the Conference by Dr. Vining. Dr. Nancy Carruth, a member of the Jurisdictional Committee on the Episcopacy, presented Mrs. Oden with a bouquet of roses. The Conference delegates greeted Mrs. Oden with a standing ovation.

The Conference Secretary, Dr. Don Cottrill, nominated Rev. Lael Jones, Rev. Bertrand Griffin, Rev. David Fortuna, Rev. Karen Davis, Rev. Hulen Warren, Jr., and Rev. Mary Sloan Baugh to be assistant secretaries. The nominations were accepted.

The Bishop reminded the Conference of the inclusive nature of The United Methodist Church and, therefore, representation in gender, race and age should be sought as the Conference began voting for delegates to General and Jurisdictional Conferences. He then called for the first ballot.

The Bishop also reminded the Conference that individuals are sent to General and Jurisdictional Conferences uninstructed as to how to vote. In addition, he stated that balloting will be done only during the business session of the Conference, and the results of the ballots will be read to the Conference by the Bishop.

Tellers were then called upon to present the ballots to clergy and laity. Instructions were given as follows: Only clergy with yellow badges (Full Connection), laity with pink and diaconal ministers with peach badges would be eligible to vote. A valid ballot must include one name in each of the sections on the ballot. Clergy eligible to be elected to attend the Jurisdictional or General Conferences must be in Full Connection. Any lay member in good standing in a Louisiana United Methodist Church would be eligible to be elected as a delegate. Ballots were then passed out to the delegates.

The Bishop closed the balloting and instructed the tellers to withdraw from the Conference floor and begin their counting. Rev. Dick Scott-Welch presented two candidates for the Diaconal Ministry to the Annual Conference to be voted upon. The two candidates for consecration were Charlotte Treadway Brent and Linda Claire Fox. The election was affirmed.

Bishop William Oden delivered his State of the Church Address, during which he reminded the Conference of "The Louisiana Gathering" by the river. He encouraged both lay and clergy to live out their renewal of vows.

The Bishop indicated that around one hundred individuals came forward at the end of "The Gathering" to express interest in representative ministry. Ninety-two individuals attended "A Day of Exploration" at First United Methodist Church in Alexandria on June 1st, 80 of whom inquired about representative ministry (Ordained, Local Pastors and Diaconal

Ministers).

Bishop Oden further stated that "The Gathering" symbolized a renewal of connectiveness. He reminded us that we are in mission together and that there is a yearning in our local congregations for Christian education, Bible study and dedicated leadership among both laity and clergy. Additionally, there is a great willingness to learn what it means to be a United Methodist.

The Bishop then outlined the following as urgent agenda items: (1) The realization of the building of the Conference Center. By this time next year, he hopes that we will have a plan for the Center and for its financial support, to put before the Conference. (2) Reaffirming the connection through giving beyond the local church. Between the years 1980 and 1990, apportionment payments decreased. There is the hope that the percentage of apportionments paid will increase within the next year. The apportionments asked from the local churches have actually been reduced in proportion to the rate of inflation over the past 10 years. (3) Emphasis on the work that was begun by a local church in the Soviet Union. A report on this church will subsequently follow. "New life, new hope, new vision is bursting forth." With these words the Bishop concluded his State of the Church Address.

Dr. Charles B. Simmons, chairperson of the **Conference Council on Ministries**, was called on to lead in the Council's report. Dr. Simmons affirmed the Bishop's enthusiasm for VISION 2000 and "The Gathering." A video was shown to relive 1990 Louisiana Methodism as it related to our Conference emphasis, VISION 2000.

Lori Bridges, a youth from Nolley Memorial Church in Jena, pointed out the strong message of the many banners from churches throughout the Conference which decorated the Gold Dome, as they had at the Centroplex in Baton Rouge. She gave a testimony to the impact that "The Gathering" and VISION 2000 had on her as well as other youth.

Dr. Selcy Collins, a member of St. Paul United Methodist Church, Shreveport, and chair of that church's Council on Ministries, stated that her church had reclaimed 95 percent of dropout members as a result of VISION 2000. They are expecting great participation in an upcoming Youth Revival, and their tithes have increased by 50 percent.

Mrs. Joanne White, a member of the Conference VISION 2000 committee, stated that there are four emphases which the Conference Council suggests the Annual Conference focus upon in the next quadrennium. These are: (1) spiritual growth; (2) new disciples; the making of them and the nurturing of them; (3) the empowerment and enabling of spiritually guided leadership (both lay and clergy); and (4) a focus upon outreaching mission to commit ourselves to servanthood and to the people of God, to all the people of God.

Dr. Simmons then called attention to the VISION 2000 Covenant that had been previously distributed to the Conference. The proposal outlined a Covenant between the Conference and local churches. Dr. Simmons outlined the task for the 1991-92 year: (1) A continuation of the VISION 2000 Steering Committee; (2) A year of preparation - a time of spelling out goals and objectives and outlining the resources that are available on both the local and Conference levels to help realize the vision; (3) Consultation - The Conference Council on Ministries will consult with local churches as we seek to move toward that VISION 2000.

Rev. Jimmie Pyles, chair of the **Conference Committee on Evangelism**, was called upon to present Dr. David Brazelton, Associate General Secretary for Evangelism of the General Board of Discipleship. Dr. Brazelton praised the Conference VISION 2000 program and expressed his willingness and that of the General Board to work with our Conference in support of the implementation of our visions.

The Bishop asked that the congregation stand and sing the doxology. We continued by singing "Shall We Gather at the River" as an affirmation of the report of the Conference Council of Ministries.

As the singing continued, individuals from local churches were instructed to pick up the local church Covenants (Vision, Mission and Task Statements) which had been brought to "The Gathering."

The Bishop then called the Conference to recess.

Following the recess, Bishop Oden called upon Rev. Larry O'Dell to present the report for the Conference **Board of Discipleship**. Rev. O'Dell made editorial corrections to the Pre-Conference report (the corrected report is included in Section XII of the Journal).

The book "Louisiana Parables: Growing Churches" was distributed to the Conference delegates. This new resource was compiled by the Conference Evangelism Committee as a way of providing suggestions for evangelism in the local churches. Additional materials were handed out explaining a Conference Conflict Management Seminar and Christian Education opportunities throughout the Annual Conference.

There was a call for churches to take advantage of the Disciple Bible Study Program. Fifty-two scholarships have already been provided in this Conference. Over 150 individuals assembled in Baton Rouge to participate in the DISCIPLE training this past February. There are still scholarships in the amount of \$200 per person available to assist in training leaders in churches who are not already a part of DISCIPLE.

Attention was called to the **Camping** report. The report was accepted by the Conference.

The **Special Ministries** report was made by Rev. Roger Lathan. The report, as accepted by the Conference, is found in Section XII of the Journal.

Rev. Betsy Irvine, Director of **Louisiana CrossLines** was unable to be with the Conference due to the recent birth of their son, Samuel. The report of Louisiana CrossLines, as contained in the Pre-Conference Report book, was accepted by the Conference.

Rev. Barbara Duke, Chairperson of the **Commission on the Status and Role of Women**, presented the report for the Commission. She emphasized an increase in the number of women who work outside the home and asked the churches to recognize the effect on volunteerism in the local church as a result of this shift in lifestyle. She also emphasized the need for aid to women who must take care of dependents (either young children or elderly). She also expressed concern over the increasing divorce rate and asked for renewed support to be given to women who experience this difficulty. She announced a luncheon for the Commission to be held that day. The report was adopted by the Conference.

Rev. Kenneth Fisher presented the report for **Archives and History**. Rev. Wayne Evans, of St. Luke's, Shreveport, raised a question concerning the expense that would be involved on the part of the local church in providing the materials requested for Archives. He also wanted to know the cost for the Conference of a half-time archivist. Rev. Fisher indicated that the information contained in the report is only a recommendation and that nothing has been done yet to establish cost. The report was approved by the Conference.

Dr. L. Ray Branton asked for a moment of privilege in order to introduce the Honorable Hazel Beard, Mayor of Shreveport, and an active member of Noel Memorial United Methodist Church. She is the first woman to hold this post in Shreveport. Mayor Beard read a Proclamation naming Tuesday, June 4, 1991 as Louisiana United Methodist Church Day. The individual was reported as saying: "I cannot be cured, but I have been healed." Mr. Braswell expressed that this is where the AIDS Task Force is now. They, and we, may not be able to cure those who have AIDS but we all can begin the process of healing. Further, we can prevent the spread of the dread disease by increasing our educational efforts.

Rev. Guy West, director of **People's Community Center** in New Orleans, spoke on behalf of the five institutions included in the Conference Advance offerings. He urged continued support of these agencies. The report was accepted.

Rev. Chris Andrews introduced Mr. Robin K. Thompson, the new Executive Director of **Dulac Community Center**. Rev. Andrews also indicated that the evening offering would go to UMCOR to assist with the recent disasters throughout our world.

The Bishop then asked that Rev. Dwight Ramsey come to the podium to introduce visitors from our church in Russia.

Broadmoor United Methodist Church in Shreveport has initiated an outreach program in Russia which has resulted in the founding of a new church. Since the Russian Revolution in 1917, there has not been a Methodist presence in Russia. Two individuals, Mr. Paul Istomin and his daughter, Mrs. Lydia Istomina, were introduced to the delegates. Mrs. Istomina is the new lay leader of the new United Methodist Church of Sverdlovsk, Russia, which already has over 600 members.

Bishop Oden shared his experience of the 8th World Assembly and expressed concern for the future of the World Council of Churches if it does not get a clear focus of its future within the next couple of years.

The **Legislative Liaison Committee** chairperson, Dr. Phil Woodland, next presented the report for this committee of the Conference Council on Ministries. He expressed appreciation to the Bishop and to the clergy who had participated in the Legislative programs over the last year.

The reports of both the Commission on Christian Unity and Interreligious Concerns and the Legislative Liaison Committee were approved.

Rev. Don McDowell, chairperson, presented the report of the **Conference Board of Higher Education and Campus Ministry**. He called Rev. Gene Finnell to the podium to speak on behalf of Campus Ministry. Rev. Finnell highlighted the student conferences which have occurred over the past year, emphasizing that these conferences provided programs for students in the eighteen to twenty-two age bracket. He also indicated that the campus ministries are ministering now only to "traditional" students, but also to older students who have families, to college faculty, and to staff and support staff.

Dr. Samuel DuBois Cook, President of **Dillard University**, directed the Conference to the report of Dillard as contained in the Pre-Conference Report. He thanked the Bishop for his enthusiastic support of Dillard. He also extended special thanks to Drs. George Calvin and Kirby Vining, District Superintendents whose districts provide scholarships to Dillard; Dr. Moses Jackson and Rev. Don McDowell, Chairperson of the Board of Higher Education. This past school year Dillard had an enrollment of 1,625 students. The dorms are in the process of being remodeled and the ground for a new communications center has been broken. Dillard

has the only Japanese study program at a Black university in the nation and it is only one of two universities in the South with such a program. Dr. Cook also emphasized the program in Black-Jewish Relations that has been undertaken at Dillard University.

Rev. Don McDowell presented a resolution to the Louisiana Annual Conference in appreciation for the work of Dr. Donald Webb. He extended great appreciation for Dr. Webb's years of faithful service. Dr. Webb accepted the resolution and followed his acceptance with the report for **Centenary College**.

The Bishop called on Dr. Cook and Dr. Webb to accept checks from the Louisiana Annual Conference for scholarships for students at each institution. Each check was in the amount of \$5,000. These monies were collected during "The Gathering" held in Baton Rouge. Africa University will also be the recipient of a \$5,000 check. On behalf of the Conference, Bishop Oden pledged to raise \$100,000 to help complete the Archives building at Centenary College in honor of Dr. Webb's service to the college and the Conference.

Rev. McDowell then presented Rev. Deborah Drash to make the presentation of the two merit scholarships for the Board of Higher Education. These scholarships are awarded to United Methodist students each year as a part of the United Methodist Student Fund. The criteria, as Rev. Drash explained, were based on financial need, academic excellence, and church and community involvement.

The recipients are as follows: Rhonda Payne (Dillard) from Hartzell Mt. Zion Church, Rev. Alonzo Campbell, Pastor; Adrienne Haddox (Centenary) from the Trinity United Methodist Church in Ruston, Rev. George Duerson, Pastor. Rev. Drash pointed out that Adrienne Haddox had a 4.45 GPA. The runner up, who would serve as the alternate recipient of the scholarship, was Paul Solomon (Centenary), First United Methodist Church in Bossier City, Dr. John Lee, Pastor.

Dr. Al Norris then presented the composite report for the United Methodist seminaries. He stated that there are thirteen United Methodist Schools of Theology. He thanked the Conference for its contribution to these institutions through the support of the Ministerial Education Fund. He further pointed out that three of these schools are in the Northeastern Jurisdiction, three in North Central Jurisdiction, two in the South Central Jurisdiction, three in the Southeastern Jurisdiction and two in the Western Jurisdiction.

Mrs. Amy Ward gave a brief presentation outlining the progress of the Africa University. Calling it a "Vision of Hope," she said that today it is becoming a reality. On April 9, 1991 the ground breaking service for the University was held, and classes are to begin March 1992. The buildings will be completed in 1993, but some buildings that are appropriate for use can be used in 1992. She ended by stating that the campaign to raise ten million dollars for the Africa University had already begun.

Dr. Sam Cook was asked to return to the lectern to give information regarding the Black College Fund. He reminded the audience of the eleven colleges related to The United Methodist Church that were recipients of the Black College Fund, noting that they were all fully accredited. He said that last year they received from the Black College Fund the amount of \$7,643,875 and that the goal for 1991 was \$9,760,000. He complimented the Louisiana Conference for its 82.9 percent payment of its Louisiana Conference askings for the Black College Fund.

The resolution, and the entire report of the Board of Higher Education, was approved by the Conference.

Board of Church and Society: The Conference Board of Church and Society report was then presented by Dr. Larry Robertson, chairperson. He first presented a plaque to Mrs. Sarah Schoeffler for her outstanding effort in helping to preserve the Coastal Wetlands.

Dr. Robertson moved, and the motion was seconded, that the Conference rules be suspended during the report of the Board of Church and Society in order to limit speakers to three minutes each. Bishop Oden reminded the Conference that it would take a two-thirds vote to suspend the rules of the Conference. The vote was taken and the rules were suspended.

Human Welfare Committee: Rev. John Downs, chairperson of the Human Welfare Committee, came forward. He presented the report as found in the Pre-Conference Reports. Rev. Downs commented on the four items included in the report, and made some corrections. The four items dealt with Health Care Reform, Drug and Alcohol Concerns, AIDS, and Abortion. He then asked that this part of the report be adopted.

A motion then was made by Rev. John Williams to strike no. 4, the resolution on abortion.

Discussion then followed regarding various concerns of the abortion issue. During the discussion, Dr. Robertson rose to make an additional change in the resolution that had been left out of the report. The change altered the resolution so that the word "routine" was inserted in one sentence: the correction read: "Our belief in the sanctity of unborn human life makes us reject abortion as a routine means of making determinations about who is to be born and who is not." The correction was allowed to be inserted in the resolution. The motion to strike was defeated. The entire report, as corrected, was approved.

Council on Finance and Administration: As the order of the day had arrived, the Bishop called for the report of the Council on Finance and Administration.

Directing our attention to the report in the Pre-Conference Report, Rev. Larry Stafford made several notations, editorial changes and additions. He revised the report to indicate that United Methodist Foundation Sunday on March 8, 1992 is to be without a special offering. An additional correction authorized the Senior Minister of First United Methodist Church, Baton Rouge to be a signator for the Council in the place of the President of the Council on Finance and Administration.

Rev. Stafford asked all lay delegates and ministerial delegates to note the recommendation to the Pastoral Charge be to consider an amount of \$5,100 for pastors' travel

allowance and \$3,300 for utility and housing expense for each minister.

He asked for an insertion of two new items: numbers 10 and 11. These items are as follows: Item number 10: In light of the recent disasters throughout the state, we are asking each local congregation to receive a special "Conference Disaster Relief Offering" on June 30, 1991. We also ask that you remit the funds received as quickly as possible to the Conference Treasurer. Item number 11: CFA is discontinuing the Conference automobile for members of the Larger Cabinet. Those presently in use will be phased out. Members of the Larger Cabinet will receive the IRS allowable amount per mile for travel.

Upon the completion of the report, motion for adoption was received and the report was adopted.

The Bishop then announced the amount of the offering that was taken up for the United Methodist Church in Russia. The amount was \$3,817.

Town and Country Ministries: Rev. Tommy Bergeron then came forward to make the report for Town and Country Ministries. He called on District Superintendent, Rev. Carole Cotton-Winn to escort Dr. Rex Squyres to the podium. Dr. Squyres was presented with the United Methodist Rural Fellowship Citation of Merit Award, a national award given through the Annual Conference to persons who have given outstanding leadership in the area of town and rural ministry.

In closing, Rev. Bergeron asked all those individuals in the Gold Dome who were either members of, or working in, rural churches to stand to be recognized by the Conference.

The Bishop then announced the result of lay ballot number 3. Ballot number 3: 355 votes were cast, 20 invalid, 335 valid, needed to elect - 169; Dr. Nancy Carruth was elected with 182 votes.

Lay ballot number 4 was passed out. The vote was taken. The tellers were dismissed to count the vote as the Bishop commended the tellers for their good work.

Bishop Oden then presented Mr. Ray Buchanan representing the Meals for Millions, a project of the Society of St. Andrew. Mr. Buchanan spoke about the potato project and complimented the United Methodist Men for their goal of seeking to have one million servings of potatoes contributed by next year.

Peace With Justice: The Bishop then called for the continuation of the Board of Church and Society report. Dr. Hilda Arndt, Conference chairperson of the Peace With Justice Committee, was then presented. Dr. Arndt announced that a request had been made by the Board of Church and Society for a Peace with Justice educator. The request specifically asked that we be one of the five Conferences to receive a Peace with Justice Educator for 1991. The Educator would itinerate the state for nine months. He or she would be available to the local churches and groups in order to raise the awareness of our congregation of the need for peace advocacy. She then presented the resolutions for adoption and they were each taken separately.

Resolution A dealt with the Persian Gulf Crisis. Dr. Arndt moved for adoption of the resolution. Mr. Adams of First United Methodist Church, Bossier City rose to object

to number 4 (an appeal to all nations not to resort to weapons of mass destruction) and asked that it be amended to delete the words "even when opposing forces may use such weapons." Mr. Sam Taylor of Monroe rose with a substitution to eliminate number 4. The substitution was seconded from the floor. Dr. Arndt clarified that this resolution does not exclude all military intervention. A vote for the substitution failed. The amendment itself was passed. A vote for the entire resolution was also passed.

Dr. Arndt then presented **Resolution B concerning the Arab-Israeli Conflict**. She moved for its adoption. There were no questions, and it was passed.

Dr. Arndt moved for the adoption of **Resolution C, concerning Racism**. Rev. Paul Durbin of Methodist Hospital, New Orleans moved for the removal of number 9 which concerned the military and the poor. It was seconded from the floor by Rev. Jack Winegeart. Mr. Larry Fincher of Mandeville affirmed the deletion of number 9. Mr. Rob Sure of Rayne Memorial, New Orleans stood to address number 9, stating that as written, the word access does not condemn the military. Rev. Bob Potter of Munholland, Metairie, indicated that the resolution had to do with the disproportionate number of ethnic minorities in the military services as a result of our economy. Hershey Vaughn, of Cornerstone, New Orleans, who is a recruiter for the Navy, stood to affirm the military as a career. He stated that the military was an alternative to drugs and to the streets and spoke to equal opportunity in the military. The issue, he stated, concerning economics is a great concern for the military as well, and it is being taken under consideration. A vote to delete number 9 passed.

Mr. Larry Fincher stood to speak on number 7. Mr. Fincher moved that number 7, Resolution C, be amended to read: Work in local communities to secure high priorities for clean-up for uncontrolled toxic waste sites in residential neighborhoods, with an additional sentence added to read: Work for stricter zoning regulations to prevent low-income housing in flood-prone areas. It was seconded by Rev. McKinley Franklin.

Rev. Swindell Hodges spoke to the toxic waste situation in low-income neighborhoods. A vote was taken on the amendment. The amendment failed. A vote was taken on the resolution and it passed. This completed the report of the Committee on Peace with Justice.

Rev. Hodges then gave reports for the **Environmental Justice and Survival Committee** and the **Louisiana Interfaith Impact Committee**. Both reports were approved as presented.

Clergy ballot number 3 was then announced by the Bishop. Ballot number 3: 236 votes cast, 5 invalid, 231 valid, needed to elect - 117; Dr. Phil Woodland was elected with 138, and Rev. Carole Cotton-Winn with 119.

Rev. Don Avery asked that his name be removed from consideration for future votes for the General Conference delegation.

Clergy ballot number 4 was then issued. The Bishop instructed the ballots to be sealed and the counters to report in the morning with a completed ballot report ready for announcement.

The United Methodist Foundation report was then given by Dr. Kenneth Reed. Dr. Reed emphasized the work of the Foundation in its grassroots campaign to inform local churches on ways the Foundation can assist the churches. The Foundation is in the process of compiling a list of interested persons in each district that may assist in this endeavor. He then highlighted the areas of the management and investment of funds, and the management of gifts for charitable purposes. Mrs. Laura Thode, Administrative Assistant of the Foundation, was introduced. Dr. Reed applauded the work of Dr. J.J. Caraway and announced that Dr. Caraway had been recently chosen to be the first National Executive Secretary of United Methodist Foundations. He also applauded the work of the Bishop for assistance in fund raising for the Foundation. He introduced Mr. Marcus Wren from First United Methodist Church, Minden, as the new chair of the Foundation Board.

Dr. Reed next made a most important announcement. Dr. Clyde Clark, the first Director of the Louisiana Methodist Foundation, started a dialogue in 1985 with Mr. Jesse Stafford. Mr. Stafford became a charter member of the Foundation. This past year Mr. Stafford made the Foundation one of the primary beneficiaries of his estate. With the recent death of Mr. Stafford, the Foundation is now responsible for a considerable bequest. Dr. Reed made a pledge on behalf of the Foundation to be a good steward of that bequest. With the report completed, it was accepted by the Conference.

Announcements then followed. Dr. Don Cottrill, Conference Secretary, announced that individuals should carry their worship books with them to all worship services. In order to correct a misunderstanding, he was asked to report that in spite of the recent damage to the Caney Lake Camp, the summer program would be held. He then asked that we pray for Mrs. Patty Hodges and Rev. Rick Hebert, both of whom had had surgery recently.

Bishop Oden reported that Mrs. Evelyn Deich, who had undergone brain surgery yesterday, was doing well.

Dr. Cottrill was asked by the Bishop to sequester the lay ballots until tomorrow morning. At 4:35 p.m., the Bishop adjourned the Conference and called upon Dr. Merlin Merrill to close with a prayer.

Judge Carl Stewart, who was not able to fulfill his duties due to heavy work responsibilities, is to be replaced by Mr. O. Fred Loy as associate Conference Lay Leader.

Mr. White then addressed the Conference. He began by stating that there is more interest in equally sharing the "call" among both lay and clergy. He also indicated that there is a drive for greater energy to be spent in training for spiritual discipline and spiritual growth and less concern for maintenance and administration. He said there should be greater sharing of leadership roles on Conference boards. He asked that the clergy teach laity how to be in mission in order that the laity may minister to the pain of the world. He also highlighted the many gifts and talents of the Louisiana United Methodist laity. He encouraged local lay leadership, and the rotation of officers so that the leadership of the Conference might be shared among more people.

Mrs. Blackwell asked the delegates to tell young people about the scholarships and encourage them to apply if they are attending Centenary College or Dillard University. She also asked that the congregations support the District Laity Banquets. The money raised at these banquets helps to supply the needed monies for this particular scholarship program.

Lay Witness: The Conference accepted the report as presented by Mr. Jack Dew.

A question was raised by Rev. McKinley Franklin to Mr. Paul White as to whether inclusiveness is being promoted among the leadership of the laity. Mr. White responded that the Board of Laity is promoting inclusiveness, and he gave several examples. It was moved that the report of the Board of Laity be accepted, and the Bishop asked the delegates to show affirmation by applauding.

Lay ballot number 5 was read. Ballot number 5: 364 votes cast, 4 invalid, 360 valid, needed to elect - 181; there was no election.

Mr. Bean recommended an audit or research into the liability insurance for the Conference and its related agencies and directed the Conference to the 1988 Book of Discipline, Section 701, para. 13. He further requested that a central file be established in the Conference office that contained information on the liability of all of its related agencies.

The Board of Trustees Report was presented next. Dr. Tom Matheny, chairperson of the Board, presented several resolutions. All of the resolutions, which can be found in Section XII of the Journal, were accepted as presented.

The Board of Church and Society again came to the podium. Dr. Robertson moved the adoption of the resolution concerning Dulac Community Center. The resolution requests the revocation of a permit issued to the South Terrebonne Tidewater Conservation Management District allowing for the construction and operation of a floodgate adjacent to the Dulac community. It is felt that this floodgate would cause great damage to the Dulac community. The resolution was passed (the full resolution is found in Section XII of the Journal).

Rev. C. A. Verret expressed thanks on behalf of the Houma Indians for the acceptance of this resolution and urged the signing of the Church and Society petition that was to be circulated at the Conference.

The Bishop took a moment to introduce Mr. L. Billiot, also known as "Mr. Moot", who made the cross which was used in "The Louisiana Gathering" processional.

Dr. Al Norris, representing the United Methodist Publishing House, introduced Mr. Boyd Porter, III, manager of the Cokesbury bookstore at the Annual Conference. Mr. Porter indicated the Cokesbury Africa University project was continuing, and that the proceeds of all hymnals purchased embossed with the Africa University emblem would be contributed to that University project.

Mr. Porter also indicated that Cokesbury is a growing company and that a new consolidation center has been established in Nashville to expedite purchase and delivery. He made a presentation to Bishop Oden of a T-shirt and poster from Abingdon Press.

Dr. Norris, on behalf of Cokesbury, presented a check in the amount of \$14,715.21. This check will be deposited in the Pension Fund.

The Church and Society Report continued. Dr. Robertson urged the Conference to pass a resolution asking Governor Roemer to veto the act of the Louisiana Senate passed the day before which would make an abortion a criminal offense unless the pregnancy occurred as a result of rape or incest. There was a second from the floor.

Rev. Ken Fisher of New Orleans questioned the wording of the resolution and the Board accepted his suggestion. The resolution was put to a vote and passed (the resolution is found in Section XII of the Journal).

Clergy ballot number 8 was then brought to the Conference. Ballot number 8: 225 votes cast, 1 invalid, 224 valid, needed to elect - 113; there was no election. Clergy ballot number 9 was issued.

Dr. Don Cottrill then was called upon to make announcements. The Rev. Abraham Davis indicated that funeral services for Rev. Collins were in process, and that Mrs. Helen Johnson of Boynton, a long time lay leader in the local church, district and Conference had died that morning. He asked our prayers and concerns for her family. A prayer was given by Rev. W.C. August of Baton Rouge. The Bishop called for the recess and the delegates were adjourned for lunch.

Cynthia Wilson-Felder led in singing, "Down By the Riverside," after which Rev. Marva Mitchell, pastor of Felicity United Methodist Church in New Orleans, gave the afternoon prayer.

Clergy vote number 9 then was received. Ballot number 9: 222 votes cast, 0 invalid, 222 valid, needed to elect -112; there was no election. The Bishop then instructed the Conference tellers to distribute the ballots for clergy vote number 10. The tellers retired to count the ballot.

Bishop Oden then presented Rev. Tom Babington, who introduced all those who were under appointment beyond the local church. The following were presented: Maria Kennedy, Paul Durbin, Walter Worthy, Bill Willis, John Whitley, Ted Weber, Al Norris, Clarence Snelling, Wilson Brent, Linn Caraway, Steven Fleming, Teresa McConnell, John Sewell and Bertrand Griffin.

The Conference Board of Pensions: Rev. Phil Woodland directed our attention to the Conference Board of Pensions Pre-Conference Report as he expressed appreciation to all board members, and especially to members of the executive committee for their cooperation for this year.

He then introduced Rev. Grayson Watson as the new chairperson and Mr. Welton Brumfield as the vice-chairperson of the Board of Pensions.

Dr. Jimmie Caraway was then presented a plaque for his service as Executive Secretary of the Conference Board of Pensions.

Following the presentation, Dr. Caraway announced to the Conference that the pension rate had been raised to \$280 per service year and that there would be no increase in the Pension askings for the year 1991-92.

Rev. Tom Howe was called upon to report on the Conference insurance program. Rev. Howe reminded us of the pre-certification requirement for insurance and raised concerns about being diligent in checking on workers compensation. The report as amended was approved by the Conference.

Bishop Oden then reported on lay ballot number 8: 354 votes cast; 30 invalid, 324 valid, needed to elect - 163; Mrs. Amy Ward was elected with 204 votes and Mrs. Carolyn Dove with 164 votes.

The Bishop then requested the lay delegates to distribute ballot number 9. After the Bishop declared the ballot closed, the tellers retired for the counting of the lay ballot.

Bishop Oden then called for the continuing report of The Board of Church and Society. Dr. Larry Robertson referred to a resolution that had been given to the delegates late yesterday which asked that the Annual Conference affirm its support for the legislative initiative taken by Senator Metzenbaum and Congressman Clay known as HR2112-S.9396.

After two speeches for and two speeches against the resolution, Mr. John Dyer, from Eunice, made a motion to amend the resolution by deleting para. 7. The motion received a second. Dr. Jimmie Caraway then made a motion of referral back to the Conference Board of Church and Society.

The Bishop stated that motions of referral were non-debatable issues and the question was called for. The vote was taken and the motion was carried. This concluded the report of the Board of Church and Society. The Conference approved the full report of the Board as amended.

Bishop Oden then announced the count of clerical ballot number 10: 240 votes cast, 2 invalid, 238 valid, needed to elect - 120; Rev. Joe McClain was elected with 145 votes.

The clergy tellers were instructed to distribute ballot number 11. The clergy were directed to vote for eight representatives to the Jurisdictional Conference. Following the vote, the tellers retired to count the ballots.

The Committee on Training and Orders of The Board of Ordained Ministry next presented the candidates for Elders Orders. The candidates were given an opportunity to address the Conference. These candidates for Elders Orders were: Mary Sloan Baugh, Kenneth Mack Graham, Jr., Maria Jeanine Kennedy, Isiah Lee, Larry Martin, Michael Stewart Sherman, Richard Owens Teeter, Jon Eric Telifero and Gary Don Willis.

Rev. John Williams, chairperson of the Committee, presented Rev. Doug Cain, Dean of Ministers' School. Rev. Cain explained that the name of Pastors' School has been changed to Ministers' School, with the explanation that persons other than pastors are invited to attend. The Ministers' School for 1991 will be held on July 8-11, at Centenary College. Rev. Isiah Lee, Registrar for the School, mentioned that Dr. Alfred L. Norris will speak to the School on the subject, "My Heart Is Fixed, My Course is Set."

The representative from **Lydia Patterson Institute**, Dr. Alfredo (Ted) Grout, was presented to the Conference. Dr. Grout thanked the Conference for supporting the Institute and indicated that is now receiving support from seventeen Conferences. For the first time in a long while, the Institute is operating in the black. Dr. Grout indicated that the Louisiana Conference had paid out 88 percent of its claim, for which Lydia Patterson Institute was very thankful.

Bishop Oden called for the report of the **Commission on Equitable Salaries**. Rev. Bill Rowell made corrections to the report as presented in the Pre-Conference Report. The report, as corrected, was accepted (found in Section XII of the Journal).

The Conference song leader, Cynthia Wilson-Felder, led in singing "I Love To Tell the Story."

The Bishop called for the report of the **Board of Diaconal Ministry**. As a part of the report, Rev. Dick Scott-Welch, Chairperson on the Board, introduced Mrs. Charlotte Brent and Mrs. Linda Fox as candidates for certification as Ministers of Christian Education.

The Conference voted for these persons to be certified, and with corrections to the complete report as printed, the report was adopted by the Conference.

The Bishop presented Mr. Mickey Cloud of the Fellowship of United Methodists in Worship, Music and the Other Arts. After a brief word regarding the Fellowship, Mr. Cloud presented Bishop Oden a membership into the Fellowship.

Rules Committee: Rev. Tim Lawson, Chairperson of the Rules Committee, was presented to the Conference. Rev. Lawson called our attention to the proposals and changes in the Pre-Conference Report.

The Conference approved rule changes as presented as follows:

- Article I, Section C, Rule 5 - Committee on Nominations
- Article VI, Rule 12 - Conference Nominating Process

-Article VI, Rule 4 – Administration of Funds for Conference Boards, Agencies and Institutions

Article VI, Rule 13 was proposed by the Conference Board of Laity and dealt with the issue of rotating leadership of Conference boards and agencies between clergy and laity. There was much discussion of this rule change. Mr. Paul Carter of Cameron Church moved to amend the rule. Dr. George Calvin moved for referral back to the Committee and that it be brought to the next Annual Conference session. Both the motion for referral and the amendment failed.

Bishop Oden explained that a two-thirds affirmative vote would be required in order to sustain a rule change. A vote was taken by standing count. The rule change was defeated with 178 voting for non-concurrence and 347 for concurrence.

Following the vote, Mr. Paul White, Conference Lay Leader, expressed appreciation for the discussion surrounding the proposed rule change, saying that he felt the intent of the motion had been affirmed.

The approved rules are found in Section X of the Journal.

The rule change, Article VI, Rule 4 as proposed by the Conference Board of Discipleship was withdrawn by Rev. Larry O'Dell, chairperson of the Board. Rev. Brady Forman moved to reconsider Article VI, Rule 4, but the motion was defeated.

Rev. Henry Bowdon then moved to extend the time in order to receive the report of the next ballot and to hear the presentation of the Scouting awards. The Conference approved.

The Bishop called for clergy ballot number 11: 218 votes cast, 11 invalid, 207 valid, needed to elect – 105; Rev. James Poole was elected with 136, Rev. Chris Andrews with 134 and Rev. Alonzo Campbell with 119 votes.

The Bishop then directed the clergy tellers to distribute ballot number 11. Following the vote, the tellers retired for the counting of the ballots.

Then lay ballot number 9 was announced by Bishop Oden. Ballot number 9: 359 votes cast, 22 invalid, 337 valid, needed to elect – 170; Mr. Bob Sides and Mr. Matt Kawasaki were both elected.

The Bishop called for ballot number 10 to be distributed. The delegates prepared their ballots, the tellers received them and retired for the counting.

Bishop Oden called for Rev. Ray Holt, Chairperson of the Committee on Youth Serving Ministries to present the scouting awards. The Torch Award was presented to Jim and Loretta Owens, husband and wife scout leaders from the Trinity United Methodist Church in Ruston. Their Pastor, Rev. George Duerson, was there as the Bishop presented them the award.

Additional awards were presented to the following units: Boy Scout Troop 888 of the St. Andrews United Methodist Church, Baton Rouge, Rev. Fred Wideman, pastor; Troop 236 in Hammond, Rev. Charles Humphreys, pastor; and five scouting units from the Camphor

The Bishop called upon Cynthia Wilson-Felder to bless us with a song. She sang "My Soul Is a Witness." We were dismissed with the closing prayer by Rev. Darryl Tate of the Kinder-Oberlin-Basile Charge.

Wednesday, June 5, 1991
First United Methodist Church
Evening Service - 7:00 p.m.

The Service of Ordination for the Louisiana Annual Conference was held on Wednesday evening, 7:30 p.m., at the First United Methodist Church, Shreveport. At 7:00 p.m. Pre-Service Music was presented by the Sanctuary Choir of First United Methodist Church, Alexandria and Mrs. Sally Wood, Harpist, of the William B. Reily Memorial University United Methodist Church, Baton Rouge. The Alexandria choir was directed by Mr. Jessie Newcomer with Mrs. Marie Durham, organist. Dr. Craddock preached the sermon for Ordination using as the topic, "The Vision As Lure"; scripture text: Revelation 5:1-14.

Bishop Oden officiated in the Service of Ordination and Consecration. The liturgists were Rev. Kenneth Fisher and Mrs. Pat Hogan. Assisting in the consecration and ordination were Bishop Marshall Gilmore (Presiding Bishop, Fourth Episcopal District, Christian Methodist Episcopal Church), and Dr. Fred B. Craddock, the preacher for Ordination.

Fourth Day
Thursday, June 6, 1991
Physical Education Center, Centenary College
Morning Session - 8:30 a.m.

The opening devotional was led by Cynthia Wilson-Felder. Bishop Oden called Rev. Loretta Lampkin to open the session with prayer.

Rev. Bob Townsend of **The Committee on the Journal** moved to accept the minutes of the previous day. The minutes were approved.

The Bishop issued what he called his "Fireside Chat" in which he gave the Conference delegates a reminder of the items still left on the agenda. He asked for their continued cooperation.

Clergy ballot number 12 was then read. Ballot number 12: 191 votes cast, 12 invalid, 179 valid, needed to elect - 91; Charles Simmons was elected with 97. Clergy ballot number 13 was then issued.

Lay ballot number 10 was then read. Ballot number 10: 334 votes cast, 11 invalid, 323 valid, needed to elect - 163; Judge Carl E. Stewart was elected with 173, and Mr. Bob Nash with 163. Lay ballot number 11 was then issued.

Dr. Don Cottrill, Conference Secretary, made the report for the **Committee on Nominations**. The report had been distributed to the assembly. Changes and additions were given.

The Bishop commented on the appointment of lay observers to the Board of Ordained Ministry. He stated that he was pleased to place in effect a decision of the 1988 General Conference allowing for two lay observers to the important board of the Conference. These persons, he continued, would be full members of the Board, except that they will not vote on ministerial orders.

In response to the report of the Committee on Nominations, Rev. Don Avery made a motion that the Conference vote to accept the Committee on Nominations report except for the nominations concerning Centenary College. There was a second from the floor.

The Bishop delayed the vote on the Avery motion, requesting clarification concerning a rule about how many votes were needed to pass the Avery motion. It was determined, with the assistance of Dr. Tom Matheny, that a majority vote was needed to divide the report. The motion failed and the total report was before the house.

Rev. Marie Williams raised concerns in regard to the practice of recycling Conference leadership, particularly on the Conference Board of Trustees. She also raised concerns about the number of women that served on that board.

A motion was made to approve the entire Nominating Committee report. The report was accepted. Rev. Alonzo Campbell suggested that the Committee on Nominations be placed other than on the last day of Conference. The Bishop indicated that he and the Conference Agenda Committee would take the timing of this report under consideration at the time the agenda was made.

Mr. Paul White made the report for the **Restructuring Committee**. He made a motion that the Conference accept the report as contained in the 1990 Journal with the changes that were adopted yesterday. The report was accepted.

The Bishop acknowledged the Restructuring Committee's work and extended words of appreciation to them. He further recognized all the laity who had participated with great dedication in the work of the Conference in this past year.

Dr. Tom Matheny made the report for the **Conference Center**. He directed the Conference to the report as found in the Pre-Conference Report. He indicated that land for the Center had been purchased on May 10, 1991 and expressed appreciation to the local churches for their support of this endeavor.

There is no plan at the current time to ask local churches for funds to support the building program this year. Committees have been appointed to begin preparing a master plan for structure and development of the Conference Center. Ground breaking is expected some time shortly after next year's Annual Conference.

Mr. Matheny thanked all those who helped to make the Conference Center dream a reality: the leaders of the local churches for their dedicated efforts in support of the Conference Center; the District Superintendents, the staff of the Conference office, the

Conference Chancellor, Mr. Jimmy Bean, and particularly Dr. Harvey Williamson, who came out of retirement to assist with this project. He thanked Bishop Oden for his great assistance. Dr. Matheny indicated that in addition to his election as chair of the Board of Trustees, the Board had elected Rev. Don Avery as vice-chair and Mrs. Vera Packer as secretary.

Mr. Joe Bailey of Aurora Church made a motion concerning the make-up of the Board of Trustees. There was no second to the motion and it died for lack of support. The motion was made to accept the report of the Conference Center. The report was accepted by the Conference.

The **Louisiana Interchurch Conference** report was next. In the absence of Rev. Jimmy Stovall, Bishop Oden made the report. He directed attention to the Pre-Conference Report and noted that the Executive Committee was in the process of searching for a new director due to Rev. Stovall's retirement. Interested persons were asked to direct their letters of interest or inquiry to the Bishop's office.

Lay ballot number 11 was then read: 328 votes cast, 6 invalid, 322 valid, needed to elect - 162; none were elected.

Conference Rules Committee: Rev. J. Roddy Taylor made the report for the Rules Committee, directing our attention to the Pre-Conference Report. The rule changes in Article IV, Section C (staff of the Conference Council on Ministries) and Article VI, Rule 19 (additional lay delegates to Annual Conference) were approved. The Rule change for Article VI, Rule 7 (the time for reports to be sent to the Conference office for the Pre-Conference Report) was defeated. The corrected Rules are included in Section X of the Journal.

Rev. Larry Norman made the presentation for the **Committee on Petitions**. Dr. Kirby Vining moved that the discussion in regard to petitions limit speakers to two minutes each and that there be only one speaker on each side. There was a second on the floor and it was approved by majority vote. Petition number 1 was declared invalid by Bishop Oden since the Conference did not have copies. Petition number 2 was presented. Petition 2 concerns the issue of homosexuality. It was clarified that the petition is directed to the General Council on Ministries and indirectly to the General Conference.

Rev. Alfred Bakewell of the Delhi-Crowville charge asked whether or not passing of this petition would negate any other petitions that might come to the floor. The Bishop responded that it would not. A call for the vote was given and the petition was approved.

Petition 3, requesting the organization of a task force on clergy housing, was presented to the Conference. The petition was approved.

Rev. Don Avery moved that petitions 4-14 be voted on "in globo." There was a second by Dr. Byrl Moreland. Rev. Larry Stafford submitted a substitute motion by moving that petitions 4-14 be sent to General Conference without action by the Louisiana Conference. The substitute motion was accepted by Rev. Avery. A vote was taken and the Conference approved the motion.

Petition 15, (a resolution on Vision Interfaith Satellite Network) came to the Louisiana Conference with concurrence from the Committee on Petitions. A vote was taken and it was approved.

Clergy ballot number 13 was then read: 235 votes cast, 9 invalid, 226 valid, needed to elect - 114; Rev. John M. Lee was elected with 119 votes. Clergy ballot number 14 was then taken.

Dr. Don Cottrill, Conference Secretary, made announcements. Rev. Sherman Beard was permitted a moment of personal privilege to introduce the youngest lay speaker in the Louisiana Conference, 19 year old Gabe Johnson. The Bishop then called for a ten-minute recess.

Lay ballot number 12 was read upon reassembling. Ballot number 12: 327 votes cast, 6 invalid, 321 valid, needed to elect - 162; Mrs. Seola Callahan was elected with 213 votes and Mrs. Dorothy Mae Taylor was elected with 168 votes.

Mr. Sam Wallace of Ruston moved that the four persons receiving the most votes on lay ballot number 13 be designated as the alternates for the Jurisdictional Conference. There was a second from the floor and it was approved by majority vote.

Dr. Don Cottrill made the following announcements. The wife of Rev. Russell Jones, of New Orleans, had been rushed to the hospital that morning. Rev. Rick Hebert was unable to attend Conference as he was recovering from surgery. Dr. Cottrill requested that greetings and well wishes be sent to these two individuals on behalf of the Conference. There was affirmation from the Conference.

Rev. James Poole asked for a point of personal privilege to introduce the Rev. Quinton Gibson. He is transferring to this Conference and will serve as the new campus minister at Grambling State University and as minister at Pilgrim's Rest United Methodist Church. Also introduced was the new campus minister at Louisiana Tech, Rev. Andy Hearst.

Mr. Bob Nash made the report for the **Louisiana Moral and Civic Foundation**. He referred the delegates to the report of the Foundation in the Pre-Conference Report. He extended greetings from Dr. Ken Ward, who was unable to be with us since he was monitoring legislation. Dr. Ward, via Mr. Sides, extended thanks for the support to all of the local churches and reminded the body that \$1.00 per member per year is requested from local churches for support of the Foundation. The report was accepted.

Bishop Oden presented Mr. Vernon Pierson, of the United Methodist Church in Logansport, to the Conference. Mr. Pierson blessed us with the singing of "The Lord's Prayer"; Mrs. Wilson-Felder accompanied him on the piano. Then Mrs. Wilson-Felder led the Conference in the singing of "Old Time Religion." This was her closing farewell to the Conference.

Clergy ballot number 14 was announced. Ballot number 14: 252 votes cast, 1 invalid, 251 valid, needed to elect -127; there was no election.

Dr. L. Ray Branton moved that on the last Jurisdictional ballot the four persons who received the next highest number of votes on that ballot would serve as the four alternate delegates to the General Conference. The motion was voted and carried.

Rev. Jack O'Dell was introduced to announce the results of the Annual Golf Tournament which was held in Alexandria. For the second straight year the Shreveport

District won the title, while Rev. Scott Adams won the individual award.

Rev. John Vining requested that the Conference consider getting electronic voting equipment. Based upon his experience as a teller, he thought this would be much more expeditious. A suggestion was made that the Conference might investigate the possibility of borrowing voting equipment from the Louisiana Voting Commission. Bishop Oden said that this suggestion would be considered.

Rev. Dwight Ramsey indicated that the representatives of the Russian Church are still being persecuted. He explained that Mrs. Lydia Istomina is equivalent to a Dean of Students in Russia and her husband and father are both engineers. They, however, live on meager salaries because of the loss of jobs due to discrimination against their religion. He asked that we remember them in our prayers as well as with our gifts.

Bishop Oden displayed a gift that Rev. Wishy Nolan had given to him and Mrs. Oden. He expressed great appreciation. The gift was a large color photograph of "The Gathering". He suggested that anyone wanting such a picture should contact Rev. Nolan.

Rev. Henry Bowdon was called on to lead the Conference in singing "O For a Thousand Tongues to Sing."

Rev. James McLelland was commended for assisting during the business sessions by playing the organ to accompany our singing. Mrs. Joanne White indicated that her son, Paul Donald White, would be ordained an Episcopal priest in the immediate future. She stated that she couldn't make him a Methodist, but she did get him to do his thesis on John Wesley.

Rev. Larry Stafford nominated Dr. Stone Caraway as the Conference Secretary for the next quadrennium. This is done to give the Council on Ministries Director more time to visit and work with local churches. Appreciation was given to Dr. Don Cottrill for the excellent job that he has been doing. The nomination was accepted by the Conference.

The Bishop then asked the question: "Where shall the next session of the Annual Conference be held?" Retiring President of Centenary College, Dr. Don Webb, extended an invitation on behalf of the Centenary community to the Louisiana Conference to once again hold its meeting at Centenary.

Dr. John Fellers, of First United Methodist Church, Shreveport, issued an invitation for the Conference to return to Shreveport and to hold its worship services at First United Methodist Church again next year. The invitations were accepted with a resounding "Amen."

Dr. Don Webb was called upon by the Bishop to introduce Mr. Richard Rouse of Centenary. Mr. Rouse is in charge of the buildings and grounds staff. Bishop Oden offered appreciation to Mr. Rouse and his staff for their hard work. Dr. Webb introduced the Courtesy Staff. They assisted in passing out literature and making sure messages were delivered during the Conference. Applause was given to individuals and groups. Bishop Oden thanked Mr. Walter Brock and Mr. Harold Austin for preparing the lighting system to keep time for all the speeches, and he gave a special word of thanks to Mr. Clairborne Sharp for taking care of the sound system needs of the Conference session.

The Bishop then introduced God's Recycled Angels, a choir from Palestine United Methodist Church in Pineville, who participated in the closing worship service.

The prelude to the closing service was begun. Following the prelude, the service was interrupted to read clergy ballot number 15: 215 votes cast, 2 invalid, 213 valid, needed to elect - 108; Rev. Don Avery was elected with 144 votes. Clergy ballot number 16 was then issued.

Rev. Abraham Davis, of New Orleans, representing the **Courtesy Committee**, read his report to the Conference. The Bishop commended him on an excellent report. There was a motion to accept the report. The report was accepted.

The service of Sending Forth resumed. Bishop William Oden was the officiant and the preacher, and liturgists were Rev. John Higginbotham and Mrs. Mae Calvin. The organist was Rev. James R. McLelland. The director of the choir was Mrs. Gayle Meyers and accompanist was Mrs. Dorothy Till.

The Sending Forth Service was concluded, and the Bishop read Clergy ballot number 16, with 2 to be elected. Ballot number 16: 221 votes cast, 1 invalid, 220 valid, needed to elect - 111; Rev. John Winn was elected with 121, and Rev. Larry Stafford with 116. The four alternates were in this order: Dr. Douglas McGuire, Dr. George W.C. Calvin, Rev. Carol Susan Winn and Rev. Marie Williams. The Bishop declared the clergy elections complete.

Bishop Oden then presented the final lay ballot and declared that the four alternates had been elected, as follows: Mr. Welton Brumfield, Mrs. Pat Hogan, Mrs. Vera Packer, and Mr. O. Fred Loy. He declared the ballots completed for the laity and said that all delegates would meet for an organizational meeting immediately upon adjournment.

The Bishop declared the Twenty-first Session of Annual Conference adjourned.

It shall not be required to nominate a person for every vacancy, but shall nominate only those persons it considers adequate to the task.

D. Prior to March 1, the District Committees on Nominations shall submit their lists of nominations to the Secretary of the Annual Conference, accompanied by the information about each nominee specified in "B" above. The Conference office shall maintain computer records of current and prior service in Conference elective offices and shall make this information available to assist The Conference Committee on Nominations. The Conference Secretary shall compile and circulate nominations submitted and its computer records of prior service to members of the Conference Committee on Nominations at least five days prior to its initial meeting.

E. Prior to April 1, The Conference Committee on Nominations shall meet and make nominations for all Conference offices which must be filled in the next quadrennium. It shall give priority to the lists of names submitted by the Districts, but it may consider other names. The nominations shall be mailed to the lay and clergy members of the Annual Conference as part of the Pre-Conference Reports.

F. All persons nominated for an office in the Annual Conference shall be contacted by the District or Conference committee placing their names in nomination to determine whether the persons so nominated are willing to serve.

G. Nominating Committees shall examine all nominations to ensure appropriate representation of ethnic minority persons, lay and clergy women, lay and clergy men, persons with handicapping conditions, youth, young adults and older adults.

H. Following the elections at the beginning of a new quadrennium the newly elected bodies shall meet at the site of the Annual Conference session. The District Superintendents shall convene the newly elected bodies and shall call for the election of a chairperson. Each body shall elect its chairperson and other officers upon nomination from the floor.

I. When vacancies occur during a quadrennium, The Conference Committee on Nominations shall make nominations to fill the vacancies at the ensuing session of the Annual Conference. The Secretary of the Annual Conference shall retain the records of persons nominated in the process described above. The Committee shall use these records to

assist its work. It shall not be limited to persons previously nominated. These nominations shall be published in the Pre-Conference Reports.

13. **TERMS OF MEMBERSHIP:** The terms of membership on all Councils, Boards, Commissions, and Committees, except the Board of Trustees, shall be limited to any number of years, not to exceed eight (8), served in two consecutive quadrennia. When one has served the maximum time allowed, then reappointment to the same council, board, commission or committee shall not be permitted until a full quadrennium has lapsed. This shall not prohibit service on other councils, boards, commissions and committees in the following quadrennia.
14. **CABINET LIAISON:** There shall be a Cabinet Liaison appointed by the presiding Bishop to each Conference Board and Agency. Expenses of the Cabinet Liaison shall be paid by the Board or Agency involved.
15. **CONFERENCE BOARDS AND AGENCIES MEMBERSHIP:** Conference Boards and Agencies shall not be limited to their membership in the appointment of committees and task forces. Members of General Boards and Agencies shall be members of corresponding Conference Boards and Agencies.
16. **ALL INSTITUTIONS IN THE CONFERENCE:** All institutions in the Conference shall be incorporated and shall review their corporate charters quadrennially to determine that they are in conformity with the laws of the State of Louisiana and the *Book of Discipline of The United Methodist Church*. "The names of those nominated to serve as members of the Board of Directors/Trustees of conference institutions for later election by the Annual Conference shall be submitted to the appropriate board of the conference no later than March 15th each year."
17. **LAY MEMBERS OF ANNUAL CONFERENCE:** Each Charge Conference shall elect annually the lay member(s) to the Annual Conference and one or more alternates. Each Board of Directors of Wesley Foundation shall elect a Methodist student member of the Wesley Foundation of each campus minister who received over one-half their salary for the Wesley Foundation. The District Superintendent shall preside at this election.
18. **ELECTION OF YOUTH DELEGATES:** The District Council on Youth Ministries shall nominate a delegate and reserve delegate in the youth category (18 years of age or younger on the opening date of the Annual Conference for which they are elected) after consultation with the District Superintendent, local church youth groups, and pastors in that district, and these nominations may be made from the floor of the District Conference.

The District Young Adult Coordinator shall nominate a delegate and reserve delegate in the young adult category (between the ages of 19 and 25 on the opening date of the Annual Conference for which they are elected) after consultation with a young adult task force composed of campus ministers, young adult leaders in local churches, two young adults, one of whom shall be a student and one a non-student, and the immediate past young adult delegate and reserve delegate in that district and the District Superintendent. In those districts where there is no young adult coordinator, the adult coordinator shall make the nominations in the process as stated above. These nominations shall be presented to the District Conference for their election. Additional nominations may be made from the floor of the District Conference.

19. **LAY AND CLERGY MEMBERS:** In accordance with *The Book of Discipline of The United Methodist Church*, the annual conference shall be equally represented by clergy and lay delegates. The clergy membership shall consist of members in full connection,

probationary members, associate members, affiliate members, and local pastors under full-time appointment to a pastoral charge. All clergy members of the annual conference shall be attached to one of the districts. The Conference Committee on Credentials, in cooperation with the district superintendents, shall ascertain the number of clergy members in each district and shall ascertain the number of laypersons in each district who are delegates by virtue of election or by virtue of their office. Two young persons under twenty-five (25) years of age shall be elected lay delegates by each District Conference or District Council on Ministries, as outlined in Article VI, Rule 18 of the Conference Journal. The diaconal ministers, the conference president of United Methodist Women, the conference president of United Methodist Men, the conference Lay Leader, the district Lay Leaders, the president or equivalent officer of the conference young adult organization, if applicable, and the conference president of United Methodist Youth shall be counted as members of the annual conference from the districts in which they reside. The Conference Committee on Credentials shall then ascertain the number of additional lay members needed to equalize the lay and clergy membership of the annual conference. The total number of additional lay delegate slots will then be prorated to the districts based upon the church membership of the districts as reported in the most recently published edition of the Conference Journal. These additional at-large lay delegates shall then be elected by the respective District Conference or District Council on Ministries upon nomination by the District Committee on Nominations. Additional nominations may be made from the floor of the District Conference or the District Council on Ministries.

20. **LOCAL CHURCH COMMITTEE ON WILLS:** Each local church shall have a committee of one or more members on wills, trusts and special gifts.
21. **CHANGE IN RULES:** Any recommendation for Rule changes shall be presented to the Chair of the Rules Committee no later than the last day of February. The Rules Committee shall consider and make its recommendations in time to be included in the Pre-Conference Report.

Amendments to proposals to change the Conference Structure and Rules which have been presented to the delegates to the Annual Conference in the Pre-Conference Report may be considered by the Annual Conference session and shall require a $\frac{2}{3}$ (two-thirds) majority vote for approval. Proposals to change the Conference Structure and Rules shall require a $\frac{2}{3}$ (two-thirds) vote for adoption.

22. **CALENDAR:** In order to coordinate the calendar of the Conference and to be better stewards of money and time, no conference event may be held unless it has first been cleared through the COM Executive Committee at least six months prior to the event. The CCOM Executive Committee shall make necessary changes so that there will be no duplication of major events. Items to be calendared are programs, board meetings, conference events, any scheduled event which involves the Conference, etc. In case of unusual circumstances a meeting could be put on the calendar by a two-thirds vote of the Executive Committee.
23. **ITINERATION:** The Conference Year is from June 1 to May 31. When a minister moves to a new appointment at Annual Conference he/she is to receive compensation and expenses from June 1. When a minister leaves an appointment at Annual Conference, he/she will receive compensation and expenses only through May 31. If the minister lives in a parsonage, he/she is responsible for paying the utilities for the month of May and for leaving the parsonage in good condition. The chairperson of the Pastor-Parish Relations Committee is to certify to the District Superintendent on the form provided by the District Superintendent that the provisions of this rule have been met by the minister before leaving the charge. If a minister is given a housing allowance, the chair-

person of the Pastor-Parish Relations Committee is to give to the District Superintendent a copy of the contract for period of time to be covered by the housing allowance. This form, which is to be provided by the District Superintendent, is to be sent to the District Office at the beginning of the appointment.

ARTICLE VII: RULES OF ORDER FOR CONFERENCE SESSIONS

RULE 1. SCHEDULE OF MEETINGS

Morning — Opening Prayer or Devotional Service
 Conference Business with a mid-morning recess
 Afternoon — Conference Business
 Evening — Programs as planned.

RULE 2. ORDER OF BUSINESS: After devotional service the daily sessions of the Conference shall be conducted as follows:

1. Report of Committee on Journal of the previous meeting or meetings.
2. Report of Committee on Courtesies.
3. Report of other standing administrative and special committees.
4. Calendar.
5. Miscellaneous business.

RULE 3. AUTHORITY OF THE CHAIR: The presiding Bishop, or a person designated by the Bishop, shall be the presiding officer of the Annual Conference. They shall decide points of order raised or not raised by the members, as they deem necessary to conform to these rules of order; subject, in both cases to an appeal to the Conference by any member without debate; except that the chairperson and the appellant, in the order named here, shall each have five minutes for a statement in support of their respective positions. A tie vote in the case of appeal shall sustain the chair. When any member raises a point of order they shall cite, by number, the rule they judge to have been violated. The presiding Bishop shall have the right to recess a session of the Annual Conference at any time at his/her discretion and to reconvene at such time as he/she shall announce, with only delegates, authorized personnel and authorized guests permitted to attend such a session following recess.

RULE 4. CALLING THE CONFERENCE TO ORDER: When the chairperson stands in his/her place and calls the Conference to order, no member shall speak, address the chair, or stand, while the chairperson stands.

RULE 5. ATTENDANCE AND SEATING RESERVES: No member, unless hindered by sickness or otherwise from being present, shall be absent from the sessions of the Conference without permission of the Conference; and all absentees shall be reported to the Chairperson.

RULE 6. DIRECTIONS FOR SECURING THE FLOOR: When a delegate desires to speak to the Conference, he/she shall arise at his/her designated seat, respectfully address the presiding officer, using the term, "Mr./Madame Chairperson," and after recognition, proceed to a microphone and announce the Church or Charge which he/she represents; which, in turn, the Chairperson shall then announce to the Conference.

RULE 7. INTERRUPTING THE SPEAKER: No member who has the floor may be interrupted except for a breach of order, or a misrepresentation, or to direct the attention of the Conference to the fact that the time has arrived for a special order, or to raise a very urgent question of high privilege.

RULE 8. SPEAKING MORE THAN ONCE; LENGTH OF SPEECH: No member shall speak a second time on the same question if any member who has not spoken desires the floor, no more than twice on the same subject under the same motion, no longer than ten minutes unless their time shall be extended by the Conference. This ten minute limit may be reduced by a majority vote of the Conference at any time, and for any period duration.

RULE 9. QUESTION OF HIGH PRIVILEGE: A member claiming the floor at any time for what he/she believes is a very urgent question of high privilege shall be allowed to indicate briefly the nature of the question and if it be adjudged by the chair to be such, he/she may proceed at his/her pleasure or until the chairperson judges that he/she has exhausted their privilege.

RULE 10. VOTING AREA OF CONFERENCE: Only delegates within the area of the Conference when the vote is taken shall be entitled to vote. All delegates within the area at the time a question is put shall vote, except such as shall have been excused for special reasons by the Conference.

RULE 11. VOTING PROCEDURES: Voting shall be by a show of hands unless otherwise ordered by the Conference. An "aye" or "nay" vote, if taken, shall be by signed ballot. An "aye" and "nay" vote by secret ballot may be ordered on call of any member, supported by one-third ($\frac{1}{3}$) of the members present and voting. A count vote may be ordered on call of any member supported by one-third ($\frac{1}{3}$) of the members present and voting, in which case the delegates shall rise from their seats and stand until counted.

No other business shall be in order when a vote is being taken or when the previous question has been called, until the process is completed, except such as relates to the vote itself, or that which can be appropriately fitted into the time while waiting for the report of the secretaries on a count vote, or any "aye" or "nay" vote. The count shall be made by the Committee of Tellers.

RULE 12. DIVISION OF QUESTION: Before a vote is taken any delegate shall have the right to call for a division of any question, if it is subject to such division as they indicate. If no delegate objects, the division shall be made; but if there is objection, the chair shall put the question of division to vote, not waiting for a second.

RULE 13. VOTE BY ORDER: The ministerial and lay delegates shall deliberate as one body; but upon a call, by motion of any delegate, seconded by another delegate of the same order and supported by one-third ($\frac{1}{3}$) of the members of that order voting, the ministerial and lay delegates shall vote separately. But when the Conference votes by orders, no measure shall be passed without the concurrence of a majority of both classes of delegates. In cases of such a vote the order calling for it shall vote first; provided, however, that the Conference may not vote by orders on a proposed amendment to the Constitution. *Discipline* (pp. 64-66)

RULE 14. MOTION FOR ADOPTION OF REPORTS AND RESOLUTIONS UNNECESSARY: Whenever a report of a committee signed by the chairperson and secretary thereof, shall be presented to the Conference for its action, it shall be deemed in proper order for consideration by the Conference without the formality of a motion to adopt, and a second thereto.

RULE 15. REQUIRED FORMS FOR REPORTS, RESOLUTIONS, MOTIONS AND AMENDMENTS: All resolutions and committee reports shall be presented in triplicate; and, when requested by the secretary, motions, including amendments, shall be presented in writing.

RULE 16. ALTERATIONS OF MOTIONS, ETC.: When a motion is made and seconded, or a resolution is introduced and seconded, or a committee report is read, it shall be deemed to be in possession of the Conference, and may not be altered except by action of the Conference.

RULE 17. UNDEBATABLE MOTIONS: The following motions shall be acted upon without debate:

1. To adjourn, when unqualified, except to adjourn the Conference finally.
2. To suspend the rules.
3. To lay on the table.
4. To take from the table.
5. To call for the previous question.
6. To reconsider a non-debatable motion.
7. To limit or extend the limits of debate.
8. To call for the orders of the day.

RULE 18. RIGHTS OF THE MAIN QUESTION: The main question may be opened to debate under the following motions: to adopt, to amend, to commit or refer, to substitute, to postpone, and to reconsider. No new motion, resolution, or subject shall be entertained until the one under consideration shall have been disposed of. The foregoing does not apply to secondary motions if otherwise allowable in the existing parliamentary situation.

RULE 19. PRECEDENCE OF SECONDARY MOTIONS: If any one or more of the following motions shall be made when one or more other motions are pending, the order of their precedence in relation to one another shall be the same as the order of their listing below:

1. To fix the time to which the Conference shall adjourn. (This motion is subject to amendment, or it may be laid on the table).
2. To adjourn.
3. To take recess.
4. To order the previous question.
5. To lay on the table.
6. To limit or extend the limits of debate.
7. To postpone to a given time.
8. To commit or refer.
9. To amend or to substitute (one amendment being allowed to an amendment.)
10. To postpone indefinitely.

RULE 20. TABLING RELATED MOTIONS: No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

RULE 21. REFERRING REPORTS, ETC.: It shall be in order for the Conference to refer to a committee a section or a part of a report or resolution which is before the Conference for consideration, or any amendment offered thereto.

RULE 22. PROCEDURE FOR CONSIDERATION OF SUBSTITUTES: When a resolution or committee report is properly before the Conference for consideration and action, even if amendments thereto are pending, a substitute therefore may be offered by any member moving that the same be substituted for the report or resolution under consideration. The Conference shall then proceed first to perfect the original report or resolution, including consideration and action upon any amendments which may be

offered to it. The same perfecting process shall then be followed with respect to the substitute. The question shall then be put first on the motion to substitute, followed by the motion to adopt the report or resolution; provided, however, that the motion for the previous question shall not be in order on the adoption of the report or recommendation or on making the proposed substitution until opportunity has been given for at least two (2) members to speak on each side of the question of substitution or adoption.

RULE 23. PREVIOUS QUESTION: When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), they shall indicate to what they intend it to apply, if any secondary motion or motions are also pending. If he/she does not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate, and shall require a two-thirds ($\frac{2}{3}$) vote of those present and voting for its adoption; and if it is accepted, the vote shall be taken on the motion or motions to which it applies without further debate.

RULE 24. MOTION AFTER SPEECH: It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

RULE 25. EXCEPTIONS TO MAJORITY VOTE: A majority of those voting, a quorum being present, shall decide all questions with the following exceptions:

1. One-third ($\frac{1}{3}$) of those present and voting shall suffice to sustain a call for a count vote in case the decision of the chair is doubted. A tie vote sustains the chair.
2. A call for a vote by orders shall prevail if sustained by one-third ($\frac{1}{3}$) of the members of the order from which the call came, present and voting.
3. A two-thirds ($\frac{2}{3}$) vote shall be required to sustain a motion to suspend or amend the rules; to sustain a motion for the previous question; to set aside a special order; to consider a special order before the time set therefor; to sustain the request of the Committee on Courtesies and Privileges for the presentation of any person on the final day of the Annual Conference.

RULE 26. RECONSIDERATION: A motion to reconsider an action of the Conference shall be in order at any time if offered by a member who voted with the prevailing side. If the motion proposed for reconsideration is non-debatable, the motion to reconsider may not be debated.

RULE 27. CALENDARS, REGULAR AND NON-CONCURRENCE: The Secretary shall keep a chronological record of orders of the day and of reports of committees, which record shall be called the Calendar, and the matter of business placed on it shall be considered as recommended by the Committee on Agenda (the Cabinet) to the Conference, unless by a two-thirds ($\frac{2}{3}$) vote of the Conference an item is taken up out of its order.

When committee presents a report on a given subject, as part of its report, it must also list the numbers of all petitions relating to this subject on which the committee voted non-concurrence.

RULE 28. MOTION TO ADJOURN IN ORDER EXCEPT: The motion to adjourn when unqualified, shall be taken without debate, and shall always be in order, except:

1. When a delegate has the floor.
2. When a question is actually put, or a vote is being taken, and before it is finally decided.
3. When the previous question has been ordered and action there under is pending.
4. When a motion to adjourn has been lost, and no business or debate has intervened.
5. When the motion to fix the time to which the Conference shall adjourn is pending.

The foregoing does not apply to a motion for final adjournment of the Conference.

RULE 29. SPEAKERS FOR AND AGAINST: When the report of a subject is under consideration, it shall be the duty of the presiding officer to ascertain, when he/she recognizes a member of the Conference, on which side he/she proposes to speak; and he/she shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding if any member desire to speak on the other side thereof.

Except for undebatable motions, no motion shall be adopted or question relating to the same decided without opportunity having been given for at least two speeches for and two against the said proposal, provided that right is claimed before the chairperson or duly authorized member representing the committee's report or the minority report, if there be such, is presented to close the debate.

When all have spoken who desire to do so, or when (and after) the previous question has been ordered, the chairperson or/and duly authorized member or members presenting a committee's report (and a minority report if there be one) shall be entitled to speak before the vote is taken.

This right of the chairperson and/or other member or members to close the debate shall prevail in like manner to a limit of five minutes when a vote is about to be taken on a motion to amend, to substitute, to postpone, to refer, or to lay on the table or any other motion whose adoption would vitally affect the report under consideration; provided, that this five minute limit shall not apply to a motion to substitute a minority report for a regular (majority) report of a committee.

RULE 30. EFFECTIVE DATE: All actions of the Annual Conference everywhere shall become effective upon the final adjournment of the session of the Annual Conference at which they are enacted, unless otherwise specified, except as provided otherwise in the *Discipline*.

RULE 31. SUSPENSION OF RULES: The operation of any of the provisions of these Rules of Order may be suspended at any time by a two-thirds ($\frac{2}{3}$) vote of the Conference.

RULE 32. ROBERT'S RULES OF ORDER SUPPLEMENTAL AUTHORITY: In any parliamentary situation not clearly covered by these Rules of Order, the Annual Conference shall be governed by the current edition of Robert's Rules.

XI. Memoirs

WILLIAM CARL BARHAM, SR.

(1906 – 1990)

"Blessed is the man whose whole family loves the Lord and will serve Him daily"

W.C. Barham, Sr.

The son of a medical doctor, William Carl Barham, Sr. was born in Patmas, Arkansas, January 21, 1906. His father died when Carl was about 11 years of age. At an early age, Carl went to work in a sawmill helping with the support of his family. He felt the call to the ministry early in life and preached his first sermon at age 16. He yearned to complete his education and to prepare for ordination. He began by enrolling in correspondence classes at age 19. In 1926, however, economics mandated his seeking employment away from his home. He moved to Shreveport where he worked for The Libby-Owens-Ford Glass Company and later The Life Insurance Company of Virginia. On August 8, 1928, he married Annie Marie Barker of Texarkana, Arkansas. To that union were born three children; William Carl, Jr., Doris Evelyn, and John Barker.

The Louisiana Conference licensed Carl in 1933 and he began his ministry as a supply pastor at Blanchard. In February 1934, the Bishop appointed him to his first full time charge at Church Point. During his five year tenure there, the membership built a new parsonage. He drove regularly to Lafayette to attend Southwestern Louisiana Institute and completed three years of undergraduate studies. Also, he gave able guidance to the establishment of the Wesley Foundation on the SLI campus. Following his service at Church Point, he served in succession these charges within the Conference: Wynn Memorial in Shreveport; Grand Cane, Bell City, Merryville charge; Vinton charge; Rayne charge, where he helped organize the Wesley Memorial Church in Crowley; Ringgold, where he monitored the construction of a new parsonage; Lisbon charge, Greenwood; Columbia charge, Cotton Valley; LeCompte charge, Clinton charge, and Baker--the charge from which he retired in 1970.

That year, he and Marie moved to Garland, Texas to be nearer his eldest son and family. In his early retirement years, he served as an evangelistic visitor for the First United Methodist Church of Mesquite, Texas as well as the First United Methodist Church of Dallas at the request of its pastor, Dr. Ben Oliphint. His thoughts, however, were with his friends in the Louisiana Conference and he volunteered for supplemental service. The Bishop recalled him to complete the unexpired term of the Olla pastor and reappointed him for an additional year. Again, he helped with the development of plans to construct the new parsonage at Olla. Illness prohibited his completing that appointment year and he returned to Texas for medical attention.

I received a letter from Carl in 1988. Therein he wrote, "I feel that I can say that most of my preaching was done with an honest effort to comply with the love of God, as

revealed by Jesus Christ and as recorded in the Scriptures, and my love for the people to whom I was appointed to serve."

Carl was a very conscientious, hard-working, determined and plain-spoken minister. He knew the laws of our church, and they guided his many endeavors. He had a great love for his wife, Marie, and a dedicated appreciation for her contribution to his ministry.

William Carl Barham, Senior, died November 13, 1990. This final act of life entitled him to be commissioned a member in the Church Triumphant where he now serves with his Lord unhindered by the infirmities of age or illness. As Marie said to her children at the moment of death, "He's now preaching his sermons in heaven!"

Survivors include his wife, Annie Marie Barker Barham, two sons, William Carl, Junior of Dallas, Texas, and John Barker of Forney, Texas, and one daughter, Doris Evelyn B. Luther, of Norfolk, Virginia. There are two surviving brothers, Lester of Hope, Arkansas and Tennis of Center, Texas, and one sister, Mrs. Irene Hall, of Marshall, Texas. Other descendants include five grandchildren and two great-grandchildren.

CARRIE W. BEASLEY (MRS. JAMES L.)

(1903 - 1991)

Yesterday my grandmother died and we cried a few, no a bucket of, tears. Today, the preacher came and we laughed remembering her love and antics. She was known by many names in her lifetime. Born Carrie Justina Walden, she was called Carol by friends, Grannie Mamma by her seven grandchildren, "Mo" or "Grannie-Me-Mo-Kid" by her 13 great-grandchildren, and Kid or Yes, My Love, by my grandfather, the late Reverend James L. Beasley, her husband of 65 years.

He once said, "The only time I saw the end of the rainbow was when we drove the buggy thru one just after Kid said she would marry me." They were married July 30, 1921 in Mississippi. They had three children, a daughter Bennie, and two sons, Fred and Charles Nelson, when my grandfather returned to school -- finishing two years of high school, college and seminary in the midst of the Depression.

Grannie Mamma once said, "Jim Beasley is the head of this family, but I am the neck. And did you ever see the head move without the neck?" These were my grandparents-- a matched pair-- strong in each others weakness. Their faith in God and in each other stood them in good stead over the years as they moved from pastorate to pastorate and crisis to crisis.

The Louisiana Conference often sent them to churches in need of a building--a parsonage in Baker and two new churches in Belcher-Gilliam. One of their last charges was the inner city Park Avenue Methodist Church in Shreveport. There, their foresight aided a dying church to be revitalized as Lakeview United Methodist Church on Cross Lake. It was while at Lakeview a church member established a scholarship in their name at Centenary College for students going into full-time Christian service. This year, two students received

scholarships.

Strong-willed, independent, generous, loving – all adjectives which describe my grandmother. She set the standard for modern pastors' wives. Often first with food and words of comfort, she chose the areas to serve in each church. She was never afraid to state her opinions, sometime to the dismay of church members, but always in support of Jim Beasley, being his voice when he was unable to speak out on an issue.

No, Carol Beasley was not the typical minister's wife,.. but she believed in their ministry and was a willing servant of the Lord for 87 years. Like us, she was imperfect and full of human failings yet loved by her many friends and her family. Thanks to the grace of our Lord who died for us, we will all be together again some joyous day.

MRS. VERNA D. COBURN (MRS. JAY) (1893–1990)

Writing the memoir for Mrs. Coburn, "Miss Verna," is a sacred assignment. She died October 7, 1990 at the age of ninety-seven.

Verna Dean married Jay Coburn, who was a Methodist minister. Jay died in 1928. Soon after Jay's death, Verna began teaching in the Ponchatoula Elementary School. Through the years, she also taught a Sunday School class. This, to her, was real life. In the summer, she loved to travel, making a trip to California in a "Model A Ford." Her travels took her to many places; to Catalina Island; to Niagara Falls; and, on into Canada. She made two trips to the Holy Land where she was baptized in The River Jordan.

Verna was very thankful for her many years of good health, and worked hard to help others at all times. She believed that regular attendance of Sunday School and Worship, and also, the weekly meetings gave her a firm grip on Christian life. She was very loyal in giving and taught her class the value of giving. On September 19, 1984, she received a nice plaque in appreciation for fifty-five years of "Outstanding Christian Service" to the United Methodist Church. This plaque now hangs in the Sunday School class room where she taught so long.

Verna worked with the Woman's Society of Christian Service, now United Methodist Women, for many years and held office in it at different times. Also, she worked with Church Women United. "Miss Verna" loved to attend the Parsonnettes' meetings and did so as long as she was able.

For one who has lived such a useful life and enjoyable life, Matthew 25:23 comes to my mind: "Well done, good and faithful servant – Enter into the joy of your Lord."

LORNA MAE CYPRIAN (MRS. WESLEY R.)

(1945–1990)

On the morning of June 9, 1990, The Angel of Silence came and claimed one we loved so dearly, Sis. Lorna Mae Lewis Cyprian. Her soul winged its flight from this world of sin, sorrow, and pain to a place of eternal rest. Born October 23, 1945, she was the third child born to her parents.

Lorna was always a very quiet, easy-going youngster, full of compassion, love, affection, and wisdom that touched the hearts of many.

She united with Mary's Chapel United Methodist Church at an early age and was dedicated in many capacities; Choir, Methodist Youth Fellowship, Church School, United Methodist Women, Youth Worker, Vacation Bible School, and the Young Adults.

Sis. Cyprian was an ideal minister's wife. She assisted her husband in caring for and nurturing his congregation. She was a people-oriented person who was able to get along with everyone.

She served alongside of her husband on both the charges to which he was assigned. Never when her services were needed, was she unable to find the time to work cheerfully and with a strong commitment. To know her was to love her; to work with her was always encouraging and inspiring. The witness of her faithfulness will forever be a challenge and a blessing to mankind.

As she stepped across the threshold that we call death, it was but a step into Our Father's Mansion. She leaves to cherish her loving memories a devoted, loving, and affectionate husband, Rev. Wesley R. Cyprian, Sr.; two children, Wesley Jr., and Lorna Arlecia; her parents, Mr. and Mrs. Ed. Lewis, of Varnado, La.; one sister, Mrs. Rosie and Aril Jackson of New Orleans, La.; four brothers and their spouses: Edgar and Annie Lewis of Landover, Maryland; Levi and Katherine Lewis of Varnado, La.; William "Bill" of St. Louis, Missouri; and Wallace and Evelyn Lewis of Jackson, Mississippi; her mother-in-law, Mrs. Mary E. Armstrong of Bogalusa, La.; a host of aunts, uncles, nieces, nephews, and other relatives, and friends; and three god-daughters, Airlynn Jackson, Rosalyn Lewis, and Rosalind Young.

"When I Must Leave You"

When I must leave you for a little while,
Please do not grieve and shed wild tears,
and hug your sorrow to you through the years.
But start out bravely with a gallant smile:
and for my sake and in my name
Live on and do all things the same
Feed not your loneliness on empty days,
But fill each waking hour in useful ways.

SAMUEL PERCY EMANUEL

(1915-1990)

All of the heroes are not on the battlefield, or as the poet says it, "Full many a flower is born to blush unseen and waste its fragrance on the desert air." Some of the noblest souls especially in the ministry never serve the largest churches. They do not preach to the large congregations. Their ministry consists of what Jesus used to describe them, "They went about doing good." Such was Percy Emanuel.

Born in Lorman, Mississippi on March 29, 1915, he came from sturdy farm stock, so he developed early a love for the world in which he lived. It was from this quiet setting that he was able to hear the Call of God to the Methodist Ministry. Interestingly, God does not call one without making special preparation for him to succeed, so He also prepared a little girl, a minister's daughter, Sara Maud Grice to be his helper. They were married November 12, 1942. To this union were born three children: Samuel Paul, Robert Lewis, and Sarah Carol Emanuel. These rise up and call them blessed.

Percy received his education in the public schools of Mississippi and then attended Millsaps College, a Methodist School in Jackson. He did his seminary work at Emory University in Atlanta, Georgia. His early appointments were in the Mississippi Conference. He also served as a Naval Chaplain during World War II. In 1946 he transferred to Louisiana, and through his ministry until his retirement in June 1980 he served appointments throughout the whole state of Louisiana. He even served a year past retirement, so strong was his Call to Preach.

The people of Plaquemine provided a lovely home for a retired minister and Percy and Sara occupied it until his death in December, 1990. His death was like his life - full of gentleness and peace. He had been in the hospital in Lake Charles with pneumonia. He had also enjoyed the company of his children when, as was said of Richmond Nolley, "the Angels overtook him and he woke up in the land of Beulah."

Percy represented the best in the Methodist Ministry. We believe we have a great system of making appointments for our Ministers, but it works because men like Percy and their helpers like Sara make it work. He never cried over his appointments, but went where he was sent and did the best he could with whatever he had to work.

"Well done thou good and faithful servant. Thou hast been faithful over these small things, I will make thee ruler over greater. Enter into the joys of thy Lord..."

MARY FACEN (MRS. SANDY)

(1900-1990)

Mrs. Facen, widow of Rev. Sandy Facen, was 90 years old at her death. At an early age she confessed Christ at Shady Grove A.M.E. Church in Wilmot, Arkansas. Later she married Robert Williams and united with the Lawson Chapel Church. He preceded her in

death. She later married Rev. Sandy Facen, and moved to Lake Providence and united with the St. Peter United Methodist Church. Mary loved her Church and husband. When he died, she returned to Lawson Chapel. She leaves to cherish her passing, one niece, three nephews and one step son.

HAZEL K. FINNIN (MRS. WILLIAM M., SR.) (1915-1990)

Born on July 27, 1915 in the city she grew to love, New Orleans, Hazel Kieffer Finnin was baptized into the Christian faith in the Evangelical and Reformed tradition. Graduation from the New Orleans Business and Commercial High School brought opportunity for career challenge as a bookkeeper and finance manager for several small businesses. On February 12, 1936 Hazel married William M. Finnin. Their marriage grew into maturity across fifty-four years and included the birth and parenting of their two children, William and Helene.

As supportive co-worker, Hazel, together with Bill, founded Finnin's Furniture Store in New Orleans in the early 1940s. She provided active encouragement when Bill was called to the Methodist ministry in the early 1950s. Side by side they served churches in rural and urban settings for more than 25 years. Always the "financial officer" of the Finnin household, Hazel's work with Browne-McHardy Clinic in New Orleans in the 1960s enabled Bill's studies at LSU-NO and at Perkins School of Theology and made possible educational opportunities for her children. Although she never perceived herself as "a traditional parsonage spouse," Hazel participated fully in the life of each local church where Bill served as pastor. A devoted student of scripture, she employed her analytic skills to Biblical study and developed workshops and seminars on the Gospel writings and on Paul's epistles, integrating contemporary Biblical scholarship into her presentations and writings.

In retirement, Hazel not only managed the family household but served as well as bookkeeper and tough-minded "finance officer" for Finnin's Antiques, the retirement business project that fulfilled a dream she had shared with Bill for years during their active ministry. In 1986, while preparing for knee-replacement surgery, Hazel was diagnosed with cancer, underwent arduous chemo and radiation treatment, and successfully fought that intruder to a standoff. In Amite Nursing home during the final years of her life, Hazel learned anew the meaning of caring. This time, however, instead of providing care to others she received the care of family and friends herself. On Wednesday, December 12, 1990, after a brief battle with pneumonia and only five weeks after Bill's death, Hazel moved peacefully from life to death. She lives in our memories and rests now in the eternal presence of God.

William M. Finnin, Jr., Th.D.

WILLIAM M. FINNIN, SR.

(1914-1990)

Born on November 13, 1914 in New Orleans, "Bill" Finnin grew up in the Irish Channel District of the Crescent City, spent his youth in the care of the matrons of St. Anna's Catholic Orphanage on Prytania Street with his widowed mother, his sister, and three brothers. He went to work as a furniture salesman to support his family before completing high school.

After marriage to Hazel Kieffer, his wife of 54 years, he established his own furniture store and became the father of two children, a son and a daughter. A lapsed Roman Catholic by faith tradition, Bill discovered the life-transforming love of Jesus Christ through the fellowship of the Methodist community of Clermont Harbor, Mississippi and the mentorship of The Reverend J. P. Bonnetcarre, a retired Methodist minister. Leaving his business in 1953 in response to the call to preach, he received his License to Preach and his first appointment to the congregation in Clermont Harbor, to which was added churches at Lakeshore and Pearlinton in the two successive years of that new calling. Summers at Candler School of Theology awakened his love of learning and the need to complete his university preparation for ministry. A move in 1967 back to New Orleans and appointment to Felicity Church enabled matriculation at LSU-NO and summer Course of Study work at Perkins School of Theology and volunteer service as chaplain at St. Anna's Home, the home of his youth, now a home for the elderly. Successive pastorates at Second Church in New Orleans, Dubach, Caddo Heights, Buras, and Gueydan completed a full twenty-five year cycle of active service in the ordained ministry.

Never losing his distinctive passion for living, his sense of humor, enjoyment of Creole food, and his quest for beauty both in persons and in hand-crafted glass and antiques, Bill moved to Amite in 1978 with Hazel to open "Finnin's Antiques" and to retire from the active ministry. Even in retirement Bill retained his exacting standards of social justice and fairness—marked by a passion for redress for the "little people" in both society and the Church. This characteristic often brought him into conflict and tension with dear friends and colleagues, both in the Church and beyond. In 1985, when Hazel was diagnosed with cancer, Bill closed the antique store and attended to Hazel's needs at home until home care became impossible. Daily for more than three years Bill visited Hazel in the Amite Nursing Home, taking home-cooked meals and becoming for her, as well as for others in the nursing home, a vigorous patient-advocate and ombudsman insuring proper care. Even in retirement, his concern for the ethical demands of The Gospel often precipitated conflict and confrontation wherever he went. On Thursday, November 8, after one of a series of increasingly severe illnesses and with his children at his side, Bill passed life into death, his own life complete. He will lovingly live in our memories.

FRED S. FLURRY

(1910-1991)

When Fred left us, we lost one of the loveliest Christian lives that has been produced by our Conference. It can be said, as of Abraham Lincoln, "A giant Oak Tree has fallen in

the woods and it has left a lonesome place against the sky." Fred was a delightful Christian minister, the epitome of all that we think appropriate in our ministers.

Born February 18, 1910, he was a preacher's kid. Being the son of a Methodist Minister during the depression fitted him for the hard times he would experience serving very poor and very small churches across Louisiana. He did not have to do this alone, however. In 1932, the very bottom of the Depression, he married Clarice Reeves, who was as sturdy and stable as he.

They had three children who still rise up and call them blessed; Gloria, Joann and Fred Reeves Flurry. These children are very proud of their preacher parents, and have been a credit to the church through the years.

Fred was licensed to preach in his father's church in Vremville, Mississippi. He served his first pastorate at Logtown, Mississippi. He did not stay in Mississippi very long, however. In 1936 he came to Louisiana and spent the rest of his ministry with us. Fred served small churches, circuits, and some of our very best congregations. He also served a term as Superintendent of the Alexandria District. During this period, he was a very much beloved chief pastor for a lot of ministers. Every preacher felt secure with Fred representing him in the Cabinet.

His body was no match for his spirit. After a long and hard bout with cancer, he gave up the ghost and was laid to rest in Greenwood Cemetery in Pineville. Henry Blount planned a beautiful service and it was conducted by his pastor, his District Superintendent, two of his favorite young ministers, and perhaps his oldest friend in the Conference. The memorial service closed with the Hallelujah Chorus. This was very appropriate because Fred's life was a Hallelujah Chorus.

Thank you, dear God, for lending us Fred.

BLACKMON L. HALL

(1896-1990)

There's an open gate at the end of the road,
through which each must go alone;

And there is a light we cannot see, our Father claims his own.

Beyond the gate, your loved one finds happiness and rest,
there is comfort in the thought that a loving God knows best;

May the Lord at this time be with you and bring you comfort,
hope, and peace.

Rev. Blackmon Hall met the angels on Wednesday, September 26, 1990, early in the morning at 1:35 in Houma, Louisiana, at the age of 94.

Memorial services were held Wednesday, October 3, 1990, at Calvary United Methodist Church, Thibodaux, Louisiana. Rev. Louis Augustine officiated. Rev. Hall was born August 30, 1896, in Natchitoches Parish. He was baptized at an early age.

In the year 1932, he began his Christian journey of saving souls for Christ. On this Christian journey he worked faithfully for 37 years. Within those 37 years he pastored 29 churches. In the year 1969, at the last Black Annual Conference at St. Paul United Methodist Church in Shreveport, Louisiana, he retired.

He leaves to mourn his wife of 44 years, Lucy Hall; two daughters, Ethel Washington of Thibodaux, Louisiana, and Mattie Scates of Compton, California; two sisters; one brother; one sister-in-law; one brother-in-law; grandchildren; niece, nephews; relatives and friends.

Servant of God, Well done!
Thy glorious warfare's past;
The battle's fought, the race is won,
And thou art crowned at last.

ROSALIE HINES (MRS. ARTHUR L.) (1908-1991)

Rosalie Bernard Hines was born, April 28, 1908 in Colfax, Louisiana to the late Joe and Joyce Bernard. She departed this life on April 28, 1991 in Alexandria, Louisiana.

Mrs. Hines was converted at an early age. She joined the Wilton United Methodist Church where she served faithfully until she became disabled.

During her active service, she served as a Communion Steward, Chairperson of Adult Ministries and was an avid worker in mission with the United Methodist Women and Sunday School.

Mrs. Hines was ill for the time I served as her pastor at Wilton United Methodist Church, Alexandria. Whether my visit was with her in the home, in the hospital or in the nursing home, she would smile and say, "I'm still holding on." She anxiously waited to hear about the concerns of the church. She believed in prayer and always prayed a fervent prayer with me during my visits.

She was married to the Rev. Arthur L. Hines, who preceded her in death.

Her survivors include one son, Moses Ray Hines of Alexandria, Louisiana; two nieces, Geneva Williams and Sandra Young of Gretna, Louisiana; one nephew, Stanley Young, Gretna, Louisiana; and a host of other relatives and friends.

THOMAS A. HOOVER, JR.

(1932–1990)

"I have fought a good fight. I have finished my course.
I have kept the faith". – II. Timothy 4:7

These words epitomized the late Rev. Thomas Albert Hoover, Jr., a Minister and Educator, who was eulogized as a Man of Peace in a Service of Worship and Thanksgiving Saturday, August 18, 1990 at Williams United Methodist Church in New Orleans where he served as pastor.

"Tommy", as he was affectionately and fondly called, was born into a highly religiously oriented Methodist family from the union of Thomas A. Hoover, Sr. and the late Lizzie Boatner Hoover on June 9, 1932. He was united in Holy Matrimony with Gloria Williams on September 23, 1958. Two beautiful, scholarly and lovable daughters, Toni Marie and Lizell Hoover were born to this union. His two sisters are Josie D. Burrows and Anita H. Crump.

He embarked upon and ennobled the profession of teaching and served as the Assistant Principal of George Washington Carver Senior High School until his retirement in August.

His mother prayed that he would receive a call to the ministry. Her prayers were answered and in a Christianly and splendidly singular way Tommy obeyed God's call and received his ministerial training at the Perkins School of Theology of Southern Methodist University.

He was ordained as a minister in The United Methodist Church by the Louisiana Annual Conference and served as pastor of Shaw Temple United Methodist Church for thirteen years; his pastorate at Williams United Methodist Church was eleven years, until his death.

Rev. Hoover's prophetic life style characterized his articulate mode of communicating the Gospel. His service was ecumenical in caring for people while participating in community activities. He served as treasurer of the Wesley Foundation at Tulane University.

Being told of the severity of his illness in late July, Rev. Hoover uttered to his family his thanks to God Almighty for giving him 58 wonderful years, enabling him to accomplish all of his goals. He had great strength and courage which sustained him through the three weeks of his illness.

Having lived a life of peace, it was very fitting that on the morning of August 15, 1990, this God-fearing man of peace approached the ethereal blue skies of peace, to a peace which passeth all understanding, by the Prince of Peace, leaving this Requiem of his life that

"It is in dying that we receive eternal life".
Joyously! Gloriously! Triumphantly! Victoriously!

Tommy, we are thankful to you for the lessons you taught; the good you accomplished; the examples you set and the life you lived to the fullest. You were truly an ideal minister and educator!

Anita Hoover Crump

JESSIE R. HOWELL (MRS. HALLEYS C.) (1915-1990)

Mrs. Jessie R. Howell was born February 23, 1915, in Pikeville, Kentucky, a daughter of William and Melissa Bell Sturgill Rogers. She was preceded in death by her husband of fifty-five years, The Rev. Halleys C. Howell, on January 4, 1990.

Jessie and Halleys Howell had an outstanding ministry in the Kentucky Conference, being recognized with the coveted "Pastor of the Year" designation for the Conference in the 1959-60 Conference year. This honor followed their work in literally bringing back to life a congregation that was down to meeting occasionally in a private home in Frenchburg, Kentucky. In the early 1960s Jessie and Halleys transferred into the Louisiana Conference, where they served until his retirement. Their ministry touched many lives in eight appointments throughout Louisiana. It was my happy privilege to be their District Superintendent as they served the Baker Church in the Baton Rouge District, and to know them as warm friends and dedicated colleagues. It was an honor to be allowed to write the memoir for Halleys a year ago, and to repeat the privilege for Jessie at this time.

In addition to her parsonage life and church responsibilities, Jessie Howell also was employed by and retired from the Woolco Department Store chain. Her energy and ability were spent in producing and caring for her family, and serving her God with a warm heart. She is survived by one daughter, Mrs. Janice H. Metcalf of Clinton, Maryland; two granddaughters and two great-granddaughters. It is beautiful to know that the family began to expect the second great-granddaughter just shortly after Halley's death, and that little Lauren Nicole Christ was born the day after Jessie's funeral service. Death is truly swallowed up in victory when we see new life follow to replace those who precede us in entering God's planned immortality.

Jessie's devoted care for Halleys in his illness during the last ten years of his life indicates the joy that they must now know as they celebrate life that shall endless be without illness or limit. She died September 14, 1990, and was buried in Forest Memorial Park near Milton, West Virginia, beside her beloved Halleys. We praise and thank God for her life on this earth and her entry into eternity.

ALLEAN JENNINGS (MRS. LEE C.)
(1903-1990)

"Precious in the sight of the Lord is the death of his saint."

Psalm 116:15

Allean Jennings was born August 17, 1903, the fifth of five children of the late Christopher and Catherine Carper. She made her Christian Confession and united with the New Light Methodist Episcopal Church under the pastorate of Reverend W. R. London, Sr. In later years, she became a member of the Johnson Chapel United Methodist Church, where her husband pastored and she served faithfully until her health failed.

In January, 1922, she was married to the Reverend Lee C. Jennings. She was the mother of three children. One daughter, Ruby Logan, preceded her in death.

She was a devoted wife who stood steadfast by her husband in all his endeavors. She was a loving and caring mother who trained her children to love and serve God. She was quiet and unassuming and loved by all who came in contact with her.

On Tuesday, July 17, 1990 at 11:00 p.m. at the Willis Knighton Medical Center, this dear, beloved and faithful servant passed away. Her beautiful life will be forever cherished in the hearts of those who knew her.

She lives to cherish her memories, her husband, Rev. Lee C. Jennings, her son, Hardy and his wife Elizabeth, her daughter, Blanche, a host of cousins and one niece.

"Come and Rest"

God said you were getting weary, so He did what
He thought best,
He came and stood beside you and whispered,
"Come and Rest"
You bade no one a last farewell not even a goodbye,
You were gone before we knew it and only God knows why.

THOMAS F. KING
(1898-1990)

T.F. King was born in the Yorkshire city of Leeds, England on January 13, 1898 and died on October 11, 1990 in Fredonia, Kansas.

He was the son of Thomas W. King and Annie Smith, the brother of six sisters, and the uncle of many nieces and nephews still residing in England. He was the father of Jean

Vorhees, Fredonia, Kansas and the Rev. Jack King (Indiana Conference) presently serving in Seoul, Korea. Five grandchildren and nine great-grandchildren survive Rev. King.

Fred, as he was commonly called, felt the call to preach and at age seventeen he was granted his local preacher's license. When World War I began, he answered his call and served for three years in the British Army. After the war he returned to Cliff College, a preparatory college for ministerial students. He did additional work at Southern Methodist University and Perkins School of Theology after he came to America.

Before coming to America, in 1923 he served as an assistant pastor in a Methodist Church in Belfast, Ireland. He learned of appointments being available in the Louisiana Conference, applied, and was appointed to the Jeanerette-Patterson Charge. A year later Berwick was added to his charge. It was in Berwick that he met the church organist, Henrietta Brown. They were married October 26, 1926. Other appointments he served were Lake Arthur, Sulphur, Bunkie, Ida, New Orleans and a second appointment in Berwick. He left the conference for a few years and served churches in Texas and Oklahoma. He and Henrietta returned to Berwick to retire and lived there until 1978, when they moved to Kansas to be near their daughter. Mrs. King still lives there.

In writing about his dad, his son Jack had these words to say, "In his own quiet way he was courageous. He left the land of his birth for a new and unknown land. Here in America, he took a stand on the question of wars of aggression and he was denied American citizenship for a time because of it. He left his denominational home for a few years to protest against trends he thought were wrong. His decisions were based on what he felt was right, not what was easy."

He was never very well known away from his home, but he had friends and supporters wherever he pastored. Many have felt he was a great help to them. In his years of retirement, he had a good ministry of teaching Bible classes and preaching as a supply pastor.

When I saw him in August, he shared that he had had a good life. He was neither rich nor famous, but he had all he needed for fulfillment. He served God faithfully in the ways that he understood. He was true to his beliefs as he understood them. He never wavered from what he believed was the truth of the gospel.

As his pastor for five years, I can say a hearty "Amen" to all his son said and to any other good thing that may be added. Brother Fred was a gentle man in his demeanor and a gentleman in his application of life.

"Well done thou good and faithful servant. Enter thou into the joy of the Lord."

George H. Sherman, Jr.

DOROTHY G. LANKFORD (MRS. FRANK C.)

(1912-1991)

Mother was born on June 22, 1912 in Illinois. She was the younger of two daughters. As a small child growing up, she would stand in the window and cry until someone took her to church on Sundays. She moved to Little Rock, Arkansas when she was 13. This move came about after her father's untimely death. It was in Little Rock that she met Frank C. Lankford. Mother was a promising artist whose creative works were displayed occasionally in MacArthur Park. After their marriage, my parents moved to Louisiana. This was to become their home for the remainder of their lives. Along with Dad, Mother accepted the call into a life of ministry. This ministry, for the most part, took place in the southern part of Louisiana. A devoted wife and mother, she spent the vast majority of her life giving of herself to others. In addition to a supportive and charitable life in the ministry, Mother found time to be extremely active in Civil Defense during World War II and in the PTA during the growing years of both of her surviving children. (Tragedy darkened her life, resulting in the loss of three children. Thus, George and I are the only two of five who survived.) Although the ministry kept my parents on the move, Mother maintained her membership in the Order of the Eastern Star in Monroe, Louisiana. In addition to her children, Mother is survived by four grandchildren and three great-grandchildren.

It was Mother's last request that she be buried in a manner similar to that in which she lived. She never wanted recognition or praise for what she did for others. She never liked to have a "big fuss" made over her. Her funeral was a simple gravesite committal. Like Dad, her passing was quiet and uneventful, but her works will live on forever in the lives she touched. She will be greatly missed.

Dorothy Lynn Lankford Sullivan

CLARA T. MCCOY (MRS. ISIAH L.)

(1918-1990)

Clara Touissant McCoy was born in Tolbert, Louisiana on August 7, 1918, to the late Janie and William Touissant. She departed this life Sunday, September 23, 1990, at 2:45 p.m.

She was married to the late Rev. Isiah Lewis McCoy for forty-eight years.

She was a devoted Christian, full and responsible member of Christ's holy church, St. Peter United Methodist Church, now pastored by Rev. Ernest E. Scott, for her entire life.

She was enrolled in the Ester Grand Chapter Order of Eastern Star No. 114 for twenty-seven years and the Royal and Exalted Order of Amaranth Degree Court 22 for nine years.

She was the wife of Rev. Isiah McCoy, who officiated over the following churches: LeJeune-Lobdell Circuit; St. Paul-Scott Circuit; Hartzell Methodist Church, Shiloh Circuit; Melville-Palmetto Circuit; Wesley Ray-Live Oak Circuit; Mary's Chapel, Angie Circuit.

She is survived by two sons, Mr. Garner Lewis McCoy, Sr. and Mr. Isiah Burnell McCoy, both of Maringouin, Louisiana; three daughters, Mrs. Janie Shephard of New Orleans, Louisiana; Mrs. Harriett Billbrew of San Diego, California and Mrs. Letitia Marion Hill of Maringouin, Louisiana; two aunts, Mrs. Emma Smith of Baton Rouge, Louisiana and Mrs. Margaret Wrought of Covington, Louisiana; a daughter-in-law, Mrs. Leona Johnson McCoy; and a son-in-law, Mr. Marcus D. Hill, Sr. of Maringouin, Louisiana; a godson, Walker Jackson, Jr. of Angie, Louisiana; two goddaughters, Mrs. LaShondra Peters of Angie, Louisiana and Mrs. Leuisiana Jackson of Maringouin, Louisiana; a host of close relatives and friends.

She was preceded in death by her parents, Janie and William Touissant; her husband, Rev. Isiah McCoy; and two sons, Leroy and Eric McCoy.

GLENDON R. MESSER

(1918-1990)

Glendon Messer was my friend and my colleague across the years.

He was born June 29, 1918 in Downsville, Louisiana. He served in the Armed Forces during World War II and worked for Standard Oil Company for a number of years before he left to seek his calling in the ministry.

He served churches throughout his ministerial education while at Louisiana State University and Perkins School of Theology.

In Louisiana he served Elysian Fields United Methodist Church; First United Methodist Church in Amite; First United Methodist Church, Lake Arthur; St. Paul's United Methodist Church, Baton Rouge; First United Methodist Church, Winnsboro; Simpson United Methodist Church, Lake Charles; Istrouma United Methodist Church, Baton Rouge; Friendship United Methodist Church and Corbin United Methodist Church, Walker.

He married Marjorie Marshall of San Francisco, California and leaves a loving son and daughter, Michael Glynn and Natalie Jean.

He was best known to me as pastor of First United Methodist Church in Amite and in his retirement where he came to be a part of First United Methodist Church in Hammond. While there, he shared our dreams and our projects and all of our activities. He served our church without pay, visiting the sick and shutins, and substituting for the pastor at Sunday services, weddings, and funerals. He did this out of a sense of love for the church and the people of the church and, at his own request, without remuneration. He attended our committee meetings, our board meetings and was a part of the life of the church in every way. He participated in the Sunday sermons when the pastor was speaking by annunciating loud "Amen" when a point in the message pleased him. He was never far away when his help was needed and will never be away at all in our hearts and minds.

One of the most distinctive things about his ministry was his teaching about what it meant to be a Methodist.

He always emphasized when he left the church that he loved the people of the church, but he always emphasized to the congregations that he was leaving that they must love his successor and help his successor.

He was one of the greatest sources of strength to his successors in the ministry of any minister I know.

He will be sorely missed by family, but also sorely missed by his friends.

"And we know that all things work together for good to them that love God, to them who are called according to his purpose." Romans 8:28

TAMMY J. MILTON (MRS. WILLIAM S.) (1942-1990)

Tammy Comalander Milton was for all who knew and loved her one of God's caring people. She was born in Shreveport, Louisiana, December 29, 1942. It was there that she met Spiller—he a Centenary student and she completing her high school education. They were married on July 10, 1962. Spiller took his bride to their first parsonage in Boyce where he was the summer student pastor. Their early years together included seminary at Emory and Iliff. Tammy was ever at his side as helpmate, confidant, and gracious hostess in pastorates throughout Louisiana and Arkansas. She also worked with Spiller in the mission field at Dulac Community Center.

During their years together, Tammy and Spiller opened both their homes and their hearts to many. Often times, you would find someone living with them for one reason or another. Her hospitality extended to the church family as well as to the community. Tammy is best remembered in many congregations as a gracious hostess, welcoming people to the church or parsonage for a delicious meal and delightful fellowship.

Tammy had a very compassionate nature. She nourished her desire to help people by working in the field of health care. Tammy pursued her dream of becoming a nurse and completed the course for licensed practical nurses while in Crowley. Twice before she had begun to study nursing but was interrupted by a change in pastorates. She combined her nursing and her work for the Lord serving as Home Health Visitor in Dulac, as camp nurse and as nurse for UMW School of Christian Mission. Tammy was also active in the hospice movement. She felt her gifts best used in nursing the terminally ill.

Her two sons, William Thomas (Tim) and Jeffery Matthew (Jeff) were her pride and joy. Tammy knew when her time on earth was growing short and she was so thankful that her sons had become fine young men. In preparing for the end, Tammy was sustained by her strong faith in God, was thankful for the life she had been granted, and was able to let Spiller, Tim, Jeff, family and friends know of her faith and love.

Death came as a friend at 6 a.m., Saturday, November 10, 1990. Rev. Mrs. Carole Cotton-Winn and the Rev. W. W. Smith led a celebration of Tammy's life for her multitude of friends. I celebrate because she is my friend and her faith sustains me until we meet again.

ALLEN E. MYERS

(1900-1990)

Life for Rev. Allen Myers was beautiful because of the love he had for God, the church and his fellow man. He remembered that God had sustained him through the years and always wanted others to try God, for he knew that God could fix whatever needed fixing.

Rev. Myers accepted the call of God, and spent over fifty years pastoring and serving his people. Moving to different locations gave him the opportunity to meet different people, building friendships for his family, but more importantly, winning souls for Christ. Being a part of the Louisiana Conference was for him a blessed delight. He got courage and strength from others. This helped him in his Christian life, and helped him as a chaplain at Huey P. Long hospital in Pineville, Louisiana. He brought laughter, inspiration and encouraging words to all he met.

The last phase of his ministry was carried out at the Silver Threads Nursing Center in Houston, Texas; where he was a resident. Each day, he reminded them of God's goodness. The prophet Jeremiah says it best:

It is because of the Lord's mercies that we are not consumed, because His compassions fail not. They are new every morning; Great is thy faithfulness. The Lord is my portion, saith my soul; therefore will I hope in him. The Lord is good unto those who wait for him. It is good that a man should both hope and quietly wait for the salvation of the Lord. Lamentations 3:22-26.

Rev. Myers was an example and exemplified love, hope, peace and trust to the very end.

JOSEPH MILLER POLEDORE

(1900-1990)

1898

Rev. Joseph Miller Poledore was born from the union of the late Jerry and Kezia Poledore on March 31, 1898 in Jeanerette, Louisiana. He died December 19, 1990. He was preceded in death by Laura Poledore, his lovely and devoted wife of fifty-four years. From the union of this holy matrimony six children were born; four daughters, Mrs. Melvina Taylor, Mrs. Mildred Brown, Mrs. Glara Daniel, Mrs. Linda Rubbins; two sons, Mr. Memphis Poledore and Mr. Jerry Poledore.

Miller Poledore attended the public schools of Saint Mary Parish and lived his entire life in the area known as "Four Corners." Miller was baptized in 1923 by the late Rev. Kellog Mitchell of Saint John Baptist Church in Four Corners.

A few years after his baptism, Miller felt the call by God to preach God's word. He answered the call in 1926 as a Baptist minister in Saint John Baptist Church of Four Corners. He ministered there for four years. In 1930, Miller felt an inward call to change denomination. He transferred his membership from Saint John Baptist Church to Saint Paul Methodist Church in Jeanerette, Louisiana and there he began his seminary studies at Gulfside, Mississippi.

He received his license to preach in 1932, his deacon order was conferred upon him in 1948 and in 1958 he was ordained an elder in The Louisiana Annual Conference.

During his tenure as a minister some of the churches he served were: Union (Four Corners), Saint Matthew (Patoutville), Walmsley (Morgan City), Mason (Berwick), Godman (Charenton) and Mount Zion (Freetown).

During his ministry as a pastor, Rev. Miller Poledore also worked at Sterling Sugar Mill in Franklin, LA; he worked as a farmer and he also worked at Black Carbon Plant in Louise, LA., from which he retired in the late 60s.

Rev. Poledore was loved, respected and appreciated by most people who knew him because he was never too busy to give of himself to the needs of others. Those who knew him well in the community in which he lived and the communities which he served as pastor called him "Pop" because he became the spiritual father of the communities which he served.

To his wife he was a faithful, good and devoted husband; to his children he was a father and a very special kind of father because he was a provider and a counselor. And most of all he was there when needed to answer their many calls and cries.

He retired from the Louisiana Annual Conference of The United Methodist Church in the mid or early 70s, but remained a preacher of God's word until his death. He served as pastor emeritus of Mount Zion, the charge from which he retired. He preached and rendered services to the church and community until his death as pastor emeritus.

In our conversations he would always end with these words, and I quote, "I know that the time won't be too long before I go home to meet my God." This reminded me so much of the words of Paul, when he said, "I have fought a good fight, I have finished my course, I have kept the faith; Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day; and not to me only, but unto all them that love his appearing." (II Timothy 4:7-8)

WILLIAM J. REID

(1904-1991)

My earliest memory of Bill and Susie Reid go back to a get-together of my family and their family. Bill was leaving for the Army to be a chaplain, and we were saying good-bye for awhile. Through the years, I have known Bill to be a faithful servant of God and a minister that set a pattern of life we could all accept as a role model.

William Jackson Reid was born March 29, 1904, in Bonham, Texas. He graduated from the University of Oklahoma in Norman, Oklahoma with a B.A. in 1931. On August 15, 1931, he married Margaret Ann Wills, known to most of us as "Susie." Bill's first appointment was in Lexington, Oklahoma. He transferred to the North Texas Conference in 1934 to attend School of Theology at SMU and received his B.D. degree in 1937. Upon graduation, he moved to the Louisiana Conference serving at Rayville until the beginning of World War II. He was commissioned as Chaplain in the U.S. Army on January 17, 1942, and served in the 82nd Airborne Division until December 25, 1945. At that time, he remained in the Reserve Army and was called back to active duty on September 10, 1950, for the Korean Conflict.

During World War II, Bill was assigned as Chaplain to the 82nd Airborne Division. His first combat jump was during the Sicily campaign as his plane was shot out of the sky. Bill was among those of the 82nd Airborne Division which landed behind enemy lines four hours before the massive Normandy Landing. It was in this campaign that Bill was awarded the Bronze Star for his conduct in action.

Following World War II, Bill returned to Louisiana serving in Amite and DeRidder. He was recalled to active service as Chaplain during the Korean War. He served in Japan and Okinawa.

Bill and Susie returned to Louisiana in 1959. This was a time of great tension in Louisiana over the presentation of Civil Rights for all people. To quote the Chaplain presiding during Bill's funeral service, "Bill was a fighter and a soldier of the Lord. He received and endured considerable opposition and threats for his persistent preaching of the Gospel of Jesus Christ concerning human rights, human dignity, and a Gospel of love."

His daughter, Anne Carter, remarks, "The above is right; he sure kept us moving a lot." His son-in-law, Donald Ray Carter, spoke of him, "He is like a missionary in a foreign land."

Marisu Fenton, his youngest daughter, spoke on behalf of the family during the funeral service. Some of her thoughts and remembrances expressed were:

"His support of the Civil Rights movement during the 60s made him unpopular and our lives often uncomfortable. Yet, even at the darkest moments, Daddy could make us laugh and forget for awhile that hate and injustice seemed overwhelming."

The children of Bill and Susie are: Anne R. Carter, William M. Reid and Marisu R. Fenton.

Churches Bill served in Louisiana are: Rayville, Amite, DeRidder, Plaquemine,

Denham Springs, Horsehoe Drive (Alexandria), Berwick, Oakdale, Maplewood and Vivian.

The Reids retired in Mountain Home, Arkansas where bill served as minister of visitation at the First United Methodist Church. In July 1989, they moved to the Air Force Village II in San Antonio, Texas. There, on January 22, 1991, Bill died.

To quote from remarks by his daughter, Marisu, "So apologies to Frank Kapra, let me rewrite and use a line from one of my favorite movies, It's a Wonderful Life: Here's to Bill Reid, the richest man in town."

AMY G. RORIE (MRS. THOMAS O., JR.) (1893-1991)

Amy Galloway Rorie died on May 9, 1991, in Virginia, Beach, Virginia, where she had resided since 1975 with her daughter, Mrs. Harold C. Brown, Sr. Born in Cabot, Arkansas on January 21, 1893, she was the daughter of Benjamin John Galloway and Alice Ragland. Her survivors include her daughter, her sister, Mrs. L. E. Ross, five grandchildren and eight great-grandchildren.

She was the widow of the Rev. Thomas O. Rorie, Jr., a minister in the Louisiana Conference for several years, and the mother of Rev. Kenneth Glen Rorie, also a minister in the conference, who preceded her in death in 1985.

Amy Rorie was a truly remarkable person in ways that best became apparent to those who took the time to know her well. As the wife of a minister called upon to move often, and with little notice, she exemplified the best qualities of loyalty and devotion to duty in what were often difficult circumstances. Through it all, in a quiet, patient, loving and graceful manner she lived a life that was an inspiration and an example.

This is not to say that Amy Rorie was not an active participant in life or in the world around her; to the contrary, her inquiring mind and her thirst for knowledge, her interest in her family, her many friends, her church, and the world in which she lived were with her to the end. When one considers her experiences as a young woman and then as a wife and mother in very different times, and the changes that occurred in her lifetime, her ability to be a part of life about her in the fullest sense even in the 90s and her 90s was a constant source of amazement to us all.

The time spent in her garden, where she daily brought about miracles, was a special joy to her. Her story-telling ability, which she shared with her family and friends, brought special joy to them as well as a better understanding of family and of different times. While it is possible that someone in this generation will be able to pass to the next generation the same facts that she left with us, it will be difficult, if not impossible, for any of us to carry out that task with the remarkable recall, sense of place and time, wit, and humor as did our beloved "Nanny". She will be missed.

MR. T.C. 'TAP' SHEPHERD
(HUSBAND OF REV. LINDA SHEPHERD)
 (1929-1991)

Mr. T.C. Shepherd, affectionately known as 'Tap', was born in Haynesville, Louisiana on July 17, 1929. He was the husband of Rev. Linda Shepherd and the father of three - Tommy, Regina and Susan. Tap had five grandchildren.

After a long bout with cancer Tap went to be with his Heavenly Father on February 28, 1991. Funeral Services were held at the First United Methodist Church of Blanchard where he had been a member for many years. His pastor, Rev. Ellen Montegudo, assisted by his brother-in-law, Rev. L. Gray Wilson, held a victorious celebration that lifted the Christ to whom Tap gave his life many years before.

It was my pleasure to have been his pastor in my first appointment. He and his wife, Linda, were present for every service that was held. My earliest memory of Tap was his faithfulness, not just being in worship, but to his presence every Tuesday, Thursday and Saturday helping to build the new church.

Tap was a man of 'dry wit' that generated much laughter to all those around him. He was so pleasant to be with.

Tap loved the out of doors. He was an avid fisherman and hunter. It was always fun to hear him rehash his 'fish stories' and his hunting adventures.

Tap loved his family. He was very supportive of his wife Linda when she answered the 'call' to preach and became pastor of the Rodessa United Methodist Church. He not only participated in her services of worship - he joined the church there.

Tap Shepherd will be missed dearly by everyone who knew him, especially his family (five grandchildren) and his church. We thank God for sending Tap our way. His coming has made his community a better place to live, his family a stronger one and his church a more faithful one.

CAESAR D. SMALL
 (1894-1990)

Rev. C. D. Small was born 98 years ago on July 18, 1894, in Jefferson Parish, Louisiana. As a child he attended church services with his mother in the mornings at Ross United Methodist Church, and with his father in the evenings at First Zion Baptist Church. At the age of 10, Rev. Small received Christ into his life at Ross UMC.

He was educated in the Orleans Parish School Systems and was graduated from New Orleans University. He started his preaching career at an early age and pastored his first church in Chicago, Illinois.

When Rev. Small returned home to Louisiana in the early thirties, he was appointed to St. Philip United Methodist Church in New Orleans. Other pastorates included Donaldsonville–Pineville and in New Orleans the Hartzell, Shaw Temple, Ross and Williams United Methodist Churches. Rev. Small was blessed with many gifts, and he utilized them to the fullest. It is said that during his prime he could "set a church on fire" with his powerful and dynamic preaching.

During his tenure at St. Philip, he promoted and helped to build the present church in 1937 and was instrumental in the remodeling of the church in 1967 before he retired from St. Philip in 1968. He was also responsible for the remodeling of the Shaw Temple, Ross and Williams churches.

After retirement Rev. Small remained active at St. Philip and other neighboring churches until shortly before his death, moving about without transportation. He was a regular "man about town", walking from church to church each Sunday. Everyone along his route knew him.

On September 26, 1990, he walked his last mile and joined in death his wife, the late Thelma Chapman Small. He is survived by two daughters, Barbara Williams and Claire Williams; step children, Melba Mitchell, Emile Brown, Anita Webb, and Joyce Anderson; 20 grandchildren, 26 great-grandchildren and a host of other relatives.

If I walk in the pathway of duty,
 If I work till the close of the day;
 I shall see the King in his beauty
 When I've gone the last mile of the way.
 I will rest at the close of the day,
 and I know there are joys that await me
 When I've gone the last mile of the way.

ESTHER C. STAPLETON (MRS. O. CLIFTON) (1896–1991)

Esther Cutler Stapleton was born on November 14, 1896 in Needham, Massachusetts. Her family traced their ancestry back to Colonial days. One of her ancestors served in the Old North Church in Boston.

As a young woman, Esther decided to devote her life to the service of her Lord and was sent out to the West, in the Wyoming area, to work as a missionary with young children. Her accounts of some of her adventures there would have made an interesting historical account of that place and time. Riding horseback to deal with the local Indian population added excitement to her daily work. Later she would meet and marry the Reverend O. Clifton Stapleton. Together they served churches in Texas and soon came to the Louisiana Conference serving churches in Waterproof and Gueydan. When Reverend Stapleton was diagnosed as

having cancer, they retired to a Methodist Retired Minister's home in Ruston. They were later advised to move to Florida for health reasons.

Esther continued to teach in the Jacksonville school district where she enjoyed the relationship with young children. Her happiest memories were of being in a classroom filled with children.

Even though they had been retired to Florida over thirty years, they decided to return to live out their days at Live Oak Retirement Center in Shreveport so that they could again be in the Louisiana Conference where they had lovingly served their Church. Here, together, they spent several years tending their garden, happily watching their flowers bloom. Following her husband's death, Esther remained at Live Oak and was in relatively good health until a sudden illness ended her life on Good Friday, March 29, 1991.

The Stapletons had no children, but will be remembered by all those whose lives they touched.

LILLA H. TISDALE (MRS. WILLIAM O.) (1902-1990)

Lilla Tisdale, 88, of 320 N. Ripley Road, died Tuesday, July 17, 1990, at her home following a lengthy illness.

Born March 15, 1902, in Shongaloo, Louisiana, she was the daughter of Jim and Ada McKinzie Hilburn. Formerly of Springhill, Louisiana, she was a resident of El Dorado, Arkansas for 17 years. She was a housewife and a member of St. Paul United Methodist Church. She was preceded in death by her husband, the Rev. W. O. Tisdale, a United Methodist minister.

Survivors include her daughter, Mrs. Clara Phillips of El Dorado; two sisters, Mrs. Ethel Chambers of Magnolia and Mrs. Lela Baucum of Shreveport, La.; two brothers, Clell Hilburn of Springhill, La. and George Hilburn of Cotton Valley, La.; one grandchild; and two great-grandchildren.

Funeral was at St. Paul United Methodist Church with the Revs. Don Nolley and Larry R. Williams officiating. Burial was in Wares Chapel Cemetery in Haynesville, La., under the direction of Bailey Funeral Home of El Dorado.

MAMYE C. WADE (MRS. GILBERT H., JR.) (1928-1990)

Mamye Wade was born in Montecello, Arkansas and grew up in Ponchatoula,

Louisiana. She was a graduate of Southeastern Louisiana College in Hammond, Louisiana where she majored in voice and piano. She did graduate study at Southern Methodist University.

For over 20 years Mamye taught voice and music in the public schools of Louisiana and Texas. She later enjoyed a career in investments and real estate.

It was while she was a student at Southeastern that Mamye met the man who was to become her husband, Gilbert H. Wade. Their marriage was blessed by four children; Gilbert III, Elizabeth, Kathleen, and Bruce.

In 1961 Gilbert felt called to give up his teaching career and enter seminary to prepare for serving the local church. Mamye supported this decision totally. Perhaps it was because she had such deep roots in Methodism. Her grandfather was a Methodist Minister and she had grown up taking a very active part in the life of her local church in Ponchatoula.

When Gilbert went into the ministry, Mamye became the perfect compliment of his efforts. While Gilbert preached and taught, Mamye directed choirs, played piano and organ, participated in and led bell choirs, and worked in United Methodist Women.

The churches they served felt blessed by this quiet but strong helpmate to their pastor. Her well-organized life, calm presence, and attractive appearance always enhanced the places she lived. She slipped away into the Mystery almost a year ago on July 30, 1990, but her influence is still felt by those who knew and loved this lady of quiet dignity and deep beauty.

WILLEBALD RUDOLF (W.R.) WENDT (1897-1991)

W.R. Wendt was a man of humble beginnings. He was born in Brookshire, Texas, on December 19, 1897. He received the call to preach while attending a tent revival near Brookshire.

He attended Blin College (High School) in Brenham, Texas. There he met his wife of 64 years, Maybelle Dallmeyer. They were married on New Years Day, 1924. She preceded him in death in April of 1988.

Brother Wendt was a graduate of Central Wesleyan College of Warrenton, Missouri, and Garrett Divinity School. He was ordained in Northern Illinois in 1925. He served churches in Illinois and Missouri until 1934 when he was appointed to the Jennings Charge in the Louisiana Conference. He served Columbia, Logansport, Bossier City First Church, New Iberia, Springhill, and Wynn Memorial in Shreveport before retiring in 1963.

Brother Wendt was a quiet, gentle pastor who radiated a spiritual quality of great strength and, at the same time, great compassion. His ministry could be characterized as one of stability. He was, for his time, a very progressive leader.

Under his leadership Bossier City First Church nearly doubled in membership from 500 members in 1947 to almost 1000 in 1952. During his tenure there the little white wooden church was replaced with a large, gracious brick church in downtown Bossier City. Yet with all of this growth, and its attendant building project, Brother Wendt's peaceful, patient, wise, spirit enabled that congregation to have harmony with enthusiasm.

Three children were born to the Wendts: Dr. William W. Wendt, Sr. of McQueeney, Texas, Mrs. Vivian Wendt Langhorst of Shreveport, and Rev. Stephen F. Wendt of Haughton. Nine grandchildren and nine great-grandchildren survived him.

Brother Wendt died on April 25, 1991. Services were held at Mangum Memorial United Methodist Church where, in life, his presence and prayers blessed many. Interment was in Forrest Park West, Shreveport.

ETHEL C. WHITE (MRS. H. K.) (1910-1991)

Called from our ranks of faithful servants was Mrs. Ethel Code White. She was the widow of Rev. W. K. White, Jr. She began her new life on January 20, 1991.

Mrs. White was born on December 18, 1910 to Moses Code and Dolly Jamerson Code in northwest Louisiana in DeSoto Parish. On December 27, 1933 she became the bride of Rev. H. K. White, Jr. They resided in Frierson, Louisiana; they had eight children.

She unselfishly supported her husband's sixteen years (1951-1967) of ministry. They traveled quite a bit on Sundays to serve: Pilgrim's Rest in Minden, Robinson Chapel in Caspiana, Rosa Chapel in Marthaville, and St. Paul/Emmuel/Mt. Zion in Campti.

Her family's lives are painted with indelible memories of a quiet, well-spent life. Emma W. Hunter of Shreveport, Hanna W. Allen of Oklahoma City, OK, Lizzie White of Grambling, Mary Ann Perkins of Dallas, TX, the twins, Juliette White of Dallas, TX and Jeanette W. Clark of Shreveport, Sallie Marie White and Willie James White of Frierson attest that their lives are meaningful because of their mother's strength and wisdom. They have love for God and mankind because of the high ideals taught to them by their loving mother.

After her husband's passing, she joined the Fairfield United Methodist Church in Shreveport. She lived and loved Methodism. She served as a Communion Stewardess and was a member of the United Methodist Women.

I cherish the kindness, love, and understanding that Mrs. White extended to me as her pastor. Thank God for the priceless gem, Ethel Code White.

CONFERENCE COUNCIL ON MINISTRIES

1990-91 has been a great year for Louisiana Methodism--maybe the best ever! A bold claim, to be sure, but anything less does not adequately express the extraordinary experience of our Annual Conference since last we met. While continuing the fine work and witness for Christ underway, in just twelve months, congregations across the state have birthed new vision, planned future ministry, covenanted with God and one another, gathered in celebration and renewal, and so much more!

It all began when the Conference voted at the 1990 session to adopt the emphasis VISION 2000 as a means of giving direction and a challenge to our local churches. The purpose of this initiative was to help congregations as they moved toward examining and reclaiming their call to Christian ministry. The hope was declared when seven signs of vitality for local congregations were established as marks of Christian servanthood.

At a fall meeting, the Conference Council next selected two of these signs of vitality as the 1990-91 VISION 2000 priorities. Chosen were A Plan for Ministry and Meaningful Bible Study, and soon work was underway to resource Louisiana Methodists in these endeavors. A series of training sessions was held, one in each district, to introduce a local church process of planning for ministry. Each church was asked to involve the congregation in "listening posts" that would lead toward establishing a local church statement of its mission, vision for the year 2000, and tasks for 1991. Later these statements were to be brought to a statewide "Gathering" as a sign of the mutual commitment among Methodists to revitalize our ministry and mission.

The priority on Meaningful Bible Study was introduced through a training seminar on the DISCIPLE Bible Study of The United Methodist Church. The Council on Ministries, the Board of Discipleship, and the United Methodist Foundation of Louisiana joined in the sponsorship of this meaningful event by providing scholarships for representatives from churches that had not previously participated in the DISCIPLE program. The response was most gratifying. One hundred and seven Louisiana United Methodists attended the training held in Baton Rouge on February 14-16, 1991. Of those participating, sixty-one were new church enrollments from congregations now preparing to begin their first in a growing number of small Bible Study groups.

With these steps taken toward addressing 1991's VISION 2000 priorities (along with ongoing programs of the various Boards and Agencies underway--see below), the stage was set for the most exciting Conference event of the year--The Louisiana Gathering held in Baton Rouge on March 9th. This all-conference worship experience will long be remembered as a modern day camp meeting for Louisiana United Methodists. With eleven thousand coming together in the Riverside Centroplex, this was perhaps the largest gathering of United Methodists ever assembled at one time in one place! The two-thousand voice adult choir, the six-hundred youth singers, the local church banner processional, the beautifully-designed and "Methodist-made" worship center, the preaching of Dr. Zan Holmes and Bishop Richard Wilke, the local church covenants, the renewal of baptismal vows by all participating United

Methodist Christians and the renewal of vows of ordination and consecration by the clergy and diaconal ministers of the Conference—all combined to provide a revival experience unlike any other! Added to this was the impressive response of over seventy people who declared their interest in representative ministry. Then, on Sunday, March 10th, the revival continued as the local churches throughout our state held services of renewing baptismal vows and recovenanting. Surely the impact of this weekend will continue to reap blessings for our conference for years to come!

This year's progress toward a more vital ministry for The United Methodist Church in our state did not halt with the hallmark of The Gathering, however. Meeting again in April, the Conference Council on Ministries affirmed that VISION 2000 would continue in 1991-92 through the priorities of "dedicated and competent clergy leadership, committed and trained lay leadership," and an emphasis upon "United Methodist Beliefs." Task forces to steer statewide efforts in these arenas, as well as to provide resources to help local churches address these concerns, were established and are now at work. In addition, the overall discussion and reports from the Boards, Agencies and Committees revealed the development of several exciting new ministries, plus the emergence of a clearer mission for the remainder of the nineties.

Only limitations on space prevent a further listing of the important activities and events that substantiate my claim that this year was indeed among the best ever for Louisiana Methodism. I therefore invite you to read carefully the following pages containing the reports of the various Boards, Agencies and Committees that carry out the work of the Annual Conference Council on Ministries. Therein you may learn in detail what, by God's grace and the hard work of many, has been accomplished during 1990-91 in response to our constant calling to be Christ's Church and the current impetus provided by VISION 2000.

Personally speaking, my joy is too full to contain and the evidence too substantial to deny. Thanks to you, the committed lay men and women and clergy of Louisiana Methodism, it was a great year! And by God's grace, the best is yet to come. Please continue to pray for our present and future vitality and growth.

Charles B. Simmons, Chair

VISION 2000: A Renewed Covenant for a New Century

The 1991 Session of Annual Conference approved the following statement as the Covenant to direct our future work in VISION 2000:

VISION 2000: A RENEWED COVENANT FOR A NEW CENTURY A COVENANT BETWEEN THE LOUISIANA ANNUAL CONFERENCE AND ITS 600 CONGREGATIONS

PROLOGUE

In keeping with the Initiative of VISION 2000 as outlined by the Annual Conference in its 1990 session, the Louisiana Conference Council on Ministries and its member Boards, Agencies, Commissions and Committees join with the 600 local congregations of the Annual Conference in covenanting to do all possible to renew our calling as vital congregations and faithful disciples in Louisiana.

OUR MISSION

The mission of the Louisiana Annual Conference of The United Methodist Church is to lead in the development of spiritually vital, inclusive, and inviting fellowships of Christian believers, and to do so in a spirit of unity in keeping with our Wesleyan heritage.

OUR VISION

The VISION of the Annual Conference is for our 600 local congregations to be visible signs of God's Kingdom in which the good news of Jesus Christ is exemplified through:

SPIRITUAL GROWTH: Growing in the spirit of Christ through vital worship, stewardship, meaningful Bible study, covenant sharing groups, Christian education, and a growing understanding and affirmation of United Methodist beliefs.

NEW DISCIPLES: Making and nurturing new disciples through intentional sharing of the gospel to all persons, support and care of members, and planning and support of new congregations.

LEADERSHIP: Recruiting and training competent and dedicated lay and clergy leadership.

OUTREACH AND MISSION: Involving United Methodist members and congregations in specific mission and outreach ministries in the community, state, nation, and world.

OUR TASKS FOR 1991-92

Our specific task in the conference year 1991-92 is to prepare for the next phase of VISION 2000 in the new quadrennium 1993-96.

This will be accomplished by: a) reconstituting and recommissioning the Conference VISION 2000 committee to coordinate the planning process; b) holding a fall planning retreat to establish the direction of the VISION 2000 initiative in the new quadrennium; c) covenanting with the General Board of Discipleship section on Evangelism through its Director, David Brazelton, to assist in resourcing our planning for the new quadrennium; d) utilizing the Conference covenant, mission and vision as the focus of the proposed plan; e) preparing a plan of action for the new quadrennium to be presented to the 1992 session of Annual Conference.

In addition to planning for the new quadrennium, the Conference Council on Ministries will continue to provide ongoing resourcing appropriate to the VISION 2000 Initiative.

The local church VISION 2000 covenants will be the primary guides in evaluation and future planning in local church charge conferences in the fall of 1991.

Louisiana CrossLines

The organized mandate for Louisiana CrossLines was and continues to be its role as a resource and facilitator for the local United Methodist church. Never intended to be an umbrella agency or conference program as such, CrossLines' objective is to enable local churches to be in effective ministry with poor families. Moreover, effective outreach is understood to be that which addresses the root causes of poverty rather than ministering solely to its symptoms. To that end, in 1990-91 Louisiana CrossLines worked to educate and motivate individuals and churches to create a variety of community and congregation-based responses to children and families in need.

Highlights of such efforts include: a partnership between the YWCA and Istrouma Mission Center to create an eight week summer camp for low-income children. In Allen Parish, sixteen churches were brought together to form a volunteer care-givers in Merryville and DeRidder; latch-key programs for the very young and volunteer assistance for outreach projects in Shreveport (Faith UMC Family Outreach), North Shore (Hartzell UMC community education and resource projects, and Kentwood Adopt-a-Caseworker project), Baton Rouge (Jefferson UMC after-school care and Istrouma Metropolitan Methodist Mission Center) and Alexandria (Hope House child care project) has witnessed the birth of new programs.

In Franklin, Louisiana, two United Methodist congregations, in collaboration with other denominations and local agencies, underwent a process of community analysis with assistance from CrossLines. The result is the "Friends for Families" project. Teams of volunteers from local congregations will be trained and matched with families screened by several agencies. The resulting "partnership" between church volunteers and families in crisis will provide the necessary support for the families seeking economic independence and social stability. This model was adopted from the greatly expanding ministry initiated by the South Baton Rouge Cooperative Parish.

Leadership development of clergy and lay people around the conference remains a major focus of CrossLines' work. Training events are a critical way to share information and resources. Subsequent work with individual churches facilitates and supports project development. May of 1990 witnessed such a gathering of church leaders and service providers for north Louisiana and in the fall, the North Shore co-sponsored a similar event in Hammond. In 1991, education and training for local churches are planned for Lake Charles, Acadiana, Shreveport and Baton Rouge districts. In the Ruston district, CrossLines is working with the Ruston Children's Home to develop a project for local churches to nurture and support newly emancipated (though critically vulnerable) youth in their respective communities. In Slidell, CrossLines assisted in bringing together numerous churches and agencies to sponsor a community forum on health care. This will be the first step towards creating a community-based clinic for low-income and uninsured people in East St. Tammany Parish, a process initiated largely by concerned United Methodist churches.

Putting local churches in touch with national, state and conference resources has and continues to be an important role of CrossLines. Grants assistance in excess of \$100,000 was applied for, the majority of which have been successfully funded. In addition to financial resources, CrossLines makes available numerous other resources. People and agency contacts, as well as general information of all sorts (e.g. statistics, models for ministries, services

available, etc.), can and do assist local churches as they struggle to identify the needs of the community and their own resources to respond to those needs. A wider sharing of information of this sort through newsletters, training events, and other media contacts is one of several stated goals of CrossLines in the coming year.

The struggle of Louisiana's poor families to achieve independence and security is a long and complex one. United Methodist churches have the capacity spiritually and materially to make a significant and creative impact on poor peoples' lives. Helping churches address those needs, whether through the creation of a special child care program or building partnerships between churches and community agencies, in the goal of CrossLines. United Methodist churches can make a difference for the poor and in doing so, will provide a meaningful witness to the church's vitality in the decade of the 90's.

Roger Guissing, Chair

Disaster Preparedness and Relief Committee

The year 1990 proved to be a quiet year with few calls for response. The most active time came in the wake of the Great Freeze of December 1989. The response was to the water damage in both churches and homes.

This committee spent the majority of its time working on a new worship resource for times of disaster. It is anticipated that by fall it will be ready for publication.

The committee wishes to remind both Pastors and District Superintendents that a Disaster Response Coordinator should be appointed or elected in every local church. The Disaster Handbook is available to these Coordinators by writing Rev. Tom Howe at 5276 Bullard Ave., New Orleans, La., 70128. If the local church does not have a response coordinator, the pastor will serve in this capacity.

The following are the current guidelines that are used in Disaster Responses:

Guidelines for the Distribution of Funds

In any disaster where funds are to be distributed, the following Guidelines are to be observed.

In any disaster, local church leaders should always do the following:

- 1) Notify the district Disaster Coordinator.
- 2) If damage is heavy to church-owned property, the Pastor should contact the District Superintendent.
- 3) If able, Disaster funds are to be used to respond to immediate needs of the people. Records should be kept of assistance granted. Financial receipts are essential, both

for proper record keeping and reimbursement for the Disaster Fund.

- 4) In our administration of assistance, we will concentrate upon those people/families who slip between the cracks of the other established systems, as well as give immediate relief while waiting for other systems to help. The best way to administer aid is to interview people, discover their needs, find what has been given, where they have gone for help, and from this information determine how you can assist them.
- 5) An account of all monies received and disbursed will be kept. Any funds not used will be returned to the Conference Disaster Fund.
- 6) No duplication of assistance/aid by other agencies such as Red Cross or FEMA will be made.
- 7) Referrals and verification of need from other agencies will be accepted.
- 8) Aid will not be restricted to United Methodists.
- 9) There will be a limit of \$500.00 per family disaster. In cases of extreme need beyond this point, contact your Conference Disaster Chairperson or District Superintendent.
- 10) In cases of a single family disaster, we will attempt to respond if called upon for immediate first 24 hour relief. Additionally, we will work as an advocate for the family seeking out other types of aid or giving information where additional aid might be found. IN CASES OF FIRE, A FREE LIMIT OF \$75.00 per family will be set.
- 11) There will be no salaries paid from the fund. Volunteers only will be used in administration of funds. (For exceptions contact Conference Disaster Coordinator.)
- 12) Guidelines for reimbursement of volunteer's expense will be that of the Louisiana Conference.
- 13) Assistance will go only to victims of disaster until funds are exhausted.
- 14) Assistance will not be only for physical needs. For disasters, the following items are types of aid that we can supply within the \$500.00 maximum:
 - A. Occupational and educational tools that will re-establish job, i.e., school books, hammers, saws, etc.
 - B. Items that the American Red Cross will not supply, yet are essential to the re-establishment of the home and family and/or immediate 24-hour relief.
 - C. OTHER ITEMS:
 - * help with rent and/or taxes if unable to pay if directly related to a disaster,
 - * medication (immediate need only),

- * transportation cost to and from work if other normal means of transportation were affected by disaster,
 - * portable radio,
 - * immediate food and clothes,
 - * silverware, plates, cups, pillows, sheets, blankets, etc., and
 - * other similar items (determined by the discretion of the volunteer Executive Committee.)
- 15) Monies not distributed will revert back to the Conference Disaster Fund.
- 16) Some exceptions to the above rules may be granted after consultation with the Conference Disaster Coordinator and your own District Superintendent.

Tom Howe, Chair

Louisiana Legislative Liaison Committee

Projects for the year include the following:

- 1) The Bishop's Reception for Louisiana Legislators, April 15, 1991, at the State Capital. Appreciation is expressed to the eighty-five pastors throughout the conference who personally encouraged Legislators to attend.
- 2) Seminar on issues facing the 1991 Louisiana Legislature, May 29, in Baton Rouge in cooperation with IMPACT.
- 3) As a committee, studied the following concerns: gambling, fiscal reform, abortion, racism, health issues, welfare reform, and education including teacher evaluation, minimum foundation funding formula, voucher system, alternative education, family life education.

The committee will focus on three areas of concern in the 1991 Legislative session:

1. Community-Based Health Care

A. Position of the General Conference, United Methodist Church.

1. Social Principles #72,C "Rights of Children" 1988 Discipline: "...children have rights to food, shelter, clothing, health care and emotional well-being."

2. Book of Resolutions, "Health Care Delivery Policy Statement" p. 246: "...we call upon United Methodists in their local churches, districts and annual conference, in organizations and agencies to work to enlarge the health care services choices available to people everywhere by supporting: ..community health programs which assess health needs and provide preventive, primary, and home care services."

B. Community-based health care (or Community Health Centers) provide routine

and preventative medical services such as checkups, monitoring chronic diseases, pre-natal and well-baby care, preventative dental services and treatment for minor injuries and emergencies. Typical providers of such services are family physicians, nurse-practitioners, general internists and the like. Services are provided in a clinical setting. Clinics are controlled by people in the community (recipients of clinic services traditionally make up at least half of the board of directors.)

Services are made available on a sliding fee scale and no one is turned away. These services are primarily (though not exclusively) made use of by the uninsured, low-income or working poor or for those who simply have no access to a source for routine medical care. To date there are eight such federally funded clinics in Louisiana.

C. Legislative Objectives

For state monies to be made available for new community-based clinics (start-up-funds) or for the expansion of existing centers.

2. Expansion Of Medicaid Access

A. Position of General Conference, United Methodist Church

1. Book of Resolutions "Health and Wholeness" p.235 ff "We support the following principles of access to health services:

In a just society all people are entitled to basic maintenance and health care services. We reject as contrary to our understanding of the gospel the notion of differing standards of health care for various segments of the population.

Health care should be comprehensive, including preventive, therapeutic, and rehabilitative services.

In areas where medical services are not available, or are in undersupply, we urge private or public funding to provide the full range of needed services.

2. Book of Resolutions "Health Care Delivery Policy Statement" p. 241 ff.

"..The United Methodist Church urges that medical and health care services of good quality should be made available to all persons and should be so organized as to be readily accessible to all...

..We affirm the following principles and goals as necessary for effective and responsible delivery of health services:

All people should be entitled to basic package of preventive and health care services. New emphasis should be put on preventive care for all ages."

3. Book of Resolutions "Responsible Parenthood" p. 111

"We therefore encourage our churches and common society to: Provide to each pregnant woman accessibility to comprehensive health care and nutrition adequate to assure healthy children."

B. Background

Early, high quality, comprehensive prenatal care is the most effective means for reducing the state's high rate of infant mortality. Access to prenatal care for all pregnant women has not been achieved in Louisiana. Especially vulnerable are those poor women not covered by Medicaid or employer-provided insurance coverage. The goal of this legislation will be to ensure that all pregnant women and infants regardless of their economic status, geographic location or ethnic background have access to appropriate health care services.

C. Legislative Objectives

1. Expand eligibility for Medicaid services for all infants and pregnant women with an income up to 185% of the federal poverty income guidelines.
2. Extend eligibility for Medicaid services to children born after September 30, 1983, who are at least six and not yet nineteen, and whose family incomes are below 100% of federal poverty income guidelines.
3. Base eligibility for Medicaid services for pregnant adolescents on the income of the pregnant adolescent and not on the income of her parents.

3. Family Life Education

A. Position of the General Conference, The United Methodist Church

1. Social Principles #71 F: Discipline

"We recognize the continuing need for full, positive, and factual sex education opportunities for children, youth and adults."

2. Book of Resolutions, "Responsible Parenthood" p. 111

"We therefore encourage our churches and common society to: Provide to all education on human sexuality and family life in its varying forms, including means of marriage enrichment, rights of children, responsible and joyful expression of sexuality, and changing attitudes toward male and female roles in home and market place.

3. Book of Resolutions, "Aids and the Healing ministry of the Church" pp. 103, 104:

"As a church we call upon our general agencies, annual conferences and members to: Support AIDS prevention education in church and society that provides both the information and motivation required for persons to change their behavior so as to

reduce or eliminate the risk of infection."

B. Background

Louisiana has one of the highest adolescence pregnancy rates in the nation. AIDS continues to pose a threat to the life and well being of an ever increasing number.

C. Legislative Objective

Grant permission to local parish school boards to use comprehensive, appropriate family life education curriculum for grades K-12, including education on AIDS and other sexually transmitted diseases.

The Conference Resource Center would like to thank you very much for your continued support and interest. Through your cooperation, the Media Resource Center is indeed an asset to the Louisiana Annual Conference.

The Center is continuing to work to bring countless ideas which will create an even better and complete resource center, a center which will always strive to meet the needs of those who use the audio-visual library.

I am pleased to report that membership to the library has continued to increase. The overall use of the center has also increased. I encourage churches which have yet to join, to do so soon. It is to your advantage.

We have added a number of new resources to help you in various ways. Additional resources are continually added to the center. Please be advised that we are working on adding yet more materials to the library which will help you with your endeavors.

The Media Resource Center is located in the Conference Headquarters Building at 527 North Boulevard, Baton Rouge, Louisiana 70802; (504) 346-1646.

BOARD OF CHURCH AND SOCIETY

Current events have moved so rapidly on the state, national and world levels this past year that action and resolutions pertaining to them have sometimes been out-of-date by the time we could complete the process of addressing them. So, our committee reports and resolutions may need to be amended by the time of our Annual Conference session.

We believe that one of the most complex issues of our time – abortion – should be addressed by sending a resolution to the 1992 General Conference to amend the position of The United Methodist Church as stated in the Book of Discipline. See our recommended resolution below.

Other important resolutions are also included in this report of your board. We ask that you give each one your prayerful consideration.

Larry D. Robertson, Chair

Human Welfare Committee

Our committee would like to lift up four areas of concern and action.

- 1) **Health care reform as an issue of justice in Louisiana.** The crisis in health care for our citizens continues, with rapidly rising insurance rates, and the increasing difficulty for some in securing adequate health care and coverage. We commend to the Conference the work of "The Louisiana Health Care Campaign", P.O. Box 2228, Baton Rouge, LA 70821. LHCC is an organization of citizen groups, health, education and social service agencies, religious and community organizations, and others who are concerned about the availability and delivery of health care to the citizens and families of our state. The "Campaign" has several membership categories beginning at \$5.
- 2) **Drug and Alcohol Concerns.** In response to the debate at last year's Conference session about church-related drug and alcohol education programs, we commend to the Conference these items:
 1. "The Drug and Alcohol Concerns Bulletin", a free publication of the General Board of Church and Society, Department of Human Welfare, The United Methodist Church, 100 Maryland Ave., N.E., Washington D.C. 20002.
 2. There are several items available through the Discipleship Resources catalog, P.O. Box 189, Nashville, TN 37202-0189.
 3. "We Share In God's Great Help: Four Weeks of Prayer for Congregations". A four-week prayer and consciousness raising program growing out of Bishop Felton May's recent work in this area. It is available through the Upper Room, 1908 Grand Avenue, P.O. Box 189, Nashville, TN 37202-0189.
 4. "Drug Free For Good: Equipping Local Churches to Join Hands and Wage War on Drugs". This offers both a Christian recovery program, and a drug education and prevention program, complete with all the needed educational materials. Available from RAPHA, National Headquarters, 8876 Gulf Fwy., Suite 340, Houston, TX 77017, 1-800-227-2657.

5. The Pan Methodist Coalition (a program on alcohol and other drug abuse) P.O. Box 801, Nashville, TN 37202

- 3) **AIDS.** We wish to reiterate and reaffirm our church's open stance to persons with AIDS. We urge congregations, pastors, and laity to seek ways of being in ministry to persons, families, and community members affected by this pandemic. We remind all Conference members of the resources, "Responding to AIDS: An Educational and Missional Resource" developed by this Committee two years ago, and which is available through each District office and the Conference Resource Library in Baton Rouge. This packet has been updated in the past year. We also want to affirm the work of our Conference AIDS Task Force; we urge Conference members to visit the display table on the upper level of the Gold Dome.

- 4) **Abortion.** The debate on abortion continues in our state and in the church. We offer the following resolution to amend paragraph 71G in the Book of Discipline, 1988. If approved by this Annual Conference, we wish this resolution to be submitted to the General Conference of 1992.

- 5) The Annual Conference approved the resolution to General Conference as requested by the Conference Board of Church and Society as amended by the Annual Conference to read as follows:

Paragraph 71G: Abortion

The beginning of life and the ending of life are the God-given boundaries of human existence. While individuals have always had some degree of control over when they would die, they now have the awesome power to determine when and even whether new individuals will be born. Our belief in the sanctity of unborn human life makes us reject abortion as a routine means of making determinations about who is born and who is not. But we are equally bound to respect the sacredness of the life and well-being of the mother, for whom devastating damage may result from an unacceptable pregnancy, particularly in circumstances of rape, incest, severe genetic disorder, or a life-threatening pregnancy and delivery for the mother. In continuity with past Christian teaching, we recognize tragic conflicts of life with life that may justify abortion, and in such cases support the legal option of abortion under proper, certified, medical procedures. We unconditionally reject abortion as an acceptable means of birth control and gender selection. We call all Christians to a searching and prayerful inquiry into the sorts of conditions that may warrant abortion. Governmental laws and regulations do not provide all the guidance required by the informed Christian conscience. Therefore, a decision concerning abortion should be made only after thoughtful and prayerful consideration by the parties involved, with medical, pastoral, and other appropriate counsel. We also call upon The United Methodist Church at all levels to develop resource materials and programs to educate persons about abstinence and birth control, and to inform persons about options for adoption and homes for unwed mothers in local regions around the nation.

John Downs, Chair

The Annual Conference approved the following resolutions as presented by the Conference Board of Church and Society:

Senator J. Bennett Johnston,
Senator John Breaux, and
the State Legislative committees for Natural Resources.

Peace With Justice

The major activity this year of the Committee on Peace with Justice has been the planning and coordination of the week-long visit to Louisiana of the Justice Journey team. Rev. Carol Windrum for several years has served as the Coordinator of Peace with Justice for the state of Nebraska. Her husband, Mr. Tim Fickenscher, is on leave of absence as special education teacher for a class of students, all labeled as "violent behavior adolescents." This team, now on a national year-long tour of the United States, is sponsored by the General Boards of Church and Society and Global Ministries and by the General Commission Of Christian Unity and Interreligious Concerns.

Rev. Windrum and Mr. Fickenscher visited seven cities in Louisiana from February 5 through February 13, their topics ranging from a seminar for pastors, "Pastor: Prophet and Priest" to "Peace Pursuits," a game for youth of the district. Other topics included "Current Issues of Peace with Justice," "The Biblical Roots of Peace with Justice," "Environmental Justice Concerns," and "Parenting for Peace." They participated in church services, spoke to groups in churches or on campus, taught a Sunday School class, and spent an evening in Baton Rouge with youth from four churches. Despite the competition from Carnival events and Perkins Ministers' Week, attendance at sessions was good and participants responded with appreciation and gratification at the team's enthusiasm and inspiration.

The Peace with Justice Committee has attempted some educational efforts through articles in the Louisiana United Methodist on revelant issues, such as Earth Day, World Hunger Day and Peace with Justice Sunday.

During Pentecost, United Methodists collect each year a Peace with Justice offering. Half of the amount contributed by Louisiana churches goes to the General Board of Church and Society under whose auspices is the Office of Peace with Justice. This national office provides educational materials, involves returning missionaries in talks and workshops about foreign countries, promotes covenant churches in Peace with Justice, and currently is developing a certification program for PWJ coordinators. One-half of the Conference offering for Peace with Justice goes to the Conference Board. This fund this year contributes to the following: (1) Louisiana Interchurch Conference's Farm Aid Program which maintains a hot line for farmers in distress and provides legal advice to farmers when needed; (2) Bienville House Center for Peace with Justice which provides educational material, meetings and lectures on current peace issues related to Native Americans, Civil Rights, and Guatemala; and (3) publicity concerning the United Methodist position on gambling. We also sponsored an interfaith session with Pastors for Peace, an ecumenical group which sends medicine, school supplies, clothing, etc., to Central American churches for distribution.

In October, Louisiana churches were encouraged to observe the ecumenical week for Peace with Justice. The program of one United Methodist church which united with the neighboring Presbyterian church and a campus ministry was highlighted to encourage other churches to plan neighborhood or community festivals. These churches promoted a fair with booths from such groups as Oxfam America, Habitat for Humanity, and several groups focusing on environmental justice. Children were taught to make winddrums and peace cranes, and enjoyed both a marionette show on peace and face painting using peace symbols. Prior to the fair, pre-school and elementary school children were encouraged to make original

drawings about peace. After supper, a worship service was held of liturgy and music by a combined adult choir and a children's choir. The service, which ended with all participants linking hands as they sang "Let There Be Peace on Earth", was very moving.

A frustration experienced this year was the failure of a goal to establish a network of peace advocates throughout the state. Peace advocates agree to study, pray and witness under the guidance of the Holy Spirit while working toward achieving an improved climate of goodwill to all people. They are willing to study issues of peace with justice and share these with their congregations. Material is sent regularly by the General Board of Discipleship for an annual fee of \$6.00. Letters were sent to chairpersons of District Councils on Ministries and chairpersons of District Boards of Church and Society requesting names of individuals who might be interested in such a commitment. Regrettably, there were no responses. Another attempt to enlist peace advocates will be made.

"Peace can come with just-us." With this in mind, the Committee on Peace with Justice offers three resolutions for action by the 1991 Louisiana Conference.

The resolutions were approved as amended by the Annual Conference as follows:

A. Resolution on the Persian Gulf Crisis

The Social Creed of The United Methodist Church states: "We dedicate ourselves to peace throughout the world, to freedom of all peoples, and to the rule of justice and law among nations." We view the Iraqi invasion and annexation of Kuwait as a violation of this principle. According to published surveys, some Americans approved of President Bush's conduct of war while others opposed the use of military force in this arena. Whichever view is held, we believe that all United Methodists affirm the principle cited above.

Therefore, the Louisiana Conference of United Methodists calls its congregations to:

1. Praise God for an end to the Persian Gulf War and pray for a lasting and just peace in the Middle East.
2. Express our concern and prayers for our brothers and sisters, both civilian and military, of all nations involved, and for their leaders.
3. Support peace negotiations under United Nations auspices.
4. Appeal to all nations not to resort to weapons of mass destruction, whether chemical, biological, or nuclear.
5. Urge all countries to abide by international law as set forth in the Geneva Conference.
6. Minister to families of those serving in the Persian Gulf.
7. Seek to provide humanitarian aid without distinction to victims of war, both civilian and military, through church-related agencies, governmental or non-governmental

agencies.

8. Give attention and help to the questions and fears of children, especially those whose relatives have been called to military service.
9. Prepare our members to support rehabilitation efforts not only of countries and communities but also of individuals and families.
10. Avoid prejudicial statements against Arabs and Muslims.
11. Resist threats to the welfare and civil liberties of Arab-Americans, residents of Arab descent, or Muslims who may be at risk of discrimination.

B. Resolution on the Arab-Israeli Conflict

Even as we celebrate the end of war, we are also concerned about the aftermath of the Persian Gulf Conflict and especially the heightening of tensions and hostilities generated by the conflict between Israel and the Palestinians.

We pray that the government of Israel and the Palestinians will enter into negotiations over the legitimate concerns of both, rather than pursuing methods of retaliation.

We call upon the U.S. government to take the initiative in promoting and participating in an international conference for peace in the Middle East, including all parties involved in the conflict as well as the permanent members of the Security Council of the United Nations.

Because Jesus has commanded us to be peacemakers, we call upon our United Methodist congregations in Louisiana to take the following actions:

1. Pray for peace in the Middle East in both personal and group prayers.
2. Write President Bush and our members of Congress urging our government's promotion and participation in an international conference on this conflict.
3. Avoid stereotyping Arabs and Jews or labeling them in a negative way.
4. Call for the protection of civil liberties and welfare of American-Arabs and Jews who might be at risk of discrimination.
5. Contribute to humanitarian aid to refugees through such organizations as UMCOR, other religious agencies, United Nations, or non-governmental organizations.
6. Urge the General Boards of Church and Society and of Global Ministries and the General Commission on Christian Unity and Interreligious Concerns to develop and disseminate educational materials which aim to help United Methodists understand the intricacies of the Arab-Israeli conflict.

7. Seek opportunities at the local level to develop a deeper understanding of the beliefs and cultures of Muslims and Jews.

C. Resolution on Racism

As Christians we believe that all humans are God's children made in His image and, therefore, all people are our brothers and sisters. We believe that racism rejects the teachings of Jesus Christ and denies the dignity and intrinsic worth of both those who hold racist attitudes and the victims of racism. Repentant of our sins, we commit ourselves to working toward a world in which every human being, regardless of race, ethnic background or religion, is respected and nurtured. We, therefore, call upon United Methodists in Louisiana to:

1. Pray that we may truly become an inclusive church and express our faith in actions of love and justice to our fellow people.

2. Avoid the stereotyping of racial and ethnic groups.

3. Nurture ethnic minority leadership among clergy and laity so that all will have equal opportunity in all phases of the Church's work.

4. Create a climate where pastors can be appointed without respect to race or ethnic background.

5. Provide spiritual growth workshops and study groups of a multi-racial nature which seek to develop new understandings, attitudes, and behaviors toward members of other races or nationalities.

6. Request the Louisiana Conference Commission on Religion and Race to examine, assess, and make available strategies that might further open participation in multi-racial and multi-cultural churches.

7. Work in local communities to secure high priorities for clean-up of uncontrolled toxic waste sites in neighborhoods of largely minority residents.

8. Speak out against racist attitudes toward native Americans related to sacred lands, broken treaties, and land and mineral rights.

Ad Hoc Task Force on Education Issues

The following two resolutions are submitted to the Annual Conference with the following recommendations:

A. Resolution on State-Wide Teacher Evaluation

WHEREAS, the Louisiana Conference of the United Methodist Church supports an effective evaluation of all teachers and other school personnel, and

WHEREAS, the statewide Teacher Evaluation Program that is being implemented by the State Department of Education is seriously flawed, both in implementation and in the scoring system, potentially resulting in the unfair evaluation of many competent and dedicated teachers, and

WHEREAS, the misapplication of the statewide evaluation is presently causing serious morale problems within the teaching profession and is causing some of our most competent and dedicated teachers to consider early retirement at a time when schools are experiencing a serious teacher shortage; and

THEREFORE, be it resolved that the Louisiana Annual Conference of The United Methodist Church calls for suspension of the present state-wide Teacher Evaluation Program currently being implemented by the State Department of Education, so that major revisions may be made that will produce an effective state teacher evaluation program.

BE IT FINALLY RESOLVED, that copies of this resolution be sent to the Governor, Superintendent of the Louisiana State Department of Education, the Board of Elementary and Secondary Education, President of the Senate, Speaker of the House and chairs of the Education Committees of both House and Senate.

B. Resolution to Oppose the Voucher System in Education

WHEREAS, the Social Principals of The United Methodist Church state that "We believe responsibility for education of the young rests with family, the church, and the government; in our society this function can best be fulfilled through public policies which ensure access for all persons to free public elementary and secondary schools of their choice." and,

WHEREAS, we are opposed to the use of public dollars on private education, and

WHEREAS, there are currently 250,000 students in private education in Louisiana and if each is given a \$1,000 voucher, it would drain two hundred fifty million dollars from public education, and

WHEREAS, in some areas there would be a resurgence of "white-flight," that would leave some schools with no racial mix.

THEREFORE, The Louisiana Conference of The United Methodist Church opposes such federal or state mandated voucher or choice systems,

BE IT FINALLY RESOLVED, that copies of this resolution be sent to the Governor, the Superintendent of the Louisiana State Department of Education, the Board of Elementary

and Secondary Education, the President of the Senate, the Speaker of the House, chairs of the Education Committees of both House and Senate.

W.C. Patterson, Chair

Environmental Justice and Survival Committee

A year has come and gone since we last reported that Louisiana leads the nation in environmental problems. Unfortunately, that is still the case. But there has been progress. Toxic emissions are down even if they still lead the nation. Louisiana seems to be moving rapidly toward recycling as a means of reducing solid waste. There have been new and tougher laws on pollution. The rate of wetland loss has slowed, but it is still enormous. Each person who takes the time to do something about a cleaner and more sustainable environment makes a difference.

There were two major pieces of legislation which will have a positive effect on the Louisiana environment. One was the Clean Air Act which our senators supported and which will make our air much safer to breathe. The other was especially gratifying since a resolution from our conference initiated the grassroots movement which brought the issue to the forefront. Senator John Breaux sponsored and helped to pass a wetlands restoration and protection bill which will bring \$35 million annually to Louisiana. The only problem is that our state leaders and the Corps of Engineers are having territorial battles which threaten to slow action, possibly for years. We need to get on the phone to our people in Congress and demand action rather than squabbles.

We have two new videos in the Conference Audio-visual Library that are excellent. One is a production entitled "The Common Good." It deals with two communities and the manner in which they organized to address problems. The other is "For Our Children", which deals with the issue of toxics and how minority communities are disproportionately affected. This film centers around a national workshop which was held in Baton Rouge in October of 1989.

We recommend that churches and individual church members continue becoming involved with recycling programs and that they move toward using more reusable items rather than disposables. We still recommend that churches and individual church members refrain from using styrofoam products.

We would like to especially recommend the Christmas tree recycling program which benefits the wetlands. The coastal parishes are using Christmas trees to make fences in the marshes that trap sediments and bring about the reformation of wetlands. The trees must be natural trees which are free from all tinsel or all artificial material. If your parish does not have a Christmas tree recycling program, ask why not.

There are two organizations that we recommend that you consider joining:

LEAN (Louisiana Environmental Action Network)
P.O. Box 66323

Baton Rouge, LA 70808
Individual Membership - \$15.00

The Coalition to Restore Coastal Louisiana
5551 Corporate Blvd., Suite 3-E
Baton Rouge, Louisiana 70808
Individual Membership - \$15.00

These organizations have excellent newsletters and programs which will keep you informed and give you suggestions for action.

Louisiana Interfaith Impact

For several years there has been an effort to organize a Louisiana IMPACT. IMPACT is an interfaith coalition of denominations and faith groups which has as its goal the empowerment of people for the purpose of promoting justice and peace. IMPACT invites people of faith to respond to God's call to seek justice, peace, and the stewardship of the environment. It seeks to facilitate, advocate, and advance the public policy of its member religious groups and to work in partnership with the poor and disenfranchised people as well as others who are involved in the struggle for justice, peace, and the stewardship of the environment. IMPACT seeks to carry out this mission by following the three priorities which are listed below:

1. To educate.
2. To facilitate.
3. To advocate.

Louisiana Interfaith IMPACT is in the formation stage. We have a draft of our bylaws and articles of incorporation. It has been recognized by the national organization. Louisiana Interfaith IMPACT held its first Legislative briefing on May 29. The Board of Church and Society of the Louisiana Annual Conference has officially joined IMPACT and has dedicated \$800,000 as seed money to help get it functioning. Other denominations and/or faith groups across the state are beginning to respond in a similar manner. By the next session of the Annual Conference we will ask the conference to take action on membership in IMPACT as an Annual Conference. By then, we will have moved much further along in the formation process.

The major thrust of Louisiana Interfaith IMPACT is to give our state its only broad-based, statewide grassroots religious organization which intends to allow the voice of the religious community to have an impact on the government. It will do so by education, by teaching organizational skills, as well as helping groups to organize, and by advocacy when there is a clear consensus among its members. It will be quite different from the Louisiana Moral and Civic Foundation in the way it is organized, the way it operates, and its constituency. IMPACT will seek to be a builder of coalitions rather than a duplicator of the work already in progress.

One coalition has already been formed. Louisiana Interfaith IMPACT has already begun to work with the Louisiana Health Care Campaign to join in the fight to see that every one has access to health insurance and adequate health care.

We invite anyone interested in becoming involved in the formation process to contact the Board of Church and Society. National members of Interfaith IMPACT include the General Board of Global Ministries as well as the Women's National Division.

BOARD OF DISCIPLESHIP

We have "gathered at the river." Each church has presented its "Vision 2000 Covenant." Each local church's Vision 2000 committee continues to work on what has been started. The year 2000 will be here before we know it. But the question is still before us: Will we be a different people of God by then?

The Board of Discipleship believes that we will! We believe that God has called us to move from complacency and negativism to a posture of anticipation and excitement. We've a story to tell to our world. It's a story of grace, peace, and love. God has called United Methodists in Louisiana to be the tellers and doers of the Word. It's time to put into action the covenant that we have made!

At the Vision 2000 listening posts, held in each district in 1990, there were many ideas shared by laity. One was the need for more Bible study. In response to that need, the DISCIPLE BIBLE STUDY training was held in Baton Rouge in February. Over 70 churches sent leaders to be trained to lead this 34 week Bible study. Some churches have already started, and the response has been overwhelming. Scholarship money is still available for those churches needing financial help to attend. Contact Rev. Karen Davis in the Conference Office if you are interested. There are other Bible studies being used by the churches in our conference and the results are the same. More United Methodists are becoming Biblically literate.

Your Board of Discipleship is prepared to resource the needs of the churches and districts to the best of our ability. We can do that only when the needs are identified. The following reports show the areas of ministry that are being resourced for the needs of the local church. Remember, our board exists for YOU (THE LOCAL CHURCH), not you for us!

Camping

One of the most significant happenings in camping this year was the December 31 retirement of Mary Jo Whited, the Caney Conference Center caretaker. After many faithful years of service, Mary Jo and Whitey decided to take a break.

Work was begun last year to standardize curriculum, training and promotion of the three camps in the Louisiana Conference. The goal of having a common brochure for the conference will hopefully be met by 1992.

The number of campers participating in the 1990 summer programs increased from 1989. Camping opportunities for all children, youth and adults at the three camp sites continue to provide additional options for worship in the Louisiana Conference.

Education

Educational ministries in the Louisiana Conference have taken on the tasks of evaluating where we have been and what we have done the last three years. Several significant events and teacher training programs have been held since June, 1990. The following describes the work that has been done:

- 1) For the second year two outstanding educators were recognized. Rev. Nathaniel P. Perry received the Hall of Fame Award for the educator who has made an impact on education ministries throughout Louisiana over many years. Mr. Larry Lewis, the Conference Director of Educational Ministries at that time, received the Bentley Sloane Award of Excellence in Christian Education. This award was given to Larry for the work he had done as a currently active educator, through his work with local churches and in the Conference office.
- 2) A new focus for the Sunday School Recognition was presented to the Annual Conference delegates. During Summer 1991 local churches were asked to describe their outstanding educational programs. That information was compiled into a booklet of shared ideas, celebrating the continuing success of Christian Education in all of our churches.
- 3) Christian Education Sunday of 1990 was celebrated August 26. The total receipts from the Christian Education Offering that was collected were \$4,971. Monies from this fund have been designated to help support the DISCIPLE BIBLE STUDY training held in February, 1991. It was also moved and passed that any left over monies of that amount would be kept for scholarship for churches becoming enrolled in this Bible Study program and sending their first person to be trained. The Conference Education Committee is considering other ways to utilize the Christian Education Funds in the future. The Education Committee, through the Conference Board of Discipleship, has requested that Sunday, August 25, 1991 be designated as Christian Education Sunday.
- 4) Two Lab Schools were held in fall, 1990:

New Orleans District – September 21 – 23, 1990
– 28 completed the training

Lake Charles District - September 28 - 30, 1990
 - 18 completed the training

Lab Schools are continuing to be an important event for training children, youth, and adult Sunday School teachers and leaders. Two are being planned for 1991.

- 5) Adult Faith Journeys Conference - held Sunday-Wednesday, March 3-6, 1991 at Dominican Conference Center in New Orleans. Forty-two persons attended, representing seven different denominations from the southeast Louisiana area and across the country. Dr. Ken Stokes, director of Adult Faith Resources, expressed gratitude to the local planning committee chaired by Lylln Craig and Anita Crump, and reported that the leadership team and the evaluations indicated this event to be very successful.

- 6) The Conference Education Committee has for the past five years been made up of each district's Education Chairperson and Children's Coordinator. This past year's attendance has been low; therefore, an extension of that Committee has been developed. An Executive Committee has been created to include two ordained ministers, two Christian Educators, two lay persons, the Conference Board of Discipleship Education Chairperson, the Conference Director of Special Ministries, the Conference Director of Youth Ministries, the Conference Director of Special Ministries, and the Louisiana Christian Educators' Fellowship President. The committee selection was also made with ethnic and gender inclusiveness, large and small church consideration, and geographic awareness. This committee will meet quarterly from Spring, 1991 - Annual Conference, 1992 and the larger Education Committee will meet in the fall before the Conference Board of Discipleship meeting. The Committee is currently working on an evaluation of where we have been, addressing of current needs throughout the Conference, and planning of future educational ministries of Louisiana. Current concerns include effective publicity, continued education of pastors and laypersons about what education ministry in Louisiana is all about, support and coordination of activities and programs between the district and conference levels, continuing laboratory school training opportunities, exploring mini-lab schools, and intentionally addressing the needs of the small membership churches. One direct way of education in our Conference is through the brochure entitled "Education in Louisiana". A copy will be distributed to all delegates of the 1991 Annual Conference session. We ask your help in making sure that information gets to your local church.

- 7) The Education Committee has begun to address the task of developing a booklet and/or guidelines for the learning of Bible verses and other prayers and creeds significant to our faith and at what ages these should appropriately be integrated into our regular United Methodist curriculum. We look forward to having that printed resource available for Sunday School teachers throughout our Conference for fall, 1991.

IN MEMORIUM:

In September 1990 Larry Lewis died after an extended illness. Many Sunday School teachers and leaders throughout Louisiana were taught by Larry. We all learned from his experience and knowledge and were touched by the commitment he had for the Louisiana Conference and The United Methodist Church. Larry lead us all to strive to be the best teachers and the best educators we could be. He was the motivation and dreamer behind many training events and education programs that we experienced in this Conference. All of us who had the privilege of being taught by Larry and calling him "friend" will always miss him. We all thank God for the life and ministry of Larry Lewis.

There is a lot to be done throughout our Sunday Schools and in the Christian Education programs of our Conference. The challenge is before us to move toward the future with hopes and dreams to be the best we can be!

Evangelism

Pursuant to a motion passed last year at Annual Conference, found on page 54 of the 1990 Journal, you will have at this session of the Conference a booklet which addresses church growth ideas within the churches in Louisiana. The churches reported have shared with us some models of Evangelism representative of various sizes across our Conference.

In addition to the above and in keeping with the spirit and urgency of our needs, a Task Force on Evangelism has been formed from across the Conference. It is vital to give energetic and deliberate direction to our church as we approach the twenty-first century. So, in keeping with Vision 2000, we are pleased to announce that Dr. David Brazelton, the Director of Evangelism for The United Methodist Church, has come on board to assist us in putting together a ten-year plan of Evangelism for the entire Conference. In addition to the times he has already met with us, we are planning a major event to officially kick-off "Vision 2000, Reaching for the Twenty-First Century".

A number of our people have recently attended a school sponsored by the General Conference staff called "Growth Plus". Ten persons have been trained to be leaders in our Conference to assist churches in a "Growth Plus" and attendance crusade.

Leadership Development

Every phase of Jesus' announced mission involved leadership, but Jesus' mission often made His leadership unpopular. Christian leadership today may not always make us popular, but if we are going to move people and move the world toward God, then we must be about our Father's business.

Persons who commit themselves to work or to serve in leadership capacities deserve to be trained and instructed. Jesus spent more time training and instructing than in any other single activity. In fact, everything He did with his disciples involved teaching and training.

We have become involved with our districts in training and instructing by participating in workshops and sessions for our church leaders.

The New Orleans District conducted a very stimulating and effective workshop for its church leaders, and my spouse and I were presenters. The Baton Rouge District also held a well-attended session on "My Job Training."

I have been involved with many of our churches as a resource person and provided information to assist and enhance the work of their church leaders. I will participate with the Baton Rouge District training scheduled for this fall.

We completed a successful conference on "Mapping Adult Faith Journeys" with Dr. Kenneth Stokes, Executive Director of Adult Faith Resources. There were 38 participants representing 10 denominations from throughout the United States in attendance at Dominican Center in New Orleans, Louisiana from March 3-6, 1991 with 4 Resource Persons.

I attended our Conference sponsored Laboratory School at Aurora United Methodist Church in Algiers, in the New Orleans District and the Church Growth Workshop with Dr. William Easum, sponsored by the New Orleans Federation of Churches.

I was appointed to the Executive Committee of the New Orleans Federation of Churches.

We are ecstatic about the cooperation received from our fellow board members in their favorable acceptance of the plans from the Conference Consultant Committee ably and energetically chaired by Rev. Brady B. Forman of the Leadership Development Committee.

The following persons will be responsible for the implementation of the workshop: Brady Forman, Mae Calvin, Anita H. Crump, Bob Deich, Jim Hindman, Richard Humphries, Spiller Milton, Paulette Robertson, Verma Sias, Carolyn Stokes and Melaine Scott-Welch.

There will be a series of training and instructing sessions which are herein indicated:

1. Workshop on Conflict Management and Resolution of Corporate Pain - September 24 - 28, 1991 at Cornerstone UMC in New Orleans with Rev. Carolyn Stokes as Chairperson.
2. Workshop on the Roles and Skills of A Church Consultant - January 6 - 8, 1992 - Cornerstone UMC in New Orleans with Dr. Spiller Milton as Chairperson.

These workshops will be available for laity and clergy of our Louisiana Annual Conference and other areas throughout the United States. Dr. John (Tim) Savage of L.E.A.D. Consultants, Inc. will be the resource person.

3. Lab. I. on Calling and Caring will be held in 1992 with Rev. Brady Forman as the resource person. The location will be announced later.

Dr. Ray Branton, District Superintendent of the Shreveport District, gave encouraging remarks when he stated that, "This Local Church Consultant Service is a worthwhile effort initiated by pastors and laity to strengthen local churches and make the connectional church more supportive and helpful".

Increased efforts will be made to assist our church leaders in developing and heightening their overall effectiveness through other innovative strategies.

As we continue to focus upon the revitalization of our churches and the renewal of all United Methodists for added services during this decade of Vision 2000, let us be reminded, paraphrasing J. Oswald Sanders, that a vision without a task makes a visionary; a task without a vision is drudgery, but a vision with a task makes a leader.

There is So Much Work For Each One Of Us To Do!

Anita H. Crump, Chair

Spiritual Formation

As United Methodists, we remember that our name originates from a group of devout persons who, for the sake of Christ and the church, were willing to be different from the "world". They knew that to be the whole and Holy people that they were called to be required of them a spiritual formation both personal and communal as to make them different. Thus came the names "Holy Club", "Bible Moths" and "Methodists".

In a day with numerous movements that might be categorized as "spiritual", it is imperative to remember that our spiritual formation is a distinctively Christian one, that it is grounded in both scripture and tradition. God is the potter, and we are the clay. The model for spiritual formation is Jesus Christ.

The area of Spiritual Formation encourages persons and churches to make themselves available to God's transforming grace through the disciplines of prayer, fasting, meditation, solitude, and the regular meeting together in small groups. We continue to encourage and support Louisiana United Methodist Cursillo and are presently studying other opportunities and events of this nature. We look forward to the realization of our Conference Center which will allow many new opportunities for spiritual formation and encourage prayers and financial support for its rapid completion.

Stewardship

Stewardship is a vital part of every local church. Stewardship begins with the faith principle that all that we have comes from God. God has called us to be faithful stewards of our time, talents, gifts, and service.

The Stewardship Committee of the Board of Discipleship encourages each local church to make stewardship a year-round process. Each district has been given samples of various stewardship resources that are available through Discipleship Resources and Cokesbury. New ways of addressing financial stewardship drives are being used. The McGuire United Methodist Church in West Monroe recently conducted their financial stewardship campaign in March, rather than in the fall of the year. Rev. Mike McLaurin, pastor of McGuire UMC, reported an increase of 19% in anticipated income. Research informs us that spring may be the best time for the financial campaign. Other churches in our conference have used other ideas that have proven successful. The stewardship committee of our board (composed of the District Stewardship person) has started gathering ideas that will be shared with each local church. Some churches may need to try a new approach. Some churches may be riding the horse when it died years ago!

In response to the need of stewardship ideas year-round, the board will be providing a series of articles on stewardship in the coordinated mailing. The articles are "Celebrate Stewardship" and "Nurturing Young Stewards". These resources will provide new ideas for each local church.

Each church is encouraged to emphasize stewardship of talents by its members. Each person has a gift to share with the local church. The laity need to be asked where they would like to work and then call on them to put their talents to use. A Vision 2000 church is one that practices this area of stewardship.

Dr. Ken Reed, Executive Director of the Louisiana Methodist Foundation, will be working with our board in the area of financial stewardship. His leadership and availability to the local churches will be beneficial to our conference.

Larry O'Dell, Chair

Worship Committee

The two main tasks that we have been occupied with this year are the planning of the Annual Conference worship service and a worship workshop. The task force for the planning of the Conference worship services consists of Rosalie Branigan, Carole Cotton-Winn, Don Cottrill, Anita Crump, Kathy and Ron Dauphin, Karen Davis, Leslie Norris, Franklin Poole, McCoy Ransom, Esther Socolofsky, Ted Standley and Bishop Oden. Dick Anders was also at the meeting representing Centenary College.

The worship workshop mentioned above was held on April 12 and 13, 1991. It featured Dr. Don Sailors, Candler School of Theology, Emory University and Dr. Melva

Costen of the Interdenominational Center, both of Atlanta. The title of the workshop was "Let the amen sound from the people again." One CEU was available for attending the entire workshop. This workshop was planned by district worship chairpersons, The Fellowship of United Methodists in Worship, Music and the Other Arts, Karen Davis from the Conference Office, and myself.

A meeting was held prior to the Sailer-Costen workshop to organize a new Conference Worship Committee, distinct from the committee which plans Annual Conference worship. The purpose of this new committee is to assist our churches with creative worship planning and leadership through workshops such as the one held in April.

Franklin P. Poole, Chair

Young Adult

Emphasis on our ministry to the young adult was established through the Board of Discipleship this year. Rev. Karen Davis is our Conference Staff liaison. On May 18 at First Church in Alexandria, persons in ministry to young adults are to focus on who this ministry is for, how to get in touch with them, and for what purpose? Each District Coordinator of Young Adult Ministry will be urged to attend.

Karen Greenwaldt, a director of Young Adult Ministries of the General Board of Discipleship, stated "Caring for young adults is active. We choose to care or we don't." We expect to have her with us at the meeting in Alexandria.

William Peeples, Chair

Youth Serving Ministries

The Annual Conference Committee on Youth Serving Ministries exists to promote the use of Boy Scouting, Camp Fire and 4-H Clubs by the churches of the Louisiana Annual Conference. A most important emphasis in all of these programs is the use of the Religious Emblems programs more commonly known as the God and Country series. The committee feels that these youth serving agencies are ready-made avenues that the Church can use to reach out into the homes of the various communities in the State. These ministries do not compete with the other ministries in the Church--They complement what the Church is already doing and are excellent means of evangelistic outreach.

The committee is composed of the Coordinators of Youth Serving Ministries in each district of the Annual Conference. Some districts still use the term Scouting Ministry, but we are encouraging Youth Serving Ministries because of the broader terminology. There are also a few at-large members chosen because of their involvement in one or more of the ministries.

This past October we placed a full-page pictorial description of the Youth Ministries in the Louisiana United Methodist. We hope to be able to do so again this year. We also have two Bishop's Banquets for Youth Serving Ministries scheduled for 1991; the first one will

be the evening of September 26 in the North Shore District and the second will be in the Lake Charles District on November 10. More publicity will be forthcoming.

The Committee also recognizes these individuals who have rendered exceptional service in the Youth Serving Ministries. Last year we honored the Reverend Henry Bowdon with the prestigious God and Service Award. We also presented the Torch Award to Mr. Bradford Mayo of Lake Charles and to Mr. Edwin D. Brown of Lafayette. We will be presenting two Torch Awards at this coming session of the Annual Conference and will also be honoring some outstanding units with the Bishop's Award of Excellence.

Ray Holt, Chair

Single Adult Ministries

Effective as of the Convocation of Boards, the Single and Young Adult Committee has been separated into two committees. This recognizes the need to see singles as adults of all ages and as a population that overlaps, but is not synonymous, with young adults. It is hoped that the needs of each of these important segments of our communities can be more effectively addressed.

Accordingly, a new Single Adult Ministries Committee is being formed involving both the district Single Adult Coordinators and clergy and lay leadership from vibrant single adult ministries in local churches throughout the Conference. In 1991 the committee will seek to: (1) facilitate communication between single adult ministries in the Conference, (2) encourage cooperation in ministry within cities and districts as well as across the Conference, (3) provide information on resource persons and materials, and (4) support and/or provide training opportunities for district and local church leadership.

Since single adults are substantially unchurched, the committee is formulating proposals for assisting local churches in reaching them and touching their lives during this last decade of this century. Greater involvement of, and more effective ministry with, single adults in the local church is an important part of this committee's vision for the Louisiana Annual Conference in the coming years.

District coordinators and leaders in local church single adult ministries are encouraged to attend the SCJ Single Adult Leadership Conference at Mt. Sequoyah, October 11-13, 1991. Several persons from our Conference are helping provide leadership for this event.

BOARD OF GLOBAL MINISTRIES

The Board of Global Ministries is responsible for many areas of outreach in Louisiana Methodism. Its work is done through sub-committees, the reports of which are presented for your review in preparation for Annual Conference.

United Methodists in Louisiana are hard at work bringing the Good News of Christ to people in our state and in our world. Thanks be to God for all who give their time, talents and resources in the continuing mission of the church.

1. Church Extension and Revitalization

This has been a banner year for Church Extension. Action taken at the 1990 session of the Annual Conference provided for many new opportunities for Christian ministry through new local congregations. The churches and ministries established are the direct outgrowth of a conference-wide study conducted in 1989.

1) Evangeline United Methodist Church in Baton Rouge began as a new congregation on Easter Sunday, April 15, 1990. Renovations have been completed during this past year on the church buildings that have allowed for more fellowship and service opportunities for their new congregation. A renewed and strengthened United Methodist presence is being provided in this transitional area of Baton Rouge through this growing church.

2) Trinity United Methodist Church in Bunkie is another product of Church Extension. Trinity was organized on June 12, 1990 and dedicated on October 28, 1990. It is the first new church organized in the Alexandria District in twenty-nine years. This church is ministering to the surrounding community as it begins to draw new members into the Christian faith.

3) Fellowship United Methodist Church in Bossier City held its organizational service in December of 1990 following seven months of visitation, fellowship service, Bible study, prayer and planning. The organizing pastor and new members conducted a mammoth telephone invitation campaign that assisted greatly in recruiting the 250 persons who participated in the first worship service. The church is continuing to develop through regular worship, Bible study, choir, UMW, UMY, ongoing visitation programming and many other signs of mission and ministry. Plans are being explored for the building of the first unit.

4) Genesis United Methodist Church in Baton Rouge was organized on Sunday October 28, 1990 with 65 people in attendance. It was dedicated on January 13, 1991. The first service was the culmination of a series of several weeks of door-to-door visitation and follow-up by mailing by the pastor and volunteers from neighboring United Methodist Churches. Genesis is already assisting in ministry to the community, especially through cooperative programming with local elementary schools. In addition to community service, the emphases for this new church are evangelism, Christian Fellowship and nurturing ministries.

5) North Lafayette is the most recent site for a new United Methodist congregation. Davidson Memorial United Methodist Church in Lafayette was discontinued on Palm Sunday, March 24, 1991 and from it a nucleus for the new congregation began. The new church opened its doors for worship on Easter Sunday, March 31, 1991. Extensive research and planning was done in preparation for the new congregation. Direct telephone invitations and follow-up mailings were a key to the response of 170 people who celebrated Easter Sunday in the new church home, temporarily located in an elementary school. Many residents of the area surrounding the North Lafayette property have indicated a strong interest in joining this United Methodist Church. The 1000 Club of the Conference Board of Laity is in the process of raising money to assist this new church in building its first unit.

In addition to these new congregations, the Conference has bought property for a new church location in LaPlace, is cooperating with the Cornerstone United Methodist Church in a loan from the United Methodist Development Fund, and has assisted in the establishment of the Istrouma Metropolitan Methodist Mission Center in Baton Rouge in 1990, and the New Orleans Urban Ministries to begin in 1991. The Conference is currently underwriting the salary support of ministers in eight new congregations throughout Louisiana.

The Committee on Church Extension and Revitalization is now in the process of a re-evaluation and selection of sites for new congregations in 1991 and beyond.

We ask that you continue to pray for the development of new and revitalized congregations. The establishment of new congregations will pay benefits in mission and ministry to the entire Conference, for it is in the sowing of these seeds that we reap new dynamic growth.

John Porter, Chair

2. Volunteers In Mission

Volunteers in Mission has organized a Conference Committee which has the following Mission Statement and Goals:

Mission Statement

The Louisiana Conference Volunteers in Mission Committee exists to inform, promote, and train lay and clergy persons in the Conference to become involved through prayers, gifts, and service in United Methodist mission projects on a local, state, national, and international level, thus fulfilling this Great Commission.

Goals:

1. Provide adequate printed material for those considering, planning, or preparing for a VIM project.
2. Secure funding for the Conference VIM program through an Advance Special and through the Conference Board of Global Ministries budget.

3. Have a VIM presentation in every district in cooperation with the District Board of Global Ministries Coordinators.
4. Cooperate with the Conference Disaster Committee in preparing for coordination in time of emergencies.
5. Approve yearly a list of projects in the Conference approved by this Committee and also by the Board of Global Ministries.

George Duerson, Chair

3. Hunger Task Force

Jesus said: "In whatsoever you have done it to one of the least of these my brethren, you have done it unto me!"

The Hunger Task Force of the Louisiana Annual Conference invites you to do something for those who are hungry.

Locally: The Harvest of Hope

The Harvest of Hope is a week-long work/study program for youth that helps the needy in our "own backyard" by salvaging produce that otherwise would be left in the fields to rot. In the short time that the Harvest has been active in this state, over 400,000 lbs of produce has ended up on someone's table rather than going to waste. The Harvest, however, addresses the needs of the hungry in more than one way.

Through the Harvest of Hope experience, the youth who participate become more aware of hunger and the ways in which their faith in Christ calls them to respond. We hope, also in 1991, to begin establishing a gleaning network which will greatly increase the amount of food we can salvage and the number of hungry people we can serve.

At present the Louisiana Harvest of Hope is for the most part self-funded. Therefore, expansion and program development depend completely upon outside gifts. All donations would be greatly appreciated. For instance, \$85.00 would sponsor an underprivileged youth who otherwise could not attend. For more information about the Louisiana Harvest of Hope contact: Rev. Rob Weber, P.O. Box 388, Benton, LA 71006.

Nationally: Bread For the World

Bread for the World is a Christian citizens' lobby that focuses solely on hunger. As individuals, members of Bread for the World work in local soup kitchens and food pantries and give to their denominational hunger appeals. They also know that a single decision by Congress or the president can undo—or multiply many times over—the good their voluntary contributions do.

So, as Bread for the World members, they use their influence as citizens to support national policies that will meet the immediate needs of hungry people and address those problems and situations which leave people hungry in the first place. Wouldn't you like to be a member of Bread for the World? For more information write to: Bread for the World, 802 Rhode Island Avenue, N.E., Washington, D.C. 20081, (202) 269-0200.

Internationally: The Fish Project

"Give a man a fish and he eats for a day. Teach a man to fish and he eats for life." This is the basic philosophy of the FISH program. The FISH project is a world hunger scholarship program that allows students from underdeveloped, food-deficit countries to come to L.S.U. and learn modern techniques for food production that they can take back to their own land. Through this program, as followers of Christ, we can provide an opportunity for children not yet born to mature in health and self respect, better able to fulfill the potential that God has given them. For more information on the Fish Project you may contact: Dr. William H. Patrick, Jr., Boyd Professor of Marine Sciences, Louisiana State University, Baton Rouge, LA.

4. Report of the Conference Secretary of Global Ministries

It is the responsibility of the Conference Secretary of Global Ministries to serve as liaison between the General Board of Global Ministries and the Annual Conference. This includes promotion of the Advance (the name given to the mission work of United Methodists), interpreting the work of the United Methodist Committee on Relief, and working with local and district mission leaders in the work of the Church.

It is difficult to paint a bright picture of our conference's support of the Advance in 1990. Our financial support of the General Advance dropped to the lowest amount in the past three years. The per capita giving of Louisiana United Methodists was only \$1.19 which, when compared to the previous year's \$1.69 per member giving, represents a decrease of 29.6% toward our support of the general mission program of the Church.

One bright spot of our missional giving is that churches coming "on board" for Covenant Relationships with missionaries out-number those who, for one reason or another, cease those relationships. As of March 20, 1991, forty-six churches from our conference are in support of at least one United Methodist missionary. This represents fifty-three Covenant Relationships, each being an agreement between a local church and a missionary for \$3.00 per member or \$1,000 minimum (whichever is least). Many of our churches go beyond this amount and contribute multiples of the sum needed to go on a relationship with a missionary. These missionaries serve in thirteen different countries from Sierra Leone to Brazil to India to El Salvador to Mozambique. The churches in our conference that support missionaries range in size from over four thousand members to fifteen members and come from every district.

Churches in our conference are urged to support the General Advance in their budget and "second mile" giving. Also, support of the UMCOR Hunger Appeal is an ongoing request as is the Partner Churches in Crisis appeal. The latter is quadrennial appeal for support of existent ministries in "Third World" nations.

In addition, congregations are asked to remember the special Bishop's Appeal for emergency relief to the Philippine earthquake victims and to those affected by the civil unrest in Liberia. Pastors have the necessary information on these special appeals.

Steve Caraway, Chair

5. Promotion, Education and Cultivation

The Committee on Promotion, Education and Cultivation continues to keep Louisiana United Methodists aware of mission needs and opportunities through:

PROMOTION of missions through communications, involving the local church, the districts and the conference.

EDUCATION of God's people, emphasizing the importance of mission.

CULTIVATION of mission through participation in Conference and General Advance Specials by all local churches.

Each church and individual is urged to share the rich blessings of involvement in mission through prayer, and the giving of self and of resources. These mission opportunities are for your consideration.

The Advance

In this forty-third year of the Advance, the PEC Committee encourages all churches to participate in this truly great way of being in mission. Through the Louisiana Conference Advance brochure, which describes the seventeen Advance Specials within our conference, and through the General Advance catalog, Partnership in Missions, which lists thousands of mission projects around the world, each church can select from a variety of projects. 100% of each gift goes to the project selected.

8. Health and Welfare Ministries

The Health and Welfare Committee continues to encourage the observances of Access Sunday with distribution of worship materials through the Conference Coordinated Mailings. This observance increases awareness of persons with handicapping conditions in our congregations. Access Sunday will be observed on October 20, 1991.

A Committee on Ministries to Persons with Handicapping Conditions was formed in March of 1990. Sarabeth Atkins serves as Chairperson.

The major responsibility of the Health and Welfare Committee continues to be the promotion of offerings to support the five Health and Welfare Ministries of our Conference. The Good Samaritan Ministries are Lafon Home, Pendleton Memorial Methodist Hospital and Peoples Community Center, all located in New Orleans. Offerings which benefit the Methodist Home of New Orleans and the Methodist Children's Home in Ruston are taken on Mother's Day and at Christmas.

This new offering plan was first observed after June, 1990. In the coordinated Good Samaritan Offering benefitting the five Conference institutions taken at Easter, 1990, \$116,307.97 was received. The October Good Samaritan Offering benefitting 3 institutions was \$46,126.11. The Children's Home Offering, taken at Christmas, was \$16,917.58, making a total of \$179,351.66. This was \$29,250 less than the coordinated offering taken in 1989.

Mary Margaret Barr, Chair

Committee on Ministries to Persons With Handicapping Conditions

This Committee was organized as a subcommittee of the Health and Welfare Committee. "Is Your Church Accessible?" Bookmarks were distributed at 1990 Annual Conference. Sarabeth Atkins, Chairperson, spoke briefly at Annual Conference, explaining the Committee's purpose, and invited interested persons to become members.

Mickey Stringfield attended the National Consultation for Physically Challenged Clergy in Nashville in November 1990 as a representative of the Committee.

Observance of Access Sunday on October 21, 1990 was encouraged by including worship suggestions in the October Coordinated Mailing. Access Sunday will be observed on October 20, 1991.

Plans are being made for a seminar November 8-9, 1991, in the Lake Charles District that will help local churches learn how to develop ministries to meet the needs of persons with various handicaps - mobility impairment, hearing, sight, developmental and emotional disorders, etc. This will be a model for seminars to be held in other districts in the future.

AIDS Task Force

-All summer camps around the state were contacted and were provided with AIDS education specific to the age group.

-The Task Force was granted \$1,000 during Annual Conference to be used through December 31, 1990. Among other items, all district offices were provided with the video "THREADS OF LOVE" produced by Gen. Bd. of Global Ministries, Health & Welfare Dept., and a copy of Terry Boyd's book, AIDS: One Christian's Struggle.

-An exhibit was made for Annual Conference and stocked with a large quantity of brochures. These items numbered approximately 3,000 pieces and were distributed to all who stopped at the exhibit to ask questions. A high percentage of those who stopped and inquired were from the Black community. This is significant since

Blacks are disproportionately affected by the AIDS crisis in Louisiana. It should be noted that all of the brochures that were distributed were donated by NO/AIDS Task Force in New Orleans. This represents approximately \$450 in cost that we would otherwise not have been able to afford.

-The New Orleans, Baton Rouge, North Shore, and Acadiana District Preachers' Meetings have all received presentations concerning the spiritual, ethical, and social dimensions of AIDS, along with basic medical information and suggestions as to directions the church can be taking in responding to those infected and affected by AIDS.

-Each district was asked individually to declare a Sunday as AIDS Awareness Sunday. December 2nd was recommended, as December 1st was World AIDS Day. Several churches observed it.

-The task force has become an organizational member of the AIDS National Interfaith Network (ANIN), and as a result, we are advised of legislative reforms and funding bills that are introduced, and are able to write, telephone, and send telegrams to our respective Congressman to ask for their support of bills before Congress. Through its mailings, we are also kept abreast of programming and events provided by religious groups around the country. Networking with others around the country is proving to be invaluable.

-At the ANIN national conference in Chicago held in September, I was able to participate in a meeting of United Methodists concerned with HIV/AIDS. In that meeting several specific ideas were adopted on ways to co-ordinate the efforts of the United Methodist Church throughout the country in combating AIDS.

-I attended the National United Methodist Student Conference in Louisville, Ky. between Christmas and New Years as a workshop facilitator for an AIDS workshop. "AIDS: The Gospel Imperative". It was discovered that at least one-half of the students were very unclear about very basic AIDS facts. This fact underscores what we have been preaching, that although we have been busy, we still have a lot of outreach to do, as this group is the most likely to become infected with HIV.

-Plans are now being formulated to sponsor a poster contest of all Sunday School students to heighten awareness among the youth of our church. This would be an excellent way to reach the young in a non-threatening manner. Dependant upon funding for this year, we hope to provide Sunday Schools with a workbook/coloring book in cartoon format to do additional AIDS education.

-Again, dependant upon funding, we plan to purchase the book, "AIDS: A guide to Survival" from the Harris County Medical Society in Houston, Texas. They are sold in increments of 100, with the cost being \$.25 each plus 15% postage and handling.

-Retreats are now being studied as a way to reach out to the AIDS/HIV community and its care-giver. Special consideration is being given to location of accommodations to nearby medical facilities in cases of emergency. Several conferences around the country have had great success with these retreats, and report

that many PWAs and significant others have responded with great enthusiasm when told about and reminded of the Love and Grace of God, and His forgiveness.

-Plans also are presently underway to provide resource information during the summer camps for this year. We will attempt to reach even the younger age groups this year, in addition to the junior high/high school aged youth.

-As ever, there are pockets of resentment and rejection we have dealt with around the state, but they are becoming fewer and fewer as the AIDS crisis touches the lives of more and more of us. They, too, are coming to realize that as we already know, "OUR CHURCH HAS AIDS".

9. Dulac Community Center

Spring Brings New Life!

With the coming of spring, comes the budding of new life. In Dulac, Louisiana there was something else bursting forth this spring! It will be a new beginning for the Dulac Community Center. For the past five-and-a-half years, the Community Center has been in a semi-dormant stage. In the past, the Center was bursting forth with many programs, serving many individuals living within the Dulac and Grand Caillou communities. During more recent times, the Center's operations have been reduced to programs that could be performed out of the office/apartment or in individuals' homes, following the resulting flood waters of Hurricane Juan in October of 1985.

BUT, with the coming of spring, new life comes with a new multi-purpose building and a completely renovated recreational building. The renovations and expansion of the facilities are the work and efforts of many individuals who have labored long, hard hours and have overcome obstacle after obstacle. The funding for the renovation and expansion project has been a result of the Women's Division of the Board of Global Ministries. This spring, the Center will be budding and "putting out" new growth and programs, much of which will begin shortly after moving in.

Picture this in your mind. Jesus told His disciples, "You shall be witnesses unto me . . . unto the uttermost part of the earth." (Acts 1:8) Jesus was referring to Dulac, Louisiana. Dulac fits the criteria for being the uttermost part of the earth. The Webster's New World Dictionary defines the meaning of uttermost or utmost as being, "situated at the farthest point or limit; most extreme or distant; farthest." Dulac is the ending point of several roads running between and over bayous before ending at the marshes. For many, Dulac has seemed to be the end of the earth and has become the refuge of many who have sought isolation from the rest of the world, namely the Native American population. For some, Dulac is the place their families have lived for decades or even a century, and they too will live their lives. For others, it is the "stepping off" place for the Gulf of Mexico. Along the lengthy drive south of Houma, much of what one would see are beautiful shrimp and fishing boats, disguising many of the apparent needs of those living along the bayous.

The Center is presently a project related to the National Division of the General Board of Global Ministries for The United Methodist Church. The buildings and grounds are owned by the Women's Division of the General Board. The Center is a federally recognized 501 (c)3 non-profit organization which is governed by an extremely active Board of Directors, made up of fifteen members and six active ex-officio members. The Members of the Board are made up of a cross section of equal portions representing The United Methodist Church, the community (contingency) served, and the community at large. Many of the board members are from accomplished or professional fields bringing their skills, abilities, and expertise into the realm of decision making.

The Center has for its primary goal to provide social services to the disadvantaged, low-income population of the Dulac area. Many of the programs are directed to the Native American population, due to their large number within the Dulac area, but the programs are open to anyone living in the vicinity of the Center. The Center's main purpose is to seek ways in meeting the social, emotional, economical, and physical needs of the people. At the Center, our emphasis is placed on the individual, rather than the programs. Our primary focuses have been placed upon children, women, and families, and will remain so. Working through the various programs at the Center, our objective is to produce an individual who is empowered, inspired, and enabled to be all that God has intended and created him or her to be.

The existing programs at Dulac include the Community Girl's Club, the Child Advocacy Program, and the Emergency Food Bank. The following programs will be placed into action as funds become available: Day Care and Early Childhood Development (Preschool) Program, Adult Education, Family Recreation, Children's Summer Enrichment and Recreation, Youth Enrichment, Children's After School Enrichment, Head Start and Senior Adult Programs. Other programs to begin in the near future are Case Management Program, Home Repair and Weatherization, Arts and Crafts, and Economic Development.

10. Lafon Methodist Home

Since 1984 Lafon has served the greater New Orleans area by providing quality long-term nursing care for its residents. We are home to over 90 elderly individuals and enrich their golden years with a family atmosphere that goes well beyond the usual arena of nursing service.

With the recent implementation of new federal guidelines, we are now considering a nursing facility. This new characterization allows us to provide services for the skilled individual who requires more intensive nursing care.

Within days of admittance, a new resident is assessed and evaluated by Nursing Service, Social Service, and the Activity Dept.. An individual plan of care is developed and tailored to meet the needs of that individual. The plan is reviewed and updated every 90 days, or sooner in the event of a substantial change in the resident's condition.

Family participation is strongly encouraged in the on-going care of our residents. This provides a continual link with their former environment and that of the nursing facility. Regular family meetings are held to keep members abreast of any changes in facility policy and/or their relative's care. This allows for continual input of the families and residents during their stay at the Lafon Methodist facility.

While aging is an inevitable part of life, it need not be a negative experience. Here at Lafon we strive to provide an environment full of energy and free of the negative stigmas which are usually attached to nursing home environments.

Edward "Sandy" Lang, Administrator

11. Louisiana Methodist Children's Home

The Board and staff are pleased to report that 1990 was a very successful year in terms of services provided to children, youth and families within the Louisiana Annual Conference.

The direct care services remained populated at capacity throughout the year. A total aggregate number of 355 children were served in the Home's various programs of residential and direct care. During the year a total of 506 individual children were referred to the Home. Many children went unserved due to the lack of bed space and funds to provide more direct care.

During 1991 there were 152 new families that received family counseling services through the Family Development Center. A total of 320 individual clients and family members received counseling. A total of 66 former residents were provided with follow-up after care services during 1990.

During 1990 the Howard Education Center served a total of 106 youth in Emergency Shelter, Evaluation and Residential Care Programs. Seventy-one new youth were admitted and 41 moved through the regular classroom and on to either public school or left the Home for other placements.

Methodist Children's Home received a total operating income of \$2,611,285 during 1990. Contributions received directly by MCH were 9% of the total. The Church Offering provided 4% of the income. Interest earned from the Home's invested funds provided 28% with the remaining 58% coming from purchase of service fees. The total operating program expense was \$2,548,367.

The Louisiana Methodist Children's Home Board of Directors requests the following action by the Louisiana Annual Conference:

The election of these persons to board membership with terms expiring in:

1994-	Mrs. Robert Green Hinton	Mr. Welton Brumfield, Jr.	Rev. H.A. Harrington
	Mrs. Rosemary Ewing	Mr. L.D. Napper	

1993 – Mrs. Rosalie McInnis

Terrel J. DeVille, Executive Director
L.D. McGehee, President, Board of Directors

12. MacDonell United Methodist Children's Services, Inc.

MacDonell United Methodist Children's Services, Inc. is a child care agency located on an oak tree shaded campus at 1210 East Main Street in Houma, Louisiana. The property is owned by The Women's Division of The United Methodist Church. The National Division of the General Board of Global Ministries is responsible for our program. The agency is governed by a Board of Directors made up of 15 elected citizens from across the State of Louisiana. There are also five ex-officio and seven honorary members on the board.

Since 1919, MacDonell's mission has evolved to meet the ever-changing needs of the children of South Louisiana. Over the last decade, MacDonell has grown into a very different type of child care agency. We are now licensed to provide 24 hour-a-day care, education and Christian nurturing for 36 permanent residents. Residential care is provided for children with problems that prevent them from living in a family setting. The majority of admissions are for boys and girls between the ages of five and sixteen who have the potential to achieve in public schools. Even though children are accepted from anywhere within the state of Louisiana, most children in our care are from the parishes of Lafourche, St. Mary and Terrebonne so services may be rendered to the families whenever there is a possibility of reconciliation. The rules for acceptance and participation in the program at MacDonell are the same for everyone without regard to religion, race, color, national origin, age, sex, or physical challenge. Anyone considering placing children at MacDonell should contact our office.

The goal of treatment at MacDonell is to work in partnership – whenever possible – with parents and children, and to assure the child of his right to his own family. Professional counseling services are arranged for and provided by MacDonell.

Life at MacDonell utilizes the unit plan of group living in three residences on our campus. The child care staff is on three, eight-hour shifts similar to that of a hospital setting. The "cottages," as the residences are called here, are decorated with modern colors and furnishings to instill a sense of love and warmth in the environment. The children are encouraged to learn self-reliance by assisting with routine household tasks.

Most of our children attend public schools. An on-campus classroom with limited student/teacher ratio is available for children, both in our residential program and the immediate community, who meet the criteria outlined by the Terrebonne Parish School Board.

MacDonell welcomes all inquiries concerning services. Representatives from our staff are available for speaking engagements to interested groups and organizations. We are always happy to arrange tours for groups and individuals by appointment. We do not give

tours while the children are on campus in order to protect the confidentiality and preserve the dignity and trust of the children we serve.

As recommended by the Child Welfare League in America, the President is required to hold a Master's Degree in social work (MSSW). The Board of Directors requires that the President, G.J. "Jerry" Bridges, be certified and licensed by the State of Louisiana (BCSW) to practice social work and belong to the Academy of Certified Social Workers (ACSW).

Michael Guidroz (ACSW, BCSW) is Vice President of Social Services, and is also required to have a Master's Degree in social work. He is responsible for completing an intake study when a child is referred here that determines the needs of the child, and assists in the decision as to whether or not the agency can meet these needs. Each child receives counseling on a one-on-one basis.

The social services staff also provides counseling for families, and married couples who do not have children in our residential program. Fees are on a sliding scale basis.

The children in care at MacDonell have been frequently exposed to a tremendous amount of stress prior to entering our program. A great deal of loving, nurturing care is required to help them grow and develop toward their greatest potential.

MacDonell depends heavily on the Louisiana Office of Community Services for fee payment for children placed in custody. Due to the economic climate, these funds were drastically cut during the past few years. We also receive assistance from the Board of Global Ministries of The United Methodist Church, and private donations from churches and individuals. Seventy-five percent of all income goes directly to help the children we serve. The remaining 25% is utilized for administrative salaries and expenses such as printing, office supplies and equipment, etc. Each day we become increasingly reliant on the generosity of individuals and organizations.

Last year 12,605 child care days were provided through the residential, emergency, and Residential Family Care programs. During this past year, 49 children used our residential program and approximately 36 families utilized our Outpatient Therapy Program.

13. Methodist Health Systems Foundation, Inc and Pendleton Memorial Methodist Hospital

Since 1968, Pendleton Memorial Hospital has offered a full range of acute care services, ministering to the physical as well as spiritual needs of our patients. The focus of this care is delivered within the context of our Christian mission reflecting the spirit of the greatest healer of all, Jesus Christ.

Methodist is a 317-bed community hospital situated on 22 acres in East New Orleans. As a nonprofit organization, Methodist provided inpatient services to over 9,400 patients, and outpatient services for nearly 15,000 visits during this past fiscal year. Approximately 1,300 babies were born at the hospital during that time. Over 21,500 patients were seen in our Emergency Department.

Methodist Hospital is blessed with over 900 highly motivated employees imbued with the spirit of caring instilled by the Louisiana Conference. These individuals discharge their responsibilities keeping the spiritual, as well as physical needs of the patients foremost in

mind. In addition, Methodist is served by a staff of over 275 physicians covering virtually all the specialties and subspecialties of medicine.

Expenditures associated with the services provided by Methodist totaled approximately \$60 million last fiscal year. During this same time, donations from the United Methodist churches in the Louisiana Conference totaled \$5,600. These contributions helped provide a portion of the over \$560,000 of free care which Methodist Hospital provided during this past fiscal year through its financial assistance program.

The Board of Directors of the Methodist Health System Foundation, Inc. includes M. Kenneth Schor, Chairman; Judge Thomas L. Giraud, Vice Chairman; Charles E. McHale, Jr., Secretary; Willis A. Baker, Treasurer; Marian Eggerton and Jack T. Styron, Members; and Frederick C. Young, Jr., President.

The Foundation, which functions as a holding company, has a number of subsidiary corporations and operations. The purpose of the Foundation, as well as the subsidiaries, is to provide additional economic resources to Methodist Hospital, particularly in this time of increasing competition and general economic downturn. As such, the Foundation's primary goal is that of ensuring that Methodist Hospital is able to build upon its tradition of providing healthcare to the Greater East New Orleans community and beyond. While most of these subsidiary operations are involved in activities outside the hospital proper, they are involved with healthcare-related services, most of which are on a freestanding basis.

The Methodist Psychiatric pavilion is a good example of a subsidiary operation which provides an unmet clinical need within the community in the area of mental health and substance abuse. At the same time, it provides an economic return to the Foundation and subsequently to Methodist Hospital.

Current social and economic forces encourage that surgery be performed on a same day basis whenever possible. Advances in clinical technology also enable more surgical cases to be done on a same day basis. Methodist Ambulatory Surgery Center assists Methodist Hospital in competing effectively on this front by offering cost-effective, high-quality, and convenient surgical services. The Center is a joint venture between the Foundation and a group of surgeons associated with Methodist Hospital.

Methodist Hospital recently acquired the latest medical advancement for the treatment of kidney stones. Methodist is the only hospital in the East New Orleans area to provide this new technology to the community.

One of the fundamental changes which has occurred within the healthcare delivery and payment system has been the development of "managed care" programs. As such, Methodist Hospital has proactively sought to be a major force within the realm of managed care in the New Orleans marketplace. By virtue of its convenient location, and broad-based, high-quality services offered at competitive prices, Methodist Hospital has been sought as an institutional provider by virtually all of the managed care programs entering the community, and has become the provider of choice in East New Orleans.

The Methodist Occupational & Industrial Medicine Clinic provides prompt, economical health care services for employees of metropolitan area businesses by providing

a wide variety of services from emergency treatment for injured or ill employees to rehabilitative care.

The Physicians Medical Plaza is currently under construction. The Plaza will be a three-story, 50,000 square foot structure with 150 associated parking spaces. Suites will be custom designed to meet the individual needs of the practice of each physician. Completion is scheduled for the summer of 1991.

The Methodist Cancer Center recently celebrated its second anniversary. While Methodist has the capability to provide for surgery and chemotherapy, radiation therapy treatment has not been available in East New Orleans. The Methodist Cancer Center adds the dimension of radiation therapy and allows us to provide a comprehensive cancer treatment program.

The Jonathan Owen Nelson Cancer Fund has been established at the Methodist Health System in memory of Jonathan Nelson, son of Chaplain Judy Nelson. Through his mother's dedicated services as a Chaplain at Methodist Hospital, and as a result of his illness, Jonathan became interested in supporting cancer research and treatment programs associated with the Hospital. Funds designated for this special fund will be used for treatment, research, equipment and any other needs that will advance the cure of cancer through the Methodist Health System.

Due to the high volume of utilization, which far exceeds projections for the first two years, the Methodist Cancer Center will be expanded to accommodate the increase in patient usage. Completion is scheduled for the summer of 1991.

The Methodist Neurosurgery Center provides treatment for disorders of the brain, spinal cord and major peripheral nerves.

Over 5,500 members have joined Senior Focus for adults 55 and over. Recognizing the special health care and financial needs of older adults, Senior Focus offers a package of health-related services and activities.

Methodist Hospital has made an educational commitment to the United Methodist ministers of the Louisiana Conference, offering a series of lectures and programs that qualify for continuing education credits.

The Hospital again hosted a Clergy Orientation Day for ministers throughout the State of Louisiana. Chaplains Durbin and Nelson hosted a tour of the hospital, as well as of the freestanding facilities.

Members of the United Methodist Clergy will receive a special 20% discount on their portion of the bill for services rendered at Methodist Hospital. Clergy from other denominations may receive a 10% discount under this program.

The Methodist Psychiatric Pavilion, through a special arrangement with the Louisiana Conference, offers psychiatric evaluations for individuals who enter the ministry.

Methodist Hospital requests the reappointment of Chaplain Paul Durbin as Chaplain

and Director of the Department of Pastoral Care, and the reappointment of Chaplain Judy Nelson as Associate Chaplain.

14. Methodist Home of New Orleans

The Board of Directors and staff of The Methodist Home of New Orleans are pleased to report that 1990 was a most successful year for services to the children of Louisiana and their families. During 1990, The Methodist Home of New Orleans continued its ministry of treatment, parent education and training through a second year of commitment of a grant provided by The German Protestant Orphans Asylum. This grant allowed the Home to operate satellite counseling centers throughout the Greater New Orleans Area.

During 1990, 185 children received Shelter Care, Moderate Intervention, Residential Family Care, and Diagnostic and Evaluation services under the umbrella organization of The Methodist Home of New Orleans. The Home provided care for children and youth, ages birth through fourteen years, from twelve parishes in our state.

The Methodist Home of New Orleans received operating income of \$1,640,489.59 during 1990. Contributions were 12.60% of that total. The Good Samaritan Offering provided 2.8% of that income. Interest accrued from the Home's Investment funds provided 2.10%. The remaining 85.3% came from the state purchase of services.

The Board of Directors of The Methodist Home of New Orleans requests the following action by The Louisiana Annual Conference:

- 1) The election of the following persons as officers of the Board:

Rev. J. Roddy Taylor – President
 Dr. Elton Harrison – Vice President
 Dr. Clyde Frazier – Secretary
 Mr. Rodney P. Frisard – Treasurer

- 2) The election of the following person to Board Membership with a term expiring in 1993:

Mrs. Jackie Bartlett

- 3) The election of the following persons to Board Membership with a term expiring in 1994:

Mrs. Mae Calvin
 Rev. Percell Church, Sr.
 Ms. Gail McGlothlin
 Rev. Ken Fisher
 Rev. Ken Irby

4) The appointment of a part-time chaplain for the year 1991 - 1992.

5) The approval of dates for the Board of Directors for 1991 - 1992, as outlined by the By-laws of The Home:

November 21, 1991

March 12, 1992

November 19, 1992

15. Peoples Methodist Community Center

Since our last report to the conference in June, 1990, Peoples Community Center has continued a stable path of program service delivery. Our three program initiatives have remained vital in addressing the needs of poor inner-city residents.

The Child Care Program has maintained an average weekly attendance of 60. While this represents a decrease in enrollment and attendance from the previous year, it is an anticipated decline due primarily to an increase in fees. The average pre-school fee has increased from \$25.00 per week to \$28.00 per week, and the fee for infant care has increased from \$27.00 per week to \$30.00 per week. Peoples Child Care Program is now a provider for the new government supported "Project Independence", a project of the welfare reform program.

The Tutorial/Latch Key Program is now combined with our Summer Camp Program and provides services to school age children, primarily during the summer months. A unique initiative for a more effective implementation of the fall program is under consideration now. This initiative involves deploying tutors to churches to tutor and care for children during adult Bible studies, choir rehearsals and other regular evening activities of local churches, including mid-week worship service. During the 1990-91 conference year, this program has served 47 school age children.

Therapeutic Ministry is a unique counseling and treatment model which focuses on spiritual empowerment. This is the second year of the program's operation and it continues to grow in the provision of services by social work students and volunteer mental health professionals. This year, our caseload has averaged 25 participants in group and individual sessions.

Administrative and budgetary conditions are stable. Funding from United Way for 1991 is \$42,440, a slight increase over the 1990 funding level of \$41,660. Self generated revenue for 1990 was \$218,815 including \$14,000 from The United Methodist Church - all sources. A note of special thanks to the Ruth Carter Auxiliary of Peoples for a brand new freezer this year. On behalf of the Board, staff, and participants, I express our sincere thanks to the Louisiana Conference for our continued support of Peoples Community Center.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

The work of the Board of Higher Education and Campus Ministry sometimes seems routine. In the same way, the work of a local congregation sometimes seems routine. Yet, there is nothing routine about the work of Christ when it comes to higher education. We in Louisiana are fortunate to have two of the finest institutions of higher education related to The United Methodist Church within the bounds of this Annual Conference. We commend the work of Dillard University and Centenary College. We are also fortunate to have two of the finest presidents of United Methodist related colleges in Dr. Samuel Cook and Dr. Donald Webb. We regret that Dr. Webb has decided to retire; and we, the Board of Higher Education and Campus Ministry, have gone on record applauding the work of Dr. Webb over the last several years while he has served as president of Centenary College. Don has done an outstanding job and he leaves a wonderful record for others to build on.

The major work of the Board of Higher Education and Campus Ministry is the oversight of not only our two United Methodist related colleges, but also our local campus ministry units. This year we entered into an arrangement with the Presbyterian Church in north Louisiana where we will begin a Cooperative Program to both work together with certain sites and to study future possibility of expanded campus ministry. Shreveport is an area where there is no active campus ministry and there are six institutions of higher education related to the state. We believe that cooperative effort with the Presbyterians in north Louisiana will enable us to examine not only that, but also to continue a presence in Grambling. It is our hope that a minister will be appointed to begin a new style of campus ministry in the Grambling community. We are pleased with this arrangement with the Presbyterians and we hope that we will be able to expand our work with other denominations on the campuses throughout Louisiana.

The major issue for campus ministry continues to be funding. Each of our units for 1991 is taking a cut. They do this in good faith that by the end of 1991 the churches will have paid their apportionment and we will be able to restore them to the same level of 1990.

The Board of Higher Education of the general church has passed a resolution requesting a study of campus ministry for the next quadrennium. Our Board was asked to concur with this, which we did. You will see that resolution at the end of this report and we ask that the Annual Conference also go on record as being supportive of this resolution to highlight the importance of campus ministry for this next quadrennium.

Don McDowell, Chair

The Annual Conference approved the resolution to General Conference as requested by the Conference Board of Higher Education and Campus Ministry as follows:

A CAMPUS MINISTRY SPECIAL PROGRAM
FOR 1993-1996:
CAMPUS MINISTRY: MISSION AT THE CENTER

WHEREAS, the Church of Jesus Christ seeks always to fulfill its mission of loving God with all of its heart, soul, mind, and strength, and its neighbor as itself, and

WHEREAS, since its founding in 1784, American Methodism has carried out a vital ministry in higher education both to train its own leaders and to shape the leadership of society, and

WHEREAS, that commitment continues today through the work of campus ministries at non United Methodist colleges, and through chaplaincies on the campuses of United Methodist related colleges, and

WHEREAS, in 1991 more than 13.2 million students and nearly 900,000 full and part time faculty will be on the campuses in the United States, and

WHEREAS, the campus has been the historic place at which both church and society have exercised leadership, educated future leaders, and provided access to leadership for racial ethnic persons, and

WHEREAS, those leaders will be asked to make far-reaching and often irreversible decisions affecting humankind: its churches and societies, its nations and regions, its earth and air, and

WHEREAS, the college years for traditional students are times of significant moral formation, and for non traditional and older students often occur in the midst of critical personal and career change, and

WHEREAS, The United Methodist Church, for the sake of its mission and its own institutional vitality, seeks to strengthen its ties with young adults and with the faculty and staff who will help shape society's future, and

WHEREAS, the Church seeks to make known God's call to Christian vocation for the whole body of God's Church and for the recruitment of ordained and diaconal ministers, and

WHEREAS, through campus ministry, the Church places itself at the center where values are tested and new identities are formed, where inquiry is encouraged and research is carried out, where, in fact, the issues of the world exist in microcosm,

BE IT THEREFORE RESOLVED that The United Methodist Church recognizes the critical importance of the campus and of its mission in that arena where lives are changed and world and church leaders are formed, and

BE IT FURTHER RESOLVED, that the 1992 General Conference of The United Methodist Church adopt "Campus Ministry: Mission at the Center" as a Special Program for the 1993-1996 quadrennium, funded at \$1,000,000, and that the Special Program be assigned to the General Board of Higher Education and Ministry for implementation.

Approved by GBHEM October 4, 1990

Centenary College

This annual report to my colleagues of the Conference is written with a degree of sadness: it will be my last, in that I am retiring as president of the College effective June 1, 1991. I will have just turned 65, and I have many things, including some writing, that I am anxious to get started on. It also seems to me to be the right time: the College is on a firm footing, and surely my successor will bring it along further and to even greater heights. I count my fourteen years here as among the happiest and most deeply rewarding of my life. Because Renee and I will continue to make our home in Shreveport, my ties to the College and the Conference will stay warm: we will help both, in whatever way we can.

The 1990-91 Academic Year has been one of important advance. Especially notable was that nine superb new faculty members joined us, of such outstanding preeminence as to make this a golden year in the College's history. Of particular interest to the Conference are the appointments of Drs. Daniel Hawk and David Otto in Religion, and Dr. George Newtown in Liberal Arts.

The new Peters Building includes the long-awaited United Methodist Archives Wing, which is a signal improvement for both the College and the Church. A state-of-the-art Music Library was built -- beautifully surrounded by the Lambert Memorial Garden. Improvements to the dormitories are going forward as a high priority, and the Cafeteria is under excellent new management.

Funds for the modernization of Mickel Hall of Science continue to be pledged: the total now stands at \$850,000. A major effort to increase scholarships will provide an extra \$250,000 a year in aid, and -- this may indeed be the most deeply satisfying achievement of our years here! -- faculty salaries are at last brought to a proper level.

A devoted United Methodist, Velma Davis Grayson, established by means of a gracious bequest, a Chair in Chemistry -- Centenary's eleventh endowed chair!

Finally, Centenary has received National recognition from publications like U.S. News and World Report, and Time, Inc.'s Money Guide Magazine (which ranked Centenary 26th for quality/dollar value in a list with Rice, Yale, M.I.T., Columbia, Duke, and Princeton).

More than anything in my years here, I am grateful for the co-ministry of Centenary and the Conference, in providing superb value-centered education for the students entrusted in our care.

Don Webb, President

Dillard University

Dillard University's continuous growth and program enhancement were evidenced by several factors during the 1990-91 academic year. Among these were the following: a record enrollment, the institution of innovative academic programs, commencement of a major building project, and the continuation of significant programs of social relevance and commitment.

The 1990 fall enrollment of 1,625 students is the highest in the history of the University. Included in this number were 619 freshman, another record figure. As in previous years, this quantitative growth is matched by marked qualitative improvements. This year's freshman class counts among its members 23 recipients of the University Scholars Award, the full-tuition scholarship bestowed upon the most outstanding students in the freshman class.

The University continues to set the pace among its competitors with such breakthroughs as its new degree program in Japanese Studies. When Dillard University began its historic Japanese Studies Program in the fall of 1990, it was not only the first and only one among historically Black universities and colleges in America; it was also the first and only such undergraduate program offered by a university in Louisiana and the South Central region of the United States. A striking testimony to the administration's efforts to position Dillard as an institution with a broad international curriculum and perspective, this program offers courses in Japanese language and culture.

To meet its expanding needs, Dillard University recently broke ground on a new \$6.315 million Fine Arts and Communications Center, projected to be completed by the summer of 1992. This 50,000 square foot building will house the University's art, speech, drama, mass communications and music program.

On November 27-28, 1990, the University held the second of its annual conferences on Black-Jewish relations. The 1990 conference was well attended by the representatives of both communities and was marked by frank discussions on the topics of education, economic equality, the media's portrayal of the relationship between Blacks and Jews, and the creation of a joint Black-Jewish project to improve the quality of life in New Orleans.

On November 12, 1990, Dillard announced the establishment of the National Center for Black-Jewish Relations at Dillard University. The center will serve as a meeting place for Black and Jewish leaders at all levels to discuss national and international issues, to work out differences amicably and intelligently, and to shape a renewed and enduring alliance.

Consistent with its commitment to producing academically sound graduates concerned with improving the human condition, the University implemented the "Homeless Poor Project" during the 1990-91 academic year. In this project students interacted with homeless persons, studied the systemic causes of homelessness, reviewed governmental policies affecting the homeless poor, and submitted formal recommendations for the remediation of this national tragedy.

In a related vein, and in keeping with its Methodist roots, the University again observed its recently reinstated Religious Emphasis Week, February 25-27, 1991. In a well-received program of public sermons, as well as classroom and dormitory discussions, this observation afforded students and the University family at large the opportunity to reexamine and reaffirm their spiritual commitment.

Further testimony to Dillard University's emphasis on producing graduates concerned with improving the human condition is the University's inclusion in the 1991 John Templeton Foundation Honor Roll, initiated to recognize character-building colleges and universities across the nation. Dillard University has made the Honor Roll for two consecutive years and is one of only two schools in Louisiana to receive the prestigious honor. The 1991 John

Templeton Foundation Honor Roll includes 108 outstanding schools, chosen from candidates nominated by presidents and development directors of the more than 1,450 institutions of higher learning in the United States.

Samuel DuBois Cook, President

Candler School of Theology

The beginning of the 1990-91 academic year at Candler School of Theology, Emory University, was marked by two special events. The Program in Black Church Studies was inaugurated, and Dr. Robert M. Franklin was installed as its first director. The D. Abbott Turner Village and Conference Center was dedicated a few days later, providing a reasonably priced residential facility for students, housing for the Mission Resource Center of The United Methodist Church, and space for many of the school's continuing education and outreach programs. These additions have enhanced program and facilities and advanced Candler's mission to train students "not merely as thinkers, but as practical workers in the Kingdom of God."

Candler is the largest of the United Methodist seminaries, with a typical enrollment of over 600 students in the school's five degree programs. Candler welcomed 119 students into the Master of Divinity program in 1990-91; the total enrollment in this program is 407 students. In addition to the M.Div., Candler also offers the Master of Theology, the Doctor of Ministry, and the Doctor of Sacred Theology degrees. Many of the approximately fifty full time faculty teach in the Ph.D. program of Emory's Graduate Division of Religion.

Candler's resources include the William R. Cannon Chapel, a distinctive and celebrated modern building designed by Paul Rudolph, serving as a center for worship, instruction, fellowship, and performance. The Pitts Theology Library is a repository for the second largest theological collection in North America. Among Candler's resources for outreach and research are the World Methodist Evangelism Institute, the Center for Research in Faith and Moral Development, and the Rollins Center for Church Ministries.

Candler's scholarship and financial aid resources were greatly enhanced by a two million dollar gift from Mr. and Mrs. Frank Sherman in December 1990. This gift brings the total endowment of the Sherman program to over four million dollars. An innovative matching program of support for Candler students, the Sherman Scholarship program supports United Methodist men and women who are preparing for the pastoral ministry of the Church.

Perhaps Candler's greatest resource is a distinguished faculty. Dr. Sally Purvis, Assistant Professor of Christian Ethics, joined the faculty in fall 1990. Ms. Kris Kvam also joined the faculty in fall 1990 as the Director of a new program in Women's Studies. Charles V. Gerkin was named Franklin N. Parker Professor of Pastoral Theology and delivered the spring convocation address.

Ministers' Week, Candler's conference for alumni/ae and area pastors, focused on the topic of "The Art of Preaching: Proclaiming the Gospel Today." With over 400 alumni/ae and other ministers registered, and with participants from as far away as San Marino,

California, the event was the best attended in recent years.

After almost fourteen years as Dean of Candler School of Theology, I announced my resignation effective August 31, 1991. This summer I will take up new responsibilities as Executive Director of the Association of Theological Schools in the United States and Canada. Throughout my tenure as Dean, I have appreciated the support Candler has enjoyed from its graduates and friends. I have also been the personal beneficiary of the friendship and support of many -- lay and clergy -- throughout the Church. For that and for our common ministry in The United Methodist Church over these years I shall always remain grateful.

Jim L. Waits, Dean

Iloff School of Theology

The Iloff School of Theology celebrates its 100th year of service to the church and world in 1991-1992. As a United Methodist Theological school, we seek to prepare persons for Christian ministry and other forms of religious leadership. Our motto for the year, "A Tradition of Innovation--A Century of Service," characterizes our history and our hopes.

Looking ahead we are concerned about the forthcoming shortage of pastors for our churches. United Methodism may soon face a crisis in leadership if more persons are not recruited for our seminaries. Lifting the call of Christ for Christian ministry must be a high priority.

Current enrollment at Iloff is 320 students in our degree programs (M.Div., M.A.R., and Ph.D.). 50.62% are women and 49.38% are men. About 50% of our students are United Methodist, with the rest coming from 25 to 30 other denominations. Persons interested in exploring studies at Iloff should call 1-800-678-3360.

Of central importance in preparing pastors is their training in preaching. Iloff is pleased that Dr. Thomas H. Troeger, formerly at Colgate-Rochester, will become the Ralph E. and Norma E. Peck Professor of Preaching and Communications in 1991. Author of ten books in preaching and pastoral care, Troeger will enhance Iloff's program in preaching, communications, liturgy and the arts. Three of his hymns, for example, are included in the new United Methodist Hymnal.

Thanks to the great generosity of United Methodists, Iloff now has a first rate faculty, offers continuing education to laity and clergy through the Iloff Institute, and is able to provide substantial scholarship help to students. We are deeply grateful for your support of the Ministerial Education Fund.

Dr. Donald E. Messer, President

Perkins School of Theology

This year has seen a number of substantive changes at the Perkins School of Theology. A modified curriculum has been introduced, and combined with new options available in the Intern Program, students can now plan to graduate in three years. A new schedule also makes it more convenient for persons who commute to the campus. The seminary recognizes the changing nature of its student body and is constantly seeking ways to facilitate their successful completion of their preparation for ministry. A new D.Min program focused on church growth will begin in the summer. Information about it is available from the Office of Continuing Education.

Professors John Deschner and William R. Farmer both retired this year. Their long years of service have been a part of the Perkins community. During the year we have mourned the death of Herndon Wagers. And we celebrated the establishment of an endowed chair in Biblical Hebrew and Old Testament Interpretation. This endowed chair was created by friends of Professor W.J.A. Power, and thus it bears his name.

Student enrollments for the academic year totaled 365 in the fall, with 239 in the M.Div. degree program, 59 in other master's programs, 43 in doctor of ministry studies, and the remainder in graduate religious studies. Of the total, 38% are women and 21% are ethnic minority students, including international students.

Both Perkins School of Theology and Southern Methodist University have received their ten year review prior to reaccreditation by the Association of Theological Schools and the Southern Association of Colleges and Secondary Schools. A comprehensive self-study was undertaken prior to the campus visits of their representatives.

During the year representatives of the school have enjoyed lengthy visits with the Cabinets, Boards of Ordained Ministry, and Conference Councils of the Little Rock and North Arkansas Conferences, the Texas Conference, the Oklahoma Conference, and the Southwest Texas Conferences. This continues the practice begun last year. These conversations have been of great help to us as we seek better to assist the church in the completion of its mission. We are grateful to them for their support and interest.

By the end of this year, we expect to have made new appointments in Christian Education, Pastoral Care and Systematic Theology. We covet your prayers as we seek to fulfill our mission on behalf of God's church.

James E. Kirby, Dean

Saint Paul School of Theology

The 1990-91 school year began with one of the largest entering classes in our history. Both the number and quality of our students are encouraging for us and, more importantly, for the future of the church.

Warren C. Carter joined the faculty of Saint Paul this year as Instructor in New Testament. A native of New Zealand, Mr. Carter is a Ph.D. candidate at Princeton University.

We at Saint Paul are clear that the futures of local churches and seminaries are one. Local churches can only be strong if the seminaries preparing their future leadership are strong. Likewise, we in the seminaries cannot do our work well without staying in close and ongoing communication with those in the churches who brought us into being, who have supported us through the years, and for whom we are preparing a new generation of leaders.

Listening to churches is a way of life at Saint Paul. The most recent example of this listening is an extensive survey conducted with United Methodist laity and clergy in six Annual Conferences. Surveyed were 1,000 Pastor-Parish chairpersons, every fifth pastor, and the Conference ministerial leadership.

Important learnings were gained as persons responded to a number of questions. When asked what things they most associate with effective leadership in the church from ordained and diaconal ministers, those surveyed responded that the most important were preaching and leadership skills. People were also asked what areas of study seminaries should be addressing in a special way today. Again there was consensus as evangelism was named the top need by all groups.

When asked to reflect on how well Saint Paul prepares persons for various dimensions of ministry, the respondents gave highest marks to preaching, ministry with the elderly, and church and society. On an open-ended question regarding strengths, faculty were most often named. More emphasis on evangelism and renewal of physical facilities were most often mentioned as suggested areas of improvement for Saint Paul.

Especially encouraging for us at Saint Paul was the respondents' attitude about recommending Saint Paul to a prospective seminary student. The response of Conference leaders was forty-six percent for "strongly recommend," forty-three percent for "recommend," and eleven percent for "offering Saint Paul as an option." No Conference leaders indicated that they either would not recommend Saint Paul, or that they would strongly discourage someone from attending Saint Paul. We appreciate this strong vote of confidence. Faculty, staff, and trustees have already begun studying the survey results. As plans are made for the future, the survey findings will provide insight and guidance in many areas of the seminary's life.

Lovett H. Weems, Jr., President

Southern Methodist University

I am pleased to comply with the 1988 Resolution from the Jurisdictional Conference requesting an Annual Report to each Annual Conference in the South Central Jurisdiction.

The academic priorities, which the Board of Trustees approved in December of 1989, have now begun to be implemented. We will begin requiring all entering students in fall 1991 to have a major and a minor, which will broaden the cross-disciplinary base of our

commitment to a central liberal arts undergraduate education. We will continue to refine our curriculum with an eye to the global and multi-cultural nature of our world and the need for strong ethical and technological expertise. To that end we have clearly identified fund raising priorities for science and technology needs at SMU. Additionally, we have appointed Father Charles Curran, a Catholic theologian and ethicist, to fill the Scurlock Chair in Human Values, a University-wide appointment. We have opened the new Hamon Arts Library this fall and have broken ground for a new Greer Garson Theatre, both of which continue our strong commitment to the arts.

Southern Methodist University continues to make progress on achieving a balanced budget by 1992-93 through a series of expenditure reductions and a variety of fund raising initiatives. Our strong need is in the area of unrestricted endowment, and particularly student financial aid. We were pleased to receive a five million dollar gift from Roy Huffington of Houston for the unrestricted endowment, but much more is needed.

It is with a great sense of satisfaction that I report to you that the new United Methodist Campus Minister, Reverend Greg Ligon, has been making outstanding inroads into developing a new United Methodist Ministry at SMU. The Jurisdictional commitment to this Ministry is vital to our commitment to United Methodist SMU students. We are hopeful that you will continue to encourage United Methodist prospective students to consider SMU.

We are pleased to have Forrest Gregg as the new Athletic Director and I am confident that under his leadership our program of achieving the appropriate student-athlete model at SMU will continue.

We continue to appreciate your interest and support for SMU. With your prayers and gifts, we shall continue to move forward in making SMU an outstanding United Methodist institution of higher learning.

A. Kenneth Pye, President

BOARD OF LAITY

The Board of Laity in 1990-1991 affirmed the support and extension of its current entities - **United Methodist Women, United Methodist Men, United Methodist Youth, Bob Lay 1000 Club, Daughenbaugh-Matheny Scholarship, Lay Speaking, and Lay Witness**, as well as the district work, instead of adopting new programs. Great emphasis and effort were made to endorse the work of the Louisiana United Methodist Foundation, the proposed Conference Center, Vision 2000 and Laity Sunday. A service covenant form was designed to enlist laity for service on district and conference levels. In 1991-92, events will be planned to encourage and train prospective laity leaders for all levels of church work.

The Board unanimously endorsed a proposal that future chairs of Conference boards and agencies (excepting Board of Ordained Ministry) be rotated on a quadrennium basis, as nearly as possible equally between clergy and laity. The Board feels this will significantly increase the professional expertise of committed lay persons at no cost to the church.

The Board adopted a rule electing officers to serve for one year with a tenure of four years service for Conference officers. This rule asks that district officers serve with the same limitations.

The Board investigated the disparities among the districts in the numbers and kinds of offices. The Board recommended that the district offices be uniform and include the following: District Lay Leader, 2 Associate Lay Leaders, Secretary-Treasurer, Chairperson for 1000 Club, Lay Speaking, Daughenbaugh-Matheny Scholarship, Lay Witness, United Methodist Foundation, Lay Life and Work, as well as presidents of UMW, UMM, and UMYF and a ministerial representative. The Board continues to work toward this uniformity.

Information and application forms for prospective delegates to Jurisdictional and General Conferences were designed and distributed. Efforts were made through the Louisiana United Methodist Reporter, District Lay Leaders and District Superintendents, as well as coordinated conference mailing to disseminate this information in such ways as to encourage wide participation by the laity.

The Board meets regularly to hear reports from the districts, as well as from presidents and chairs of the various groups within the Board.

Paul White, Conference Lay Leader

1. United Methodist Men

The ministries of United Methodist Men in Louisiana continued to grow in 1990. More churches were chartered in accordance with the 1988 Book of Discipline, par. 264: "Each church or charge shall have an organized unit of United Methodist Men chartered and annually recertified through the General Board of Discipleship to provide another channel for involving men in the total ministry of the church."

During 1990, each district president in the Conference held district rallies to provide information to their churches on the many mission programs across our state.

The U.M.M. State Retreat, held at Louisiana College, Pineville June 28-30, featured notable speakers, including Dr. Pat Day, First United Methodist Church, Marshall, Texas; Ernie Wendall, U.M.M. National President, Charles Dick, U.M.M., President, South Central Jurisdiction; Rev. Ed DeWeese, Director, Louisiana Prison Ministry; and Rev. John Hamilton, New Orleans District, as our inspirational song leader.

The following officers were installed to work with U.M.M. across the state: Ron Sarver, 1st Vice President; Bill Heath, 2nd Vice President; Charles Thomas, 2nd Vice President for Scouting; John L. Erickson, Secretary; Jewett Barnett, Treasurer, Raymond Ross, Public Relations; Jay Hinckley, Project Director; William Harris, E.M.S. Charter Liaison; Charles Goodgame, Retreat Director; John LaCroix, Nomination Chairman; Keith Tucker, Prison Ministry; Ofney Ellis, Prayer Advocate; Bob Sides, Parliamentarian.

The United Methodist Men's Congress for the South Central Jurisdiction will be held at Centenary College June 28-30, 1991.

During Annual Conference this year plans have been made for our 2nd annual U.M.M. luncheon on June 5, as well as the operation of a Prayer Line.

We ended the year by giving Dr. Harvey Williamson a U.M.M. Life Membership for his untiring effort as a Conference leader.

U.M.M. has one purpose - to bring a Vision to men of the church so that each man may find his place in God's Kingdom.

Boyd E. Baun, President

2. United Methodist Women

According to the 1990 annual report of United Methodist Women to the Women's Division, there are 321 units in the conference, with a total membership of 12,191. \$270,136.10 was sent as undesignated gifts to mission; designated gifts amounted to \$30,028.75; with total giving of \$344,738.94.

239 units celebrated United Methodist Women's Sunday in January, 1990.

132 persons from Louisiana attended the quadrennial Assembly of United Methodist Women, May 3-6, 1990, in Kansas City, Missouri. They represented 62 units.

Elected officers and study group leaders from each conference in the South Central Jurisdiction attended the West Gulf Regional School of Mission which was held on the Centenary College campus in June. This was our first time to host this group. They will meet again on the Centenary campus in June of 1991.

The Louisiana Schools of Christian Mission were held on the Centenary College campus in July. Studies were: Galatians, Central America and Gospel, Culture and Media.

The Annual Meeting was held at the First United Methodist Church of Monroe, September 14-15, 1990. New officers elected were: Betty Carlin, vice-president; Mary Quinones, secretary for financial interpretation; Mary Pollard, Christian Global Concerns; Geneva Bell, Christian Social Involvement; Hilda Sills, Supportive Community; Annie Lincoln, chairperson of Committee on Nominations; Mary Lou France, Jane Humble, and Debora Dupye, members of the Committee on Nominations. Re-elected for an additional two-year term was Mary Spell, treasurer. Other officers terms are unexpired.

District Annual Meetings were held in October. Only the Lake Charles District has a new president - Joyce Hazel.

The list of activities by the local units indicate that a wide variety of things are being done. In response to the Campaign for Children, there are day care centers, tutoring and

latchkey programs; Angel Tree gifts for children of prisoners; new shoes for children. There's also: Church Women United celebration days; drug awareness seminars; food pantry; support for commissioned missionaries; shelters for battered women; AIDS assistance team; ditty bags for inmates at St. Gabriel state prison for women; recycling; etc. The list goes on and on. We are indeed trying to be Christ's hands here on earth.

The Conference United Methodist Women presented a \$100 Special Mission Recognition pin to Marilyn Oden during the 1990 Annual Conference in June. Marilyn is the honorary vice-president of the Conference UMW and is deeply appreciated. **The Annual Report and Directory for 1990-91** is dedicated to Bishop William B. Oden. Bishop and Mrs. Oden have traveled the state extensively and have been supportive and helpful in every way.

Marilyn Oden led the 1991 spring retreat for 172 United Methodist Women at the Tall Timbers Baptist Conference Center. It was a high spiritual experience for all.

The UMW conference president and each district president were invited to participate in the program for **The Gathering** which was held at the Centroplex in Baton Rouge, March 9, 1991. Many other United Methodist Women took part as banner carriers, choir members, liturgical dancers, covenant parchment carriers, etc. Others helped prepare the altar by painting and in many other ways that will never be known. It was indeed a glorious day and a once-in-a-lifetime event.

A letter has been received from Karen and Sebastine Ujereh. Karen and Sebastine were commissioned as missionaries by the General Board of Global Ministries just over a year ago and they and their three children were here for Conference last year. They are from the Bethany United Methodist Church in New Orleans. They are now in Zaire - presently at Kinshasa and soon to be in Lubumbashi, where they will be working in our behalf to spread the Good News of Jesus Christ, our Lord and our Saviour.

Following a UMW Sunday talk another woman has applied to the Women's Division to serve in the mission field. We pray that this dream of serving may become a reality.

The quadrennial Assembly of United Methodist Women was held in May 1990. The offering was designated "Witnessing for Children and Youth in a New World." Four Louisiana projects were selected to receive funds from this offering:

Health Care for Migrant Children	
Memorial United Methodist Church, Monroe	\$1,500
After School Program	
Faith United Methodist Church, Shreveport	\$1,000
Back to Basics - Parents, Child Education Program	
Hartzell Mt. Zion United Methodist Church, Slidell . . .	\$ 500
Latchkey Program	
Wesley United Methodist Church, DeRidder	\$ 100

Congratulations to each of these projects!

On April 5, 6, and 7, I attended a consultation for the UMW presidents of the 17

conferences of the South Central Jurisdiction in El Paso. We were privileged to visit the Lydia Patterson Institute -- which is NOT a UMW project -- but is sponsored by the South Central Jurisdiction. You contribute to it through your regular apportionments. I just want to say that I can still "see" the happy faces of the young people who presented a program for us, and I assure you they are doing a wonderful job with the young Mexican students there.

We also visited Houchen Community Center in El Paso -- which IS a UMW project and attended a Spanish speaking church of the Rio Grande Conference.

May 13, 14 and 15 the conference secretary, Seola Callahan, the secretary for financial interpretation, Mary Quinones and I took the South Central Jurisdiction UMW president, Inelle Bagwell and our Nashville Region staff person, Sue Johnson, on a tour of the properties in Louisiana that are owned by the Women's Division. We were graciously received at MacDonell United Methodist Children's Services, Inc. in Houma; the Dulac Community Center in Dulac; and St. Mark's Community Center in New Orleans. Reports on these projects are also in the Pre-Conference Reports (pages 35-36; 38-39; and 103-104.) I would love to talk about each one of these -- but time will not permit it.

Thank you to Rev. Vernon Fairley who is serving as liaison for the Sager-Brown property at Baldwin, which is presently up for sale.

At Annual Conference each year we honor someone with a Special Mission Recognition -- representing a \$100 gift to mission in their name.

I have asked the conference secretary, Seola Callahna, to escort to the platform our former conference president, Janelle McCammon.

Most of you know that in October of 1989 Janelle suffered a heart attack and stroke that left her partially paralyzed. She was already appointed to be the chairperson of our 1991 spring retreat. At no time did she ever speak of giving up or being replaced. I quote from one who nominated her for this honor: "She has been an inspiration to all who know her as she struggled to recover her health. She has had the greatest of courage, faith and determination. Not once have I seen or heard anything but thanks to everyone else."

And so today, we say THANKS to Janelle for being so special to us and honor her with this pin and certificate.

The United Methodist Women have a full calendar of events scheduled for the days ahead.

3. Council On Youth Ministry

The year began with the CCYM annual training for District Councils on Youth Ministry at Centenary College. All nine districts were represented with over 150 youth and adult members of the DCYM learning about their responsibilities, the meaning of Youth

Service Fund (YSF) and making plans for the coming year. The officers of the CCYM were elected and presented to the DCYM and conference.

In July, 42 youth from the Louisiana Conference attended the Spiritual Life Rally at SMU in Dallas, Texas. The week was packed full of small group sharing, worship, singing, learning, concerts, fun, and fellowship. The first of August, 29 members of the CCYM attended a planning retreat at the Methodist Children's Home in Ruston. While there, we also attended the Passion Play in Calhoun on Saturday night and Worship Service with the residents on Sunday morning. In September, the fall Convocation was held in Pineville, at Louisiana College. Approximately 520 youth and adults attended.

Approximately 162 youth attended Junior High Retreat in November held at Tall Timbers in Alexandria. The theme for the retreat was "Friendship". The Senior High Retreat was held in February with over 200 persons attending Tall Timbers Retreat Center for the theme "The Effect of Music On Your Life".

YSF (Youth Service Fund) is still a big priority with the Youth of our conference. Youth and adult delegates to the 1989 NYMO Convocation and Legislative Assembly voted to set some long-term goals for the Youth Service Fund. We are asked to Double YSF by '92. In order to accomplish this goal, the Louisiana Annual Conference Youth need to raise \$7,510 for 1990, \$9,385 for 1991 and \$11,262 for 1992. We not only made our goal, but we exceeded our goal for 1990. We raised \$9,560.37. The youth also raised \$1,000 for the Conference Center.

The biggest event for the youth this year was "The Gathering" in Baton Rouge. One thousand youth gathered at First United Methodist Church first for lunch and a special opportunity to hear from Bishops Oden and Wilke. The youth then had the privilege of participating in "The Gathering" with a Youth Choir and in other special ways.

The CCYM has been striving, and will continue to strive, toward better communication with the local church YSF, Conference sponsored retreats and learning opportunities available outside the local church.

Dates for next year are:

June 6-8	DCYM Training
July 8-12	JYMO Convocation
August 2-5	NYMO Convocation
August 5-9	Youth '91
August 12-18	YSF - Straight Forward Tour
September 28	Fall Convocation
November 8-10	Jr. High Retreat
November 23-30	United Nations Seminar
January 17-19, 1992	Sr. High Retreat
March 13-15, 1992	Confirmation Retreat
April 26, 1992	YSF Sunday

4. Bob Lay Memorial 1000 Club

The three Calls during the 1990-1991 Conference year that went out from the Bob Lay Memorial 1000 Club were for funds to assist a new church in Lafayette, Louisiana in the Acadiana District. Plans are going forward in this part of the Conference to bring this new church, yet unnamed, into being in the future. No date has been set for ground breaking.

The 1000 Club has selected the Northwood United Methodist Church, the new congregation located in North Lafayette, to be the recipient of funds of the 1991-92 Call.

5. Lay Witness Mission

"Lay Witness Mission", the original name applied to renewal weekend programs for local churches, is now sometime used in a general way. Several specific programs such as "Key To Joy", "Discipleship Celebration" and others are recommended for specific emphasis on needs of a church. The use of a weekend program as the main part of stewardship campaign has been very effective. Three months advance scheduling is recommended. Contact Jack Dew, 441 Dew Lane, West Monroe, La. 71291. (318) 396-7152.

6. Daughenbaugh-Matheny Scholarship

As you know the Daughenbaugh-Matheny Scholarship was established to help deserving young people attend Centenary and Dillard. To be eligible a student must have a G.P.A of 2.5, and must maintain this grade in college to apply the next year. Although a student is not required to be planning a full-time career in the church, those who do plan these careers are given preference. Service in other ways is also considered.

Last year, we were able to award five scholarships, two to Dillard and three to Centenary. The students receiving the Daughenbaugh-Matheny Scholarship attending Centenary are Sean DeArmond and Angie Smith from Baton Rouge, and Leigh Ann Boston from Lake Charles. The recipients who are attending Dillard University are Afreda Hygh from New Orleans and La Donis Frelow from New Iberia. Our funds for these scholarships, in most cases, come from District Laity Banquets, and the amount we receive is increasing each year. I believe this is because there is more interest throughout the Conference in the scholarships.

One problem we have is getting the applications to the young people who need them. Carolyn Dove, Conference Youth Coordinator, sends some to the youth in her mailing. This is a great help. I try to attend as many Laity Banquets as possible, and pass them out there. Still, everyone doesn't know about the scholarship and how to apply for it. We ask that the applications be in by April first, and when I receive them, I send forms to be filled out by the applicant's guidance counselor, principal, teacher, or minister. I also telephone the applicant to set up an appointment for an interview. I try to meet personally with each applicant, and I ask the District Lay Leader and the District Scholarship Chairman for the applicant's district

to meet with us. This year, we hope to give at least five scholarships again. Each student receives \$700. This is not a large amount, but sometimes it makes the difference in whether or not a student is able to go to college. We hope in the future to be able to increase the amount to each student.

The applicants for the Daughenbaugh–Matheny Scholarships are very outstanding young people. They have held offices and been active in United Methodist Youth Fellowship at their local churches and on the district level; two are singing in the Centenary Choir, and one in the Dillard Choir; some are planning full-time careers in the church, others are considering it. They come from active United Methodist families, families who participate in the life of their churches. One of them wrote a musical play from a Bible story and his United Methodist Youth Fellowship group put it on for the whole community. Another of these students wrote a book of poems and had them published. We are very proud to be able to help students like these attend college and prepare to be the leaders of our church tomorrow.

COMMISSION ON ARCHIVES AND HISTORY

The Commission on Archives and History recommends the following report to be adopted as guidelines for the Annual Conference in the area of Archives and History:

The Local Church

1. Each district Council on Ministries in The Louisiana Conference of The United Methodist Church shall inaugurate a program to train local church historians to identify and preserve those records vital to understanding and recreating the history of the local church. This program can be accomplished through "in service" workshops and district seminars. The Conference Commission on Archives and History and the conference archivist at Centenary College can help district Councils on Ministries secure leadership for the training sessions.

2. The Annual Conference shall require each local church to maintain a continuous series of charge conference records, the most valuable source of information on the local church. Maintenance of these records is essential, not only for administrative purposes but also as the source of "raw data" which provide the researcher insight into the personality of the local church. Every four years, these records shall be sent to the conference archives at Centenary College to be microfilmed and returned for filing in the local church, or microfilm copies may be purchased for the nominal cost of film.

3. Local church historians shall institute a comprehensive program of records retention. This should include the collection and maintenance of items such as worship bulletins, newsletters, audio and video records of worship services, certificates, minutes of board meetings, and other such records.

4. Local churches shall, as a minimum, maintain the official Methodist membership record book. Ideally, however, each church should maintain separate books for membership, baptisms, deaths, marriages, and confirmations. Maintaining separate books allows all entries

to be made alphabetically and chronologically for easier reference. This method, likewise, allows the inclusion of more detailed information, such as occupations, professions, and family connections, which is essential for historical research.

5. Each local church should house its membership books and records in a special place (preferably fireproof) in the church. These membership records are an irreplaceable link to the church's past and can easily be misplaced or lost if not almost ceremonially kept in a special place in the church.

6. Each local church owning a cemetery shall compile an inventory of its interments which also indicates locations. This inventory shall be stored with the membership records and updated every four years with names and locations of new interments. A copy of this inventory and subsequent supplements shall be forwarded to the conference archives at Centenary College. Such an inventory is administratively helpful to the local church and is an important archival resource.

7. Each local church shall prepare a church history and send two copies to the conference archives at Centenary College. This history should be updated every two years and copies sent to the conference archives. Writing and updating the church's history will encourage the local church in its records management. An important supplement to the usual records are oral histories from the oldest members of the congregation. A wealth of information beyond the scope of official records is harbored in the memories of elders and should be recorded in a timely fashion.

8. It is highly desirable for each local church to designate a room to serve as that church's archives to house records, photographs, letters, audio and video cassettes, computer diskettes, and other items which add to the church's understanding of its history. The most important items (such as original membership books and deeds) should be stored in a fire proof safe or in a safety deposit box. Such items could be sent to the conference archives at Centenary College for safe keeping or for microfilming and duplication. The archives will keep the originals and send copies back to the church, or return the originals and keep the copies, whichever seems more desirable.

The District Level

1. A records retention program shall be established at the district level to serve as a link between the local church and the conference. It is suggested that the secretary to the district superintendent be designated as records management officer for the district office. At the completion of their tenure in office, district superintendents are to have their records microfilmed (primarily the charge conference records) and send the film to the conference archives, or send the records to the archives for microfilming there.

2. Deeds, records, and other official and legal papers, including the contents of the cornerstone of any church that is declared to be abandoned or otherwise discontinued, shall be collected by the district superintendent in whose district said church was located and shall be deposited for permanent safekeeping in the conference archives. (Discipline: 2548.3)

The Conference Level

Each conference board, commission, committee, and organization shall designate someone (probably the secretary) to place all records on a records retention schedule. Every four years these records shall be turned over to the conference archives either in original or microfilm form. The conference archives should become a permanent part of each conference group's mailing list. The security and restriction of sensitive information can be determined in advance by consulting with the conference archivist at Centenary College.

The Conference Archives

1. The Annual Conference should establish and fund the position of one half of a full time professional archivist.
2. The Conference Commission on Archives and History will serve as official conference liaison and advisory body for the conference archives at Centenary College.
3. The conference archivist is to be designated as the agent supervising the records retention activities of those entities within the annual conference responsible for the generation of records detailing conference related matters. It would be the responsibility of the conference archivist to enforce retention deadlines and to supervise the orderly transfer of these records to the conference archives at their designated time.

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

Your Commission on Christian Unity and Interreligious Concerns continues in its striving to enable the Louisiana Annual Conference to be a part of an answer to Jesus' prayer concerning his disciples of every age that "they may all be one" (John 17:20-21). We are mindful of the words of St. Paul, who said, "There is one body and one Spirit, just as you were called to the one hope that belongs to your call, one Lord, one faith, one baptism, one God and Father of us all, who is above all and through all and in all." (Ephesians 4:4-6). It is in being mindful of these words that we teach, interpret, advocate, work for, stimulate, and participate in the understanding of, conversation in, and action for the Biblical goals and objectives for the Unity of the Christian Church.

We are particularly mindful of the goals of the nine member-denominations of the Consultation on Church Union (African Methodist Episcopal Church, African Episcopal Church, Episcopal Church, International Council of Community Churches, Presbyterian Church U.S.A., United Church of Christ, and The United Methodist Church), whose proposal for a Covenant Communion of Churches will be heard, discussed, and acted upon at General Conference in April 1992. Therefore, we urge every congregation in the Louisiana Conference to engage in the study of COCU proposal, which is entitled "Churches in Covenant Communion, The Church of Christ Uniting." (Available with study guides from The General Commission on Christian Unity and Interreligious Concerns, 475 Riverside Drive, New York, NY, 10115. A "starter packet" is \$5.00.) Further, we urge our General Conference delegation

as a body to study the proposal as part of their preparation for the conference.

We strongly recommend that local churches undertake studies in United Methodist beliefs, with the understanding that only when we know what we believe as United Methodists can we then enter into dialogue with Christians of other denominations on both our common and differing opinions. (Suggested resources: "Doctrinal Standards and Our Theological Tasks" and "This We Believe", both available from Cokesbury, and "The United Methodist Members Handbook", available from Discipleship Resources.) We urge local churches to invite Christians from other denominations to participate in their DISCIPLE BIBLE STUDY program. We recommend each church to exercise care as not to overemphasize our United Methodist nomenclature in events open to the general public, as this could create unnecessary barriers to participation.

We in the Louisiana Conference can be especially proud that our own Bishop William B. Oden served as an accredited visitor to the Seventh Assembly of the World Council of Churches held 7-20 February 1991 in Canberra, Australia.

The Commission invites you to view our display at Annual Conference. Also, please take special note of the brochure placed at your table. We are ready to help you in your local church and in your district with matters which relate to Christian Unity and with concerns among other faiths. Please call upon us for this help! My address and phone number is: 1200 Arkansas Road, West Monroe, LA 71291, (318) 396-6114. Please refer to the list of commissions in the front of the Conference Journal for the name(s) of commission members in your district.

COMMISSION ON RELIGION AND RACE

INCLUSIVENESS:

The Commission On Religion and Race believes that the New Testament offers very little comfort (if any at all!) to those who approach the sacred writings in search of support for exclusiveness (segregation, discrimination, racism, etc). The sacred writings are highly supportive of those who teach, preach and overtly practice inclusiveness within our great Church, in general, and the Louisiana Conference, in particular. These writings do not supply arguments nor precedents for the restriction of membership along racial lines. Quite the contrary, unlimited support and encouragement and power are provided through them against the toleration of exclusive practices, irrespective of the forms they may take within the church.

The Apostle Paul's letter to Philemon speaks to the point of concern. Notice, first of all, that this very small document comes to grips with a very serious problem: that of the relationship "in Christ Jesus" of all men and women, slaves and masters of all whom the world perceives to be unequals, inferiors and superiors. Observe, secondly, that Paul bears a common relationship with Onesimus and Philemon - the instrument of God through which each man has been converted to Christianity. Philemon becomes a Christian in Colossae; Onesimus, a runaway slave of Philemon, becomes a Christian in Rome. The Apostle writes

to Philemon: My brother in Christ Jesus, even though you are in the world, you can no longer speak and act as a person of the world. And though you continue to be involved in the life of the larger community, you must think, feel and act everyday, everywhere as a Christian man. My brother Onesimus will be home for Christmas; treat him as a beloved brother in the household of Faith, which embodies believers only, like yourself and Onesimus, and me. Onesimus is a full brother, a full member of the family of God. Inclusiveness? Yes, indeed! Precisely what our Conference needs!

PREVENIENT GRACE:

Truly, we must not forget our baptism. Equally true, we must not forget what happened to us prior to our baptism. What is it that started us on our spiritual journey? And the source? Almighty God! John Wesley, moreover, says that it was prevenient grace that awakened us to the nearness of God to us and, at the same time, enabled us to see our desperate need to be saved from something. Then, and only then, we begin to see ourselves as we are: a people who are not inescapably trapped in sin, the sin of Racism. There is a Way out of our sickness (call it racism), and God, through His Son, had made the Way very plain. The Doctrine of Prevenient Grace to be sure, is not all there is involved in our spiritual journey; it is the beginning, and it comes before baptism. Inclusiveness?

SIDES:

Inclusiveness or exclusiveness? "If you are neutral in a situation of injustice, you have chosen the side of the oppressor. If an elephant has his foot on the tail of the mouse, and you say you are neutral, the mouse will not appreciate your neutrality," says Bishop Desmond Tutu, Province of South Africa, Anglican Church.

Homer Noley, Native American, writes that Peter Marshall, Jr. and David Manuel wrote a book, "The Light and The Glory." The thesis attempted to answer this question: "Did God have a plan for America?" "A New Jerusalem, a model of the Kingdom of Christ upon earth - we Americans were intended to be living proof to the rest of the world that it is possible to live a life together which reflected the Great Commandments and put God and others ahead of self" (p.23). According to Homer Noley, the "we" in that remark was not an inclusive "we", but was a reference to European immigrants. The Native people were excluded. To what extent are the Native Americans (United Methodists) living within our State included in all conference actions? (Native Americans, The Myths, 1988) The Hispanics? The Asian American? The Other Americans? The African Americans?

THE GATHERINGS:

The Commission on Religion and Race held their first seminar on Racism last May 19, 1990. The special guest was Dr. Robert Williams, Sociologist, Southern University, Baton Rouge, Louisiana. In response to a question, appearing on the front cover of the agenda, said, "Racism is not inherited; it is consciously taught; it is learned, to be sure." In addition, individuals cannot be racist; they can become bigots; they cannot segregate or discriminate against a people unless they control the institutions of society. What is racism? "Racism, sociologically, is the institutionalization of stratification and subjugation based on differentiation of institutions of one racial group over another." We were all pleased with him and his presentation. He will return in the future. "Racism," according to Dr. Philomena

Essed, author of "Everyday Racism," is a complex aggregate of prejudice and discrimination based on an ideology of racial domination and oppression. Racism denotes the definitive attribution of inferiority to a particular racial/ethnic group and the use of this principle to propagate and justify the unique treatment of this group" (p.11). The "other group" is viewed as very strange, intrinsically, and very different. The dominant ethnic group sees the ethnic minorities, frequently, as people who are out to grab or "snatch away" or walk over their rights. The function of racism is to justify the oppression of specific racial/ethnic groups (p.11).

TYPES OF RACISM

Dr. Essed contends that people who insist on saying or even writing, "Black people are inferior," frequently assert that there is no racism in our country, our world, even our church. The message, however, is very clear: blacks are less bright, less civilized, less friendly and less human, and that they may be treated in a less friendly and less humane manner than whites. That message is communicated in many, often invisible, ways.

CULTURAL RACISM: Has to do with how the images of blacks are presented in the media, books, periodicals, travel stores, through art or cultural events. Robert Penn Warren, author of Blackberry Winter, introduces the reader to two women. One woman, after a tramp has entered her home, and in response to his question: "I don't know about my husband, for he isn't here." Her son stood near by. The other woman, a cook, living in a cabin with her son and a man to whom she is not married; they, Dellie and Old Jebb, father of Little Jebb, has been living together for twenty-five years. One woman is black; one is white. Which is which? The story setting appears to be the age of depression, give or take a few years. During this age, the teachings of the American historian, Dr. Ulrich B. Philips, writing on slavery, set the tone for far too many people's thinking and acting. He said that enslaved and racially despised class could not affect its own history and make choices unrelated to the beliefs and practices of their owners.

INSTITUTIONAL RACISM: Institutions in today's world are government agencies, social organizations, and boards and commissions within the church, to name a few. When all or anyone of these institutions functions in such a way that it limits an ethnic group or groups, whether it is an opportunity to grow, to act on behalf of said institution, then and there, institutional racism has taken a front seat, to be sure. In other words, when the dominant ethnic group establishes regulations ensuring certain privileges - educational events, religious "happenings," such as the General Conference, Jurisdictional Conference - to themselves and, at the same time, these regulations are less accessible to ethnic minorities within the brotherhood or sisterhood, institutional racism is operative; it may be direct or indirect in function; it is active! Inclusive or exclusive?

INDIVIDUAL RACISM: Since racism, according to Dr. Williams and Dr. Essed, is by definition a group problem, the concept of individual racism may appear to be a flat contradiction at the very beginning. It is not. If a group of people, seeing themselves to be superior and other groups inferior; if an individual makes a conscious decision to assimilate or take on the opinions and attitudes of the first group instead of the later groups, he or she becomes one with the group, even though she will contend that she is not racist; she is merely asserting an attitude of prejudice, in a sense. In addition, her attitude of prejudice involves a certain attitude of discrimination. "Guess who is coming to dinner!" "I don't have to guess.

I already know." "I know who is not coming to dinner, etc." Individual racism involves a decision to buy into something owned by the dominant-superior group, and not the others. Our thanks to Drs. Williams and Essed for helping the Commission in our endeavor to get racism out of our conference, and inclusiveness active on all boards, agencies, etc.

THE SECOND AND THIRD GATHERINGS: The Commission affirmed Vision 2000. Will Vision 2000 move our conference in the direction of inclusiveness? Will Vision 2000 help bring Native American Christians, Hispanic American Christians, Asian American Christians, African American Christians, and Other American Christians back into the mainstream of The United Methodist Church in general, and in the Louisiana Conference in particular? "If we are going to unseat white supremacy in U.S. colleges and universities, white people can no longer assume the preeminence of white ways of conceptualizing and doing things. This means we must unlearn patterns of dominance, relinquish fetishistic control of processes and resources. We must learn to be followers, as people of color assume leadership positions" (G. Whit Hutchison and Eleanor Scott Meyers, Racism In High Education). Looking within our conference, will Vision 2000 help usher into reality a new awareness of what it means "To do ministry" in solidarity with all ethnic groups throughout our conference? Since Christ Jesus is the Head of our Church, since provisions have been provided which enable all members of our Church to have equal access, without any distinction of racial background or social advantage, to the divine presence, we should move, immediately, to unseat all barriers which divide us. As a Conference deeply committed to eliminating racism from our Church, we can begin this session of Annual Conference. And begin with electing delegates to General Conference and Jurisdictional Conference, 1992. First, examine closely what we did in 1987. How many ethnic groups were elected? When was the last time a Native American was elected? Asian American? Others?

The Commission on Religion and Race, in keeping with the Discipline of our great Church, the needs of our Conference, responding to the many requests set forth by our sisters and brothers in Christ Jesus, will endeavor to be faithful to our calling as a Commission. The howness follows:

<u>Monitoring Committee</u>	<u>Sensitizing/Enabling Committee</u>	<u>Empowerment/Advocacy Committee</u>

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The Commission was developed to "foster an awareness of issues, problems and concerns, related to the status and role of women, with special reference to their full participation in the total life of the church at least commensurate with the total membership of women in The United Methodist Church." (1988 Book of Discipline, para. 2203)

While there have been many positive changes for women in the church – women serving in more diverse leadership roles in the church and society, women choosing the roles they will fulfill in the family and society –there are still issues that continue to demand the attention of the church.

This commission intends to educate the local church chairs of CSRW, Membership Nurture and Care, and any others interested so that specific appropriate programs can be initiated to meet the needs of women. The first step in the process will be a workshop led by someone from the General Commission staff in the fall of 1991.

Issues of immediate concern to women and questions the church may ask about those issues are (as stated in The Flyer, Vol XI, No.3, Fall 1990):

The number of women working outside the home has gone from a third in 1960 to more than half of the population of women in the 1990's. Where will churches get their volunteers? What is the impact on volunteerism when more women work outside the home?

Single parent families are headed predominantly by women. One of every four children is raised by a single parent who is a woman. Does the church continue to hold an image of a nuclear family or is that image shifting? What support does the church offer single parents?

By the next century, the population of elderly will double and the care givers will decline. The average American woman spends 17 years raising children and 18 years helping aged parents. How is the "greying of America" reflected and perhaps magnified in the church? How do personnel policies and benefit packages acknowledge the realities of child/elder/dependent care? How do we support or relieve the care givers, the majority of whom are women?

The divorce rate has doubled since 1965. Projections indicate that half of first marriages will end in divorce. How is divorce viewed as it invades the church and clergy as well?

The number of women elected to public office has more than tripled at local levels, but the U.S. Congress does not reflect the change. Women have mobilized into more sophisticated political activity in the private and public sectors, on both sides of the issues – suffrage, Equal Rights Amendment, abortion and family leave. Church women stand on both sides of the issues. How does the church facilitate informed debate?

The number of women in the professions has increased dramatically:

	1972	1990
Lawyers	7,500	180,000
Physicians	15,672	108,200
Engineers	7,404	174,000
UMC Clergy	371 (1%)	4,000 (10%)

UMC seminary students include 30 to 50 percent women, many of whom are beginning a second career. Is the church prepared to use the services of these women and other professionals?

Increasing numbers of companies offer paid benefits to support maternity/paternity leave for all employees. In 1976, the church adopted a maternity leave policy. In 1980, it adopted a maternity/paternity leave policy and offered less-than-full-time employment to clergy. How will the church respond to other kinds of leaves required by clergy and other professionals?

A woman is beaten every 18 seconds. A woman is raped every six minutes. Three out of four women experience at least one violent crime in their lives. What kind of nurture, safety, and support does the church provide for the victims of violence? How do we equip clergy and laity to respond without condemning the victim?

The belief of this commission is that looking at the above issues (and others), the local church will once again have an impact on the quality of life for all persons as we enter into a new century.

B. REPORTS OF BOARDS OF MINISTRY

BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry interprets the meaning of diaconal ministry to the church, assists in enlisting persons for diaconal careers, counsels and guides persons in the process of professional certification and renewal, and provides general ongoing support for all persons employed by the church in non-clergy related careers.

Persons who wish to serve the church in the fields of Christian education, church music, youth work, counseling, etc. are encouraged to seek professional certification and become candidates for consecration as diaconal ministers. The process begins with a personal letter of intent to the chairperson of the Conference Board of Diaconal Ministry. A mentor will then be assigned to assist the person in the process of sorting out the various ministry options available and clarifying God's call to ministry. After preliminary work in the candidacy journal with a mentor, the interested person will seek approval by their Pastor/Parish or Staff/Parish Relations Committee and Charge Conference and will then be interviewed by the Annual Conference Board of Diaconal Ministry.

Scholarship funds for certification and foundation courses (which go toward meeting the requirements for certification and consecration) will only be given to certified candidates for diaconal ministry. Other scholarship assistance is also available from the General Board of Higher Education and Ministry, Division of Diaconal Ministry, but the interested persons will have to contact the General Board at their own initiative. All requests for scholarship aid

from the Annual Conference Board of Diaconal Ministry must be made in writing to the scholarship registrar of the Conference Board by January first of the year in which the candidate expects to receive that aid.

BOARD OF ORDAINED MINISTRY

The primary concern of the Board of Ordained Ministry is to develop effectiveness and competence in ministry for the individual, as well as for the Church, and to affirm the various avenues of ministry open to all people. The Church is a redeeming and reconciling institution, empowered by Christ but constituted by frail creatures. Though our faults and mistakes are the source of great consternation, we are, nevertheless, a people called of God to serve the cause of Christ through the various avenues of ministry in the Church. Though there are persons who, by offering themselves in leadership as ordained ministers, are set apart by the Church for specialized ministry of Word, Sacrament, and Order, all Christians are called to ministry through the ministry of Christ himself.

It has long been recognized that there are instances when persons who have given themselves to the ordained ministry of The United Methodist Church discover they can no longer effectively fulfill the obligations and responsibilities of that office. It is also recognized that the Conference, through the Board of Ordained Ministry, must respond to the unique needs of these persons in a helpful and effective manner. While this may be a time of great

emotional stress and pain for the minister and his or her family, the effects of such a loss are felt throughout the body of Christ. Perhaps one of the most difficult issues to deal with in this situation is the erroneous conclusion that the capacity for ministry is all together lost. It is imperative that the Church recognize its responsibility in affirming the continued, individual ministry of those who feel they must withdraw from ordained ministry. It is equally important that the Church extend the hand of genuine love and concern by aiding these persons in exiting ordained ministry and establishing new vocations.

For the past three years, the Board of Ordained Ministry of the Louisiana Conference, under the direction of Bishop Bill Oden, has been developing plans to provide comprehensive guidance and aid for ministers who find themselves in this situation, or who may be experiencing crisis in their ministry. The general goal of this effort is to develop effective and competent ministry and to affirm those who make the decision to withdraw from ordained ministry. The effort was begun with the establishment of relations with the Southwest Careers Development Center in Arlington, Texas, with which the board now holds sponsorship. The purposes of this institution are as follows.

- to assess a client's (clergy person's) abilities, interests, values, experiences, and other strengths and weaknesses;
- to guide a client in establishing reasonable and meaningful career goals - a long-range plan;
- to enable a client to widen the range of his/her capabilities through continuing education;
- to counsel a client facing a career crisis;
- to provide vocational guidance to a client considering work outside the church;
- to evaluate and guide a potential candidate for church vocation; and
- to offer professional counseling to the spouse of the client.

The fee for a client is \$200. Spouses are encouraged to participate in the counseling, at no additional cost. Clients are responsible for their own transportation, meals, and lodging.

The Board of Ordained Ministry has also investigated job service programs offered by the State of Louisiana. Under the direction of Governor Buddy Roemer, the Louisiana Department of Labor, in cooperation with the Job Training Partnership Act, has developed the Louisiana Job Link program. The program was developed in response to the high level of unemployment among skilled and professional persons in the state, due primarily to the depressed oil industry. The program is administered through eight centers housed at universities or colleges located in Alexandria, Baton Rouge, Bossier City, Lafayette, Lake Charles, Monroe, New Orleans and Thibodaux. Though the services may vary slightly at these institutions, help is available to persons who have significant professional experience, but are unemployed due to layoffs or plant closures, or who are experiencing vocational changes due to technology or other extenuating circumstances.

The Louisiana Job Link program is offered free of charge to any resident of the state. The individual must personally contact the nearest Job Link center for an interview and assessment of eligibility. Participants are offered:

- Aptitude Assessment,
- Job training or retraining,
- Basic math and English testing,
- Workplace literacy training,
- Occupational skills development,
- Job development
- Job placement.

In conjunction with services offered by the Southwest Careers Development Center, and the newly established Center for Pastoral Effectiveness, Louisiana Job Link offers an avenue of assistance in developing an overall program of support and guidance for clergy of the Louisiana Annual Conference.

C. REPORTS OF FINANCIAL AND ADMINISTRATIVE BOARDS

CONFERENCE COUNCIL ON FINANCE AND ADMINISTRATION

We are thankful to God for the economic upturn we have experienced in the Louisiana Conference for a second year.

We continue to be sensitive to the need for keeping apportionment increases to a minimum. Inflation this past year was 6.1%. The budget we are presenting for 1992 is increased only 3.36%. Your Council feels this is a fair and attainable budget and seeks your support and enthusiasm in funding it. Our thanks extends to all who labor to support the causes of our Christ through the Louisiana Annual Conference of which we are a part.

2. The Council recommends a continued emphasis by all churches on Advance Specials, both General Advance and Conference specials. It requests, however, that all churches pay in full the World Service and Conference Benevolences apportionment before appropriating funds for second-mile projects.
3. Each pastoral charge is asked to continue support of Western Methodist Assembly at Mt. Sequoyah, Arkansas, with a goal of \$35 per pastoral charge. Each district is to raise the amount based on the total number of charges in the district and mail to the Conference Office of Financial Affairs.
4. It is recommended that the Hancock Bank, Baton Rouge Bank, Hibernia National Bank and Premier Bank be designated as the principal depositories for funds of the Louisiana Annual Conference. Other financial institutions across the state are to be used for interest-bearing accounts. Authority to open accounts is given to the Conference Executive Director of Administration/Treasurer and the President of the Council on Finance and Administration of the Louisiana Conference. Authorized signatures on the accounts and deposit boxes are to be: Conference Executive Director of

Administration/Treasurer, a designated representative of the C.F.A., and the Senior Minister of First UMC, Baton Rouge.

5. The Council has contracted with Reginald H. Pulliam, Certified Public Accountant of the firm Reginald H. Pulliam of Baton Rouge, to audit the books of the Executive Director of Administration/Treasurer. The Council expects to receive from the accountant an audit report for the year ending December 31, 1990, before the June, 1991, session of the Annual Conference.
6. We recommend that the pastoral charge consider an amount of \$5,100 for Pastor's Travel Allowance and \$3,300 for utilities/housing expense for each minister.
7. We recommend that the local churches pay an amount up to \$1,500 on the moving expense of each minister by the new church to which the minister is appointed.
8. We remind the ministers of the Annual Conference who will move to another charge that they are to accept salary and expense only through May 31, 1991, from the charge they are presently serving. The June salary and expenses will be paid by the new charge.
9. In order to comply with the federal income tax regulations, we recommend that the utilities and other housing expenses on the Conference Directors' residences and the district parsonages be considered a part of their salaries as "Housing Allowance."

2. The Secretary of the Annual Conference shall serve as the Editor of the Conference Journal. The Editor is authorized to eliminate detailed financial and audit reports from the Journal, including instead a statement indicating where the detailed report is filed, and to condense all reports wherever possible.
3. The Annual Conference grants permission to Centenary College and Dillard University to make an appeal for every church in the conference to send a "paid student" to the institutions.
4. The Executive Director of Administration/Treasurer is authorized to pay \$12,000 from the District Superintendents' Fund for expenses of Cabinet Meetings and up to \$1,000 for telephone calls involving appointments. Each district shall establish a District Council on Finance and Administration composed of four lay persons and three ministers. The District Superintendent, Conference, Jurisdictional, and General Conference members of the Council on Finance and Administration within the bounds of the district shall be ex-officio members of the District Council on Finance and Administration. Every consideration should be given to ethnic minority representation. The Executive Director of Administration/Treasurer of the Conference is authorized to pay from the District Superintendents' Fund to the Pension Fund an amount for each District Superintendent to meet the General Board of Pensions requirement.
5. We recommend that each district provide at least half-time secretarial help for the District Superintendent from district budget funds. The Annual Conference requires that copies of the annual budget and audit for each district be mailed to the Executive Director of Administration/Treasurer for the Council not later than April 15 following the fiscal year.
6. The compensation of all the District Superintendents shall be equal throughout the Conference. Since District Superintendents are appointed by the Bishop as officers of the Conference, their salary, travel allowance, utilities allowance, professional expenses, and one-half of the Conference insurance premium shall be paid by the Annual Conference. We recommend the following income to be paid the District Superintendents from the District Superintendents' Fund: Base Compensation for 1992, \$55,628 (see Conference Rules for the rule concerning salary): utilities allowance - \$3,300; an amount not to exceed \$2,400 to be drawn by voucher and used for professional expenses to cover the expense of Pastors' School, Ministers' Week, Bishops' Week, Annual Conference, Continuing Education and other expenses that the District Superintendent incurs in carrying out the responsibilities of the office. The Council shall provide an automobile or base auto allowance and travel expense to be drawn by voucher within a budgeted amount of \$6,900 for each District Superintendent.
7. Each Council, Board, Commission, Committee, etc. of the Conference receiving funding from the Conference shall designate one person, other than the chairperson, as the Finance Officer. The Finance Officer shall keep for that board or agency a current record of financial transactions involving the budget receipts and expenditures for that body.

The Finance Officer shall receive all vouchers from members and shall approve and submit same to the Executive Director of Administration/Treasurer. The vouchers must be specific, in detail, accompanied by the appropriate receipts, and must bear the signed approval of the Finance Officer. The Finance Officer shall in turn submit them to the Conference Executive Director of Administration/Treasurer within three weeks. In order to assist the Executive Director of Administration/Treasurer to close out the books and set up books for a new fiscal year, all Finance Officers shall submit final vouchers of said board and agency by December 20, 1991.

Louisiana Annual Conference Official Voucher Policy for Conference Boards and Agencies:

Travel

Within the State of Louisiana – Travel Expense for Conference Boards and Agencies is set at a maximum of 15 cents per mile. When three or more members are traveling together, a maximum of 18 cents per mile will be paid. Regardless of the mode of travel used, the maximum of 15 cents per mile will still apply. Beyond the state, the most economical mode of travel must be used. Air travel must be supported by the air ticket stub.

Lodging and Meals

Reimbursement for lodging expenses will be made for the actual amount of expenses incurred. Moderately priced hotel or motel accommodations are suggested. An itemized bill must accompany the request for reimbursement. Reimbursement will be made for meals for the actual expense incurred, but not for entertainment or room service. Any meals exceeding \$5 must be supported by receipts. The maximum per diem for lodging and meals will be \$60. Exceptions to the policy may be made only by the Executive Committee of the C.F.A.

8. All institutions and agencies receiving funds from the Annual Conference are required to submit a financial statement at the end of each calendar year. (See Conference Rules for Rule on Annual Audits)
9. A balance at the close of the year in the Conference Benevolence Budget of any Conference Board or Agency will be placed in the Conference Benevolences Budget for the next year. The Annual Conference shall continue to place in the Contingency Fund of the Annual Conference all interest from the invested funds of the different Conference Boards and Agencies. The Council shall use the Investment Committee of the Louisiana United Methodist Foundation to assist in the investment of Conference Funds. The Executive Director of Administration/Treasurer and the President of the Conference Council on Finance and Administration shall continue to serve on the Investment Committee of the Louisiana United Methodist Foundation. Local churches and Conference Institutions shall consider using the Foundation for the investment of their funds.
10. We recommend that the Louisiana Annual Conference Wesley Foundations be given basic support by a decimal item to be apportioned to the churches of the Conference. Amounts of the funds to be given to each Wesley Foundation will be determined by the Board of Higher Education and Campus Ministry. With approval of the appropriate District Superintendents and District Councils on Finance and Administration, local Wesley Foundations may solicit additional funding from churches within the District(s) nearest their geographic location. Should a local church give additional funds to the Wesley Foundation, that church must also have paid 100% to the Wesley Foundation apportionment the

previous year. Otherwise, the Wesley Foundation must give those funds to the Conference Board of Higher Education and Campus Ministry as payment toward that church's apportionment. A report must be made by the Wesley Foundation to the District Superintendent and the District Council on Finance and Administration of any churches giving such funds so as to assure 100% payment of the Wesley Foundation apportionments of the local church.

BOARD OF PENSIONS

Report No. I

I. MINISTERS RESERVE PENSION FUND (MRPF)

We recommend:

- A. That the funded annuity rate for 1992 be \$280.00 per service year. Benefits to surviving spouses of ministers shall be 75% of the annuity rate.
- B. That \$750,000 be apportioned to the charges of the Louisiana Annual Conference.
- C. Total past service liability (prior to 1982) is \$11,068,301. Our 1992 payment, based on a ten year annual deposit, is \$1,503,825 to be funded as follows:

Conference Apportionments \$750,000

Interest income from Woolworth Foundation,
Pension Crusade Funds, and other sources \$753,825

- D. If a church is delinquent in its apportioned pension payment, the amount shall be charged against the annuity account of the minister serving at the time of such delinquency. This will be deducted from his/her annuity claim at the time of that minister's retirement. Ministers with claims against their pension credits may pay the amount due plus 6 1/2% interest compounded annually. Upon payment in full they shall be eligible for pension credit and benefits for those years of service.

II. THE MINISTERIAL PENSION PLAN (MPP)

We recommend:

- A. That participants shall be all ministerial members of the Louisiana Annual Conference and local pastors under episcopal appointment to a charge.
- B. That Participants Plan Compensation is the sum of: Cash Salary (including tax deferred annuities) received from church-related sources; Housing Allowance, or when a parsonage is provided, 21% (1991) of the cash salary as the approximate value of that parsonage.
- C. That the church's contribution base be set at 12% of the Denominational Average Compensation (DAC) as determined annually by the General Board of Pensions (the 1992 DAC is \$30,132.00). However, if a participant's compensation falls below the DAC, the participant's salary paying unit may pay 12% of actual compensation and the CPP will make a special allocation so that the contribution credits will be based on the DAC.
- D. Contributions for each participant shall be paid directly by the paying unit to the General Board of Pensions, 1200 Davis Street, Evanston, IL 60201.
- E. Any local church that becomes delinquent in payment will have until September 20th of the following year to make payments.
- F. Participants shall contribute 3% of Plan Compensation to the MPP on a regular basis with remittances made directly to the General Board of Pensions. This may be done in either of two ways:
 - a. The minister may send his/her personal check with the General Board remittance form.
 - b. The minister may have his/her employer make direct deposit in a tax-deferred annuity account, in accordance with Federal Government regulations (further information concerning the tax-deferred deposit plan may be obtained from The General Board of Pensions, 1200 Davis Street, Evanston, IL 60201).

III. THE COMPREHENSIVE PROTECTION PLAN (CPP)

We recommend:

- A. That participants shall all be ministerial members of the Louisiana Annual Conference, and full-time local pastors under episcopal appointment, who have a plan compensation of not less than 60% of the DAC. Part-time ministers, probationary members appointed to attend school, and certain members on sabbatical leave, or leave of absence may become participants under special arrangements.
- B. That the churches contribute, on behalf of each participant, an amount equal to 4.4% of the actual compensation plus 21% (1991) housing up to a DAC maximum. Remittances are made directly to the General Board of Pensions in conjunction with MPP payments.

C. Disability benefits:

1. A monthly disability benefit equal to 40% of the DAC in the year the participant is granted disability leave will be paid.
2. The church contribution to the MPP on behalf of the participants shall be continued from the CPP.

D. The Death Benefit Program (DBP) Plan C shall be continued with funds from the Conference Pension Program. This supplement to the CPP provides the following benefits:

1. Minister – The benefit is 225% of the DAC (\$64,143.00 for 1991) if death occurs before age 47. It decreases annually to no less than 60% of the DAC at age 70. At retirement the benefit becomes 30% of DAC (\$8,552.00 for 1991.)
2. Spouse – Benefits upon the death of a spouse (minister surviving) is 15% of the DAC (\$4,276.00 for 1991.) This applies to both active and retired. Benefit upon the death of a surviving spouse is 10% of the DAC (\$2,851.00 for 1991.)
3. Children – Benefit upon the death of a child who is less than 19 years is \$1,500.
4. Other dependent benefits – Information for children's education and/or disability benefits may be obtained from Dr. Stone Caraway, Conference Executive Director of Financial Affairs, 527 North Blvd., Baton Rouge, LA 70802-5720, Phone -(504) 346-1646.

II. LOUISIANA CONFERENCE SELF-FUNDED INSURANCE PLAN GROUP - 1108

A. A comprehensive major medical program for employees serving in an effective relationship and/or full time lay employees. The following is a summary of the current program. It is recommended that each participant read the detailed Benefit Booklet available at the Conference Office of Financial Affairs.

B. Medical and Hospitalization Program

1. A \$250 annual deductible is applicable to both medical and hospital charges. When three (3) covered persons within a family unit have satisfied their individual deductible for a calendar year within that calendar year, or if the family as a unit has incurred \$750 of covered expenses within a calendar year which were applied toward the satisfaction of the deductible amount, no other covered persons within that family unit will be required to satisfy an individual deductible for that calendar year.
2. Following the deductible: 80% of the first \$5,000 of eligible medical, hospital and prescription drug claims will be paid. However, if two or more members of a family are injured in the same accident, only one person's deductible must be met.
3. When a participant's covered expenses reach \$5,000, then 100% of such medical expenses covered by the policy will be paid.
4. Fifty percent (50%) of allowable expenses for mental and nervous disorders are covered. Payment is limited to \$5,000 in one calendar year.
5. Treatment for alcoholism and drug abuse will be provided up to a maximum benefit of \$10,000 per lifetime. The maximum benefit per approved course of treatment for alcoholism and drug abuse is \$2,000. The maximum lifetime benefit payable for expenses incurred as a result of out-patient rehabilitation care for alcoholism and drug abuse is \$4,000.
6. The maximum medical benefit payable with respect to a covered person or a covered person's dependents during a covered persons's lifetime is \$1,000,000.
7. Waiting period: A participant will be eligible for benefits for pre-existing conditions only after six months from the effective date of coverage. (Three months for dental).
8. Eligible medical expenses will include charges for voluntary sterilization, including the surgical procedure, necessary medical care and treatment, and confinement.

C. Managed Care Program

1. Pre-certification: All in-patient admissions for non-emergency, non-maternity cases must be pre-certified. Failure to apply for pre-certification will result in a penalty of \$300 in the benefits that would otherwise be payable; this penalty, which you would have to pay, would be in addition to your deductible if not

already satisfied. If certification is denied, NO BENEFITS WILL BE PAID.

2. **Continued Stay Review:** Following the procedure outlined above, a specific number of in-patient days will be allotted at the time admission is approved. If the patient remains in the hospital for longer than the approved number of days, unless the additional days are medically necessary, the Plan benefits will be reduced to 50% of covered hospital charges for all non-approved days and the 50% paid by the participant will not apply to the calendar year co-payment limit.
3. **Second Surgical Opinion:** A second surgical opinion will be mandatory for certain elective procedures (listed below). A second opinion will not be required for emergencies or maternity cases. The cost of obtaining the second opinion will be reimbursed at 100% with no deductible and will include the physician's office visit and all related charges. The second opinion does not have to concur with the first opinion.

Surgery performed after the second opinion will be reimbursed at 80% for covered charges for the surgeon, assistant surgeon, and anesthesia. Without the second opinion, the surgery will be reimbursed at 50% for in-patient or out-patient professional services after the deductible.

Second surgical opinions are required for the following procedures:

- | | |

| - spinal surgery | - tonsillectomy and
adenoidectomy |
| - gastrectomy | - hernia repair (including
hiatal hernia) |

4. **Pre-admission Testing:** Medically necessary testing done as an out-patient in the hospital within 72 hours prior to having surgery performed in the same hospital will be reimbursed at 100% with no deductible.
5. **Outpatient Surgery:** If surgery is performed in an ambulatory surgical center or the outpatient department of a hospital in lieu of being performed on an in-patient basis, then professional fees and facility charges will be reimbursed at 80%. The deductible is waived.
6. **Hospice care:** Pre-certification is required prior to receiving hospice care benefits. There is a limit of 30 days per lifetime.

7. Home Health Care: Pre-certification is required. The limit is 50 visits per calendar year.

III. Resolution Relating to Rental/Housing Allowances for Retired or Disabled Ministers of this Conference.

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous active service and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Louisiana Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

A. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister during the current year be, and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Louisiana Annual Conference at the time of his or her retirement or disability;

B. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the

minister to provide his or her housing or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B.92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities. Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984."

COMMISSION ON EQUITABLE SALARIES

I. Because of the overwhelming number of new applicants for Equitable Salary funds, we recommend the following changes in the Equitable Salary plan as outlined in the Pre-Conference Report. With these changes we will have enough to fund all grants for the rest of 1991 and all of 1992.

We recommend that immediately following the 1991 session of the Louisiana Annual Conference, the salary schedule outlined in paragraph A go into effect, and remain in effect through December 31, 1992.

[Note: In order to have enough funds to cover salary grants for June, 1991 - December 31, 1992, this plan involves reducing salaries and percentages listed in the Pre-Conference Report.]

A. In this plan, a pastor's conference relationship sets the equitable compensation a pastor may receive as outlined:

<u>Conference Relationship</u>	<u>Equitable Compensation</u>	<u>La. Conference Average Compensation</u>
Full Connection	\$20,211	70%
Probationary	\$19,056	66%
Associate Members	\$17,900	62%
Full-Time Local Pastors	\$16,458	57%

B. Pastors receive an additional \$100 for each year of service as a full-time pastor (in addition to basic) up to a maximum of 10 years.

C. Pastors receive an additional \$200 a year for each church over one.

D. No pastor receiving a grant when this legislation goes into effect shall receive less than currently granted. These rules shall apply to changes in appointment or new applications.

E. Equitable Salaries pays MPP & CPP on its share of pastor's income.

F. Equitable Salaries pays Continuing Education equal to the cost of Ministers' School at Centenary College.

G. After 1992, the equitable compensation will be based on a percentage of the Louisiana Annual Conference Average Compensation for the previous year: 75% for Full Connection; 70% for Probationary Membership; 65% for Associate Members and 60% for Full Time-Local Pastors.

H. The charge should contribute at least \$10,000/year to the pastor's compensation.

I. The charge should pay at least 1/2 of the Pastor's total compensation.

J. Annual grants approved by the Commission shall be paid in monthly installments on the basis of available funds at the beginning of the calendar year. Appropriations shall be made on a pro-rata basis, in the event of insufficient funds.

K. Each church/charge is encouraged to increase its ministerial support a minimum of 5% per year.

L. A church/charge should pay in full all apportioned ministerial items (Pensions, Equitable Salary, Episcopal, District Superintendents Funds) and World Service and Conference Benevolences.

M. A charge receiving Equitable Salary Funds is encouraged to support the program of The United Methodist Church by conducting a Conference approved Stewardship Program.

N. A pastor who is gainfully employed in any occupation other than the ministry shall not share in the equitable salary plan.

O. District Superintendents must submit to the Commission on Equitable Salaries chairperson all applications from charges seeking assistance from the Equitable Salary Fund. These are to be sent after Charge Conference but no later than December 31, and for new appointments, as soon as possible, using application forms furnished by the Commission.

P. All charges receiving Equitable Salary support are required to renew their application when receiving a change in appointment, and to notify the chairperson of the Commission on Equitable Salaries of any change in income.

Q. Special consideration will be given in unique cases upon recommendation of the Cabinet and concurrence with the Executive Committee of the Commission on Equitable Salaries.

R. Ministerial members appointed for less than full-time service as defined by the Book of Discipline will be considered for participation in the Equitable Salary Fund upon recommendation of the Cabinet.

II. REGARDING MOVING EXPENSES: Charges of 250 members or less which have frequent changes in pastors shall be eligible for assistance from the Conference with moving expenses on the following basis:

A. If the pastor is moved after one year and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of the actual moving expenses up to a maximum of \$500.

B. If the pastor is moved after two years and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of the actual moving expenses up to a maximum of \$300.

C. If the pastor is moved after three or more years no assistance shall be available to the charge.

D. The pastor must be living on the charge in order for the charge to receive such assistance.

E. Verification of moving expenses shall be made by submitting a copy of the bill to the District Superintendent in whose district the charge is located.

F. Requests for assistance shall be initiated by the charge, approved by the District Superintendent (in whose district the charge is), then submitted to the Chairperson of the Commission on Equitable Salaries.

G. Special consideration will be given in unique cases by the Cabinet's recommendation, by the willingness of the District making the request to provide 50% of the requested amount, and concurrence with the Executive Committee of the Commission on Equitable Salaries.

MINISTERS' EMERGENCY AID FUND

Thirty-three ministers received \$15,453.00 from the Minister's Emergency Aid Fund in 1990. This fund is supported by conference ministers who contribute one-half of one percent of their base salary annually. At the beginning of 1990, there was a balance of \$12,667.59 in the fund. Inasmuch as most of the contributions are received at the end of the fiscal year, some grants could not be fully funded because of severe shortages in the balance. The end of the fiscal year saw some improvement, with an ending balance of \$19,539.16.

We recommend the following rules:

1. That each minister under appointment in the Louisiana Annual Conference be asked to give an amount equal to one-half of one percent of the minister's base salary for 1991, to be paid to the Minister's Emergency Fund.
2. That this fund be used to provide emergency benefit aid to the ministers of the Louisiana Conference and their immediate families who may be in special need; and that this emergency aid be given subject to the following limitations:
 - A. The maximum amount allowed for a single emergency will be \$1000.
 - B. Rare and exceptional situations may be given special consideration by the Cabinet.
3. That each pastor and local church be requested to cooperate providing an adequate hospitalization insurance program for family protection.

Byrl Moreland, Cabinet Secretary

UNITED METHODIST FOUNDATION OF LOUISIANA

As we finish the first year of once again being a full-time Foundation office, several things are becoming clear about the present and the future. The most obvious revelation concerns the potential that exists for the Foundation to assist local churches and institutions in revitalizing the area of stewardship. It may well be that the greatest potential in the area of charitable funding is from accumulated resources. Your United Methodist Foundation provides the expertise and impetus to help tap those available resources.

The United Methodist Foundation of Louisiana exists for the purpose of serving churches, agencies, institutions and members of the conference. Since my appointment to the position of Executive Director last June, I have traveled over 27,000 miles, preached in 41 different churches, assisted in 13 Financial Campaigns, and spent numerous hours on the telephone to let you know that we are in business to help you extend the ministry of Jesus Christ to your community and to the world.

We work for you in primarily three areas:

1. PREACHING, TEACHING, WORKSHOPS, CONSULTATIONS

The Director is available to fill your pulpit, teach Sunday School or provide assistance through your Administrative Board or Finance Committee to help with your annual Financial Drive. We are also putting together seminars on Wills, Money Management, Investing, and Establishing a Permanent Endowment Committee and would be happy to schedule one of these seminars in your church. A special committee is also busy putting together a grass roots informational program which will reach into every church in Louisiana with the story of how the Foundation can help local churches.

2. MANAGEMENT AND INVESTMENT OF FUNDS

The Foundation now handles more than \$11,000,000 in funds owned by local churches, Districts, Boards, institutions, and individual trusts from all over the state. Through the use of professional managers and a skilled investment committee, the Foundation is in a position to accept deposits on both a short and long-term basis and to realize an attractive return on these investments.

3. GIFTS FOR CHARITABLE PURPOSES

Charitable gifts made through the Foundation earn income which is used in the manner designated by the donor. Many of these gifts provide attractive tax savings. The Foundation will work with donors in the establishment of annuities, charitable trusts and other plans to serve the desires of the donor and to benefit the designated cause.

Since June of 1990, we have placed \$1,119,479.30 into short and long-term investments. This includes monies for 18 new accounts which were established during this time period. All of these funds have local church or conference institution connections. In addition to these funds,

a million dollar trust has been secured which will benefit one of our local churches and the Methodist Home of New Orleans. We are also pleased that the Methodist Home of New Orleans entrusted its endowment funds to the Foundation's care for investment and management.

Through its Appropriations Committee, the Foundation made grants from unrestricted funds to the following causes:

1990 Grants

Center for Pastoral Effectiveness
Centenary College
CrossLines Ministry

1991 Grants

Cornerstone United Methodist Church, New Orleans, Louisiana
Retired Ministers Home Board
Spanish Ministries
REACH (Religious Ecumenical Access Channel)

Anyone interested in checking on guidelines for gifts and/or who wishes to request an application should contact Mrs. Laura Thode at the Foundation office in Baton Rouge.

The Foundation has been blessed since 1983 with the outstanding leadership of Mr. J. Luther Jordan, Jr. as President of the Board of Directors. Mr. Jordan turned the reins of leadership over to Mr. Marcus Wren, but will continue on the Executive and Investment Committees. We are grateful for his leadership and his patient and skilled guidance during the past eight years. We are also pleased to know we will continue to be blessed by his counsel. The Conference owes an inestimable debt to Dr. J.J. Caraway for his ten years of distinguished and dedicated leadership of the Foundation. During this year of transition, he has been there to respond to our every need as we adjusted to the new organization. Jimmie is recognized throughout The United Methodist Church as one of the foremost leaders and authorities in the area of church finance and has brought our Foundation to a place of prominence in the church. On the eve of his retirement, I want to thank him for his dedication and direction during these years and to express gratitude for his counsel in the years ahead.

Finally, I want to thank Bishop Oden for his complete support and faith in what the United Methodist Foundation of Louisiana is about. His commitment to this organization keeps me excited about what we can accomplish.

REPORT OF THE COMMITTEE ON COURTESIES

Bishop William Oden and members of the Louisiana Conference: Silence can be golden, but silence can also be treason. It would be treason if we failed to express our sincere gratitude as a conference body.

To Bishop Oden--not only during this, the 21st session of the Louisiana Annual Conference, but also during your years as our Episcopal leader. We have enjoyed your Episcopal leadership and love.

We thank Dr. Don Cottrill and the entire conference staff, whose planning and preparation began months ago.

To Dr. Fred B. Craddock for his task as our Conference preacher during the Memorial and Communion services as we paid final tribute to the men and women who served our Conference; the Service of Retirement and Service of Ordination. All messages were powerful, and profound, and rent with the Holy Spirit.

For all the courtesies and accommodations and arrangements extended to us by Dr. Donald Webb, Mr. Dick Anders and Mr. Richard Rouse, and the staff of Centenary College--our deepest gratitude.

To the host pastor, Dr. John Fellers, and members of First United Methodist Church, the staff, and volunteers of the many other local churches who have hosted a multiplicity of activities. Each has cared for our every need in an excellent manner.

To the conference worship committee, Dr. Frank Poole, chairperson, the combined choirs of First United Methodist and St. Paul United Methodist of Shreveport,, director, Dr. Will Andress, the Sanctuary choir of First United Methodist of Alexandria, Louisiana, the Korean United Methodist Church of Leesville, choir and dancers, the combined youth choir of the Shreveport District with Mrs. Suzanne Cate director, and Mr. Edward Riley of Mt. Zion United Methodist Church, New Orleans, violinist; Mrs. Cynthia Wilson-Felder devotional leader for the Conference, for her melodious voice that both inspired and motivated us, and her teaching and leadership in song, which lit a spiritual fire that evoked a unifying spirit; to Mrs. Sally Wood, harpist, the liturgists, assistants both lay and clergy and to the many people who participated in the beautiful and spiritually moving services of worship.

To Dr. Samuel DuBois Cook, Dillard University, Dr. Donald Webb of Centenary and others laboring in higher education. Mr. Paul White, and our Conference Board of Laity for the rich devotions which were preludes of our Conference sessions.

To Carolyn Dove, Conference Youth Director, and the youth delegates who gave consistent and attentive support in Conference sessions.

To Dwight Ramsey, minister of Broadmoor United Methodist Church and his report on our Louisiana United Methodist evangelistic work in Russia and in the presence of Lydia Istomina and her father, Paul Istomin, from Russia. Their conversion from atheism to belief in Jesus Christ reminds us the gospel is alive and most powerful.

Congratulations to all District Superintendents for a job well done. A special thanks to clergy and lay tellers for their work in facilitating the election of clergy and lay delegates to the General and Jurisdictional Conferences; to Dr. James J. Caraway, statistician, treasurer (retiring this year) and his staff as usual for a job well done.

Thanks to those who sent banners which added beauty to our surroundings during the sessions. Also to Wishy Nolan, photographer of the Conference. Thanks to Kerry Townsend and his staff from Religious Ecumenical Access Chanel in New Orleans for the videotapes of Conference. To Claiborne Sharp and his assistants, Hugh Bailey, John Chadsey for their diligent work with audio, and James Connell and Kevin Sibley of First United Methodist Church for their work with video. Thanks to our Conference reporters and to the local news media for a job well done.

Gratitude is expressed to the Honorable Mrs. Hazel Beard, Mayor of Shreveport, an active United Methodist lay person for greetings from the city.

To all persons who made reports to this session of the Conference not known by name but remembered in our hearts--Thank you!

Thanks to Bishop Marshall Gilmore, presiding Bishop, 4th Episcopal District, CME Church for his participation in our Service of Ordination.

In closing, we express to all members of the Louisiana Conference in the true sincerity of spirit, a strong wish: May the sessions of this Conference sound in the halls of time in ages yet to come with the vibrant challenge, "Go ye into all the world and preach..."

Humbly submitted,
Abraham E. Davis, Chairman

EPISCOPACY COMMITTEE

The Conference Committee on the Episcopacy met for lunch at the Episcopal residence February, 1, 1991. The committee enjoyed a tour of the home followed by a delicious lunch prepared and served by Mrs. Oden.

After the meal the committee prepared a report for the Jurisdictional Episcopal committee that begins the consultative process surrounding the Episcopal area assignments.

The Louisiana Annual Conference continues to appreciate the dedicated leadership of Bishop Oden.

LOUISIANA INTERCHURCH CONFERENCE

On February 26, 1970, the Louisiana Interchurch Conference was organized in response to God's call "to demonstrate the oneness we already share through faith in Jesus Christ as Lord and Savior," and we constituted ourselves into the Conference "as a contemporary instrument of our obedience." We give thanks to Almighty God for our worship, work and witness during these past twenty years.

During this past year the Interchurch Conference has encouraged the study of "Confessing One Faith" with a special emphasis on the Nicene Creed. This emphasis has helped the churches of Louisiana to recognize that the Nicene Creed is the historic expression of our faith that binds us together.

In addition, the Conference in 1990 made significant contributions to the quality of life in Louisiana. The Task Force on Television has had an impact on getting the interfaith network, VISN, on cable channels in Louisiana. The Task Force has encouraged pastors and laypersons to contact cable companies to encourage them to carry this quality programming.

The Conference continued significant work in 1990 with farmers, shrimpers, and fishermen in distress. The Conference received grants from the Presbyterian Hunger Fund and other sources to provide farm credit counselors. Betty Puckett and Don Ewing have received national recognition for their work in this area.

The Commission on Aging has conducted a survey and is developing workshops throughout the state to encourage pastors and laity to develop programs for the elderly in churches and communities. In addition, the Louisiana Gerontology Institute is giving leadership to major programs to improve the life of the elderly. These have included a study of New Orleans housing projects and the development of programs in these areas. Roger Guissinger, Director of the Housing Study, and Mike O'Keefe, chairman of the LIC Commission on Justice, are cooperating in developing these programs.

The Louisiana Interchurch Conference has worked with Louisiana Civil Service and the Louisiana Chaplains Association for the Chaplains Association to become the certifying agency for chaplains in state institutions. This should mean the improvement of the quality of chaplaincy services in these institutions.

In mid-1989, the Interchurch Conference became disturbed by an increase of racism and, especially, of candidates for political office who exploited this underlying racism. Meetings were called of church leaders, university professors, elected officials, and interested citizens. As a result of this concern and these meetings, a free-standing organization entitled the "Louisiana Coalition Against Racism and Nazism" was organized. The Coalition told the truth about racist candidates, and encouraged Louisiana citizens, in recognition of our national and faith heritage, to oppose such candidates. The director of the Louisiana Interchurch Conference was elected to chair this group.

With the development of tension and potential conflict in the Persian Gulf, the Interchurch Conference became involved in giving leadership to services of prayers for peace. Realizing that Christians, Jews, and Muslims are all sons and daughters of Abraham, Isaac and Jacob and that God sent Abraham forth to be a blessing to all nations and that all of us still live under this promise and command, the Interchurch Conference arranged for prayers for peace with leaders from the Christian, Jewish and Muslim faiths.

Having served for 15 years as executive director of the Louisiana Interchurch Conference and having recently celebrated my 72nd birthday, I submitted my resignation in the recent Annual Assembly of the Conference. The resignation became effective May 1, 1991. I give thanks to God and to each of you for your cooperation, prayers, and support

during these years. You of the Louisiana Annual Conference of The United Methodist Church have given leadership in bringing God's people closer together. Although we still have problems, we see signs of God working for a united church and a renewed humanity in Louisiana. We are grateful for the incredible progress that has been made, and we pray that God will hasten the day when all of his people in Louisiana will affirm that there is one faith, one Lord, one baptism, and that we shall answer our Lord's prayer "that all may be one."

James L. Stovall, Executive Director

LOUISIANA MORAL & CIVIC FOUNDATION

Introduction

LMCF continues to serve as a front-line agency, a channel of communication, a forum for discussion, an instrument of cooperative Christian action, and an agency through which all Christian denominations can work together to do something effective about serious moral issues which would be difficult to solve alone. LMCF serves not only its members and the religious community but the entire state of Louisiana by promoting and protecting a positive moral climate for our state whenever and however the opportunity presents itself.

Administration

In the fiscal year 1990, LMCF received total gifts of \$180,482.68. Approximately \$5,356.56 was given by Louisiana Methodists. This amount is up from 1980's Methodist total of \$5,175.96. Our asking of \$1.00 per member per year in 1990 remains the same for 1991. We pledge anew to be good stewards of that which is given and want you to know of our sincere appreciation for each gift received.

Ministry

LMCF in 1990 ministered through four major programs: Awards, Educational, Legal, and Legislative.

In the Awards Program, the 1990 J. Henry Bowdon Preaching Award, named after J. Henry Bowdon, Sr., one of our founders, was presented to Reverend George Calvin. The Bill May Businessman Award was presented to Ira Woodfin.

In the Educational Program, LMCF conducted seminars, research, and distributed literature, as well as giving assistance to other organizations in conducting their programs.

The Legal Program of LMCF continued to provide a resource for concerned citizens who actively involved themselves in the struggle to improve the moral climate of their community and state. This program includes a very up-to-date law library, highly responsible legal counsel, and a monitoring service of major agencies of state government, Attorney General's Opinions, and court decisions.

In the Legislative Program, religious denominational leaders, including key Methodist leaders, received during the first 14 days of the 1990 session a brief digest of each bill filed.

They were given the opportunity, along with LMCF's staff, to select the bills that in their opinion could possibly influence the moral climate of our state. After this "monitoring list" was established, each of these leaders was provided with a Weekly Digest of all the action taken upon these bills. As the session progressed they were kept abreast by frequent "Moral-A-Grams" on the status of those bills which seemed to call for a timely response from the religious community. To the Legislators, LMCF continued to be a ready resource for research on moral issues and a timely reminder when legislation of moral consequence was pending. Each time the Chairman of the Legislative Liaison Committee or the office of the Bishop called upon LMCF, we responded as quickly and completely as possible.

Conclusion

Louisiana Methodists in 1990 continued to exercise their influence on LMCF through their elected Board members: First Vice-President, Janelle McCammon; Treasurer, Bill Ford; as well as Moses Jackson and Bob Nash. Additional participation and influence from Louisiana Methodists come from the several members of the State Advisory Council. LMCF shall always seek to follow the directions and suggestions of the Bishop and those in leadership positions in the Louisiana Conference.

Throughout 1990, and now in 1991, our prayer remains to serve more...the people in Louisiana called United Methodists. Thank you for this privilege.

Ken Ward, Director

LYDIA PATTERSON INSTITUTE

The 1990-1991 school year has been a time of severe trial and of genuine progress and blessing in the Ministry of Lydia Patterson Institute. The severe trial has come as a result of our Chapel being arsoned in the month of August. The blessing has been seen in the fact that our insurance company has been able to cover the renovation and that we will again have the use of our Chapel on March 14, 1991.

The perennial financial crisis in Mexico's economy continues. This never ceases to be a serious concern for L.P.I.'s Administration since 95% of our students come from Mexico and are directly affected by the prevailing economic conditions. Even so, our enrollment has held steady, and we have had the second highest enrollment in the past eight years (just 12 less than our all time high). Expanded publicity and enlistment efforts are being projected with the goal of reaching 400 for the 1991-1992 school year.

Our students continue to respond to our academic challenge. This year's Senior class has already achieved admission to the college, or technical school of their choice for 86% of our graduating Seniors.

Our financial picture has been very encouraging. We finished out our immediate past fiscal year in the black with a surplus of \$35,000. This surplus has been applied against our accrued indebtedness, which has built up over the past fifteen years to \$135,000.00, and has reduced it to \$100,000.00. We proposed to fully liquidate this indebtedness over the next year. This very encouraging accomplishment is due largely to the work of Mrs. Socorro de Anda

and the newly established office of Finance and Development.

The Administration and Staff wish to thank the many churches, church school classes, men's and women's groups, and individuals all across the Jurisdiction who have made this past year's financial success possible. This year's experience has proven, once again, the incomparable effectiveness of Methodism's connectional relationship. It has enabled L.P.I. to continue a ministry that is as urgently relevant today as when the doors originally opened in 1913.

MOUNT SEQUOYAH CONFERENCE AND RETREAT CENTER

Our 1991 theme is "Mount Sequoyah -- The Place!" This place (Mount Sequoyah Conference & Retreat Center) became a reality in the Southern Methodist Church in 1922 when Fayetteville, Arkansas was accepted as the site of the new 'Western Methodist Assembly' grounds. The city of Fayetteville offered church representatives the top of East Mountain together with land totaling 400 acres, and a pledge of \$35,000 in cash to assure the establishing of our Assembly in their city. It was Mrs. A. C. Millar, wife of the first administrator, that suggested the name of "Mount Sequoyah".

Since 1922, United Methodists and other Christians have come to this place for conferences, retreats, training events, camps, spiritual journeys, and outreach ministries of all kinds. This place is where the Cross of Christ has been lifted up over the city of Fayetteville and thousands are drawn to this site. The mountain top experiences here have enriched the entire world and the church.

Dr. Earl Carter served as Interim Administrator the first part of 1990. The staff was re-structured in late 1989, and Carrol Rainwater serves as Chief Operating Officer. During the transition, the quality and quantity of events and persons sharing the Mount Sequoyah Spirit have continued at a high level. The coming of the new Administrator (Rev. Robert E. Young) June 1, 1990 was facilitated in an excellent way because of the wonderful previous administration of both Earl and Carrol. This enabled us to relate to the whole Jurisdiction, also, to visit and share the Sequoyah Spirit with nine annual conferences. Plans are to visit the remaining annual conferences in 1991. Besides hosting events on the mountain and communicating with the Jurisdiction, we have preached in churches in Arkansas, Oklahoma, and Texas telling the Sequoyah Story.

At the fall meeting of the Board of Trustees, two significant steps were taken. First, an adoption of a Family Ministry policy statement affirming the excellent usage by Adult and Older Adult groups. They also saw the need for the whole family ministry, especially for children and youth. They authorized the administration to work with family, children, and youth groups and to allocate available facilities and resources in a prudent and effective manner. Secondly, in order to fulfill this policy, they authorized the selection and hiring of an independent professional organization to help us. Resource Systems, Inc. (RSI) of Dallas, Texas, has been secured to do a study and make recommendations for needs to fulfill Mount Sequoyah's ability to meet the challenges that are ahead. They will help us define the building needs, program needs and the possible capital funds needs. Some of you will be asked to give

input for this study. This will be planning for the future of Mount Sequoyah. Probable improvements include: A new sports complex, swimming pool, outside play areas, tennis courts, basketball courts, etc.; additional new self-contained first class housing facility; and any needed residence housing. The very successful Bishop's club will be continued and phased into our planning.

Some of the more memorable occurrences or events during 1990 were:

- The loss of our dear friend Bishop Paul Galloway, August 4, 1990. There was a mutual love between him and the staff of Mount Sequoyah.
- Galloway Cafeteria building was re-done with a new sloped roof in spring of 1990.
- Bishop's Week continues to be an outstanding event, with record attendances.
- The seven Retiree events are always outstanding. The Mountain Staff enjoy them and they seem to be enriched with the Mountain Top Experience.
- VIM Work Camp event is always of great interest. We get a lot of things done, and it is such a pleasant experience.
- The capacity of Mount Sequoyah was tested with about 386 people attending a new "Adults Over 50" event. It rained the first two days of the event and our Galloway Cafeteria became "Camp Galloway" for those 2 days. We also had a record of coffee consumption (about 1200 gallons). We, and they, had an enjoyable experience.
- The Marriage Encounter World Reunion was held here in 1990 with about 300 attenders, plus they had 50 to 60 youth that were not here. The youth had their own retreat off the Mountain (as a separate group).

The 1991 events will be exciting with full attendance at Bishop's Week, Retiree Events, and VIM Work Camp, and Volunteers in Missions helpers, and every person of the 17 Annual Conferences is invited to share our mission and ministry. When you are called upon to assure our future, please respond affirmatively. Come to the Mountain as often as you can. Serving as Trustees from Louisiana Conference are Bishop William B. Oden, Member of Budget and Finance Committee; James J. Caraway, Member of Executive Committee and also Chairperson of Budget and Finance Committee. Your Ambassadors to Mount Sequoyah are Rev. Ron and Mrs. Brenda Easterling of Monroe, Louisiana.

Mount Sequoyah has a great future. Every person in the seventeen annual conferences in our great South Central Jurisdiction is invited to make "our place" their place. The same Sequoyah Spirit of the 1920's is still alive and we invite you to come to this place.

Robert E. Young, Administrator and Chief Executive Officer

RETIRED MINISTERS HOMES BOARD

The year 1990 was an eventful one for the Retired Ministers Homes Board. A new home was built in Ruston with the Board paying \$30,000 and Rev. William Stokes and friends contributing the remainder of construction costs. The lot was given by T. L. James Company. A Service of Dedication was held in October. The lovely home in Downsville was occupied for the first time by a minister and his wife, Reverend and Mrs. Homer Bailes. This home was dedicated in September with Bishop William B. Oden as the speaker for the occasion. A small frame home in Ruston was enlarged and remodeled at the cost of \$34,000 and is occupied by

Reverend and Mrs. Raymond Crofoot.

We have forty homes, a duplex and a six unit apartment building with an insured value of \$2,591,000. In spite of escalating insurance premiums and increasing maintenance costs, every effort is made to provide adequate coverage and keep the property in good condition. Thirty-seven ministers have indicated their intention to request housing through this program during this decade.

Appreciation is expressed to individuals and churches for their financial support. Retired Ministers Homes Sunday is scheduled for September 15, 1991. Each church in the conference is encouraged to receive a special offering on that date. This ministry is one of our Conference Missionary Advance Specials.

Angus Lee Carruth, Director

SOUTH CENTRAL JURISDICTION

"The Mission of the South Central Jurisdiction is to: (1) select leadership for the church and administer the affairs of the Jurisdiction as directed by the Book of Discipline; (2) coordinate the networking of strategic persons and groups from the various conferences at the expense of the conferences; (3) respond to program needs and implement and evaluate programming which can be done more efficiently and effectively on a jurisdictional level; (4) respond to mandates of the General Conference; and, (5) provide supervision and accountability of the jurisdictional institutions and the policies of the jurisdiction." (From the Mission Statement)

The program unit of the jurisdiction is its Council on Ministries. During the past year (1990), there were twenty-six leadership training and inspirational events approved and implemented with a total of 3,725 participants, an increase of almost 400 over the previous year.

Journey into Wholeness

Senior Ministries Seminar

The Jurisdiction also administered the scholarship program for ethnic minority seminarians, the Lillian Thompson scholarship fund for seminarians, and is a major participant and supporter of the Protestant Radio Hour.

We express our appreciation for your support of the Jurisdictional Administration Fund, the Advance Specials of the Jurisdiction, Volunteer in Mission office, and the coordinator of Korean Missions. Dr. Donald C. Cottrill and Mr. Welton Brumfield, Jr. have represented the Louisiana Conference on the Jurisdictional Council on Ministries and Dr. J.J. Caraway has served on the Jurisdictional Council on Finance and Administration. Several other persons from across the eight-state area have served on the standing committees and task forces of the Jurisdiction. Without their prayers and service, not as much would have been accomplished. The College of Bishops has served in many ways in its support of the jurisdiction. Most of all we are grateful for the dedication and commitment of our people in the local churches whose loyalty and gifts are a source of inspiration and hope.

Earl B. Carter, Executive Director

KOREAN MISSION IN SOUTH CENTRAL JURISDICTION

The ministry of South Central Jurisdiction Korean Mission has been implemented as below:

1. **NEW CHURCH DEVELOPMENT:** The comprehensive plan has been planned to develop new Korean churches and mission congregations in cooperation with the Conferences and the Districts. During 1990-91, I implemented the Kansas City Central Korean United Methodist Church under the ministry of Asbury United Methodist Church in Kansas City, Kansas and the Korean Ministry of First United Methodist Church, Arlington, Texas. Now we have 34 Korean churches and mission congregations in the jurisdiction. I also plan to implement three more churches and mission congregations in 1991-92.
2. **GROWTH OF EXISTING CHURCHES:** One of the primary purposes of Korean mission work is the CONSULTATION, COORDINATION, and FACILITATION enabling the ministries for growing Korean churches among the growing Korean communities in the jurisdiction in cooperation with the Conferences and the Districts to support the Korean congregations to adjust to United Methodists. During 1990-91, four mission congregations were officially chartered as Clovis Korean United Methodist Church, Wichita Korean United Methodist Church, Dong-San United Methodist Church, and Copperas Cove Korean United Methodist Church.
3. **RECRUITMENT AND TRAINING OF MINISTERIAL RESOURCES:** We continuously need to recruit ministerial resources for seminary education, and to train the Korean language pastors to increase their ministerial abilities and skills for effective ministries. I plan to open a special intensive course of "United Methodist Polity" in Korean for new Korean church pastors in cooperation with the Division of Ordained Ministry, Perkins School of Theology and the Jurisdiction Council on Ministries. I also plan to have a training session of laity leadership.

I greatly appreciate your prayers and help enabling the Korean mission works in the South Central Jurisdiction.

Bon Woong Koo, Korean Mission Director

ST. MARK'S COMMUNITY CENTER

Located on the border between New Orleans' famed French Quarter and Treme, St. Mark's Community Center was established in 1909 by the Women's Society of Christian Service, Board of Missions, Methodist Church, USA, as part of a nationwide movement to establish community centers in high-poverty areas around the country. Its **PURPOSE** is to provide people, especially women and children, with opportunities for self-development and determination through education, vocational training and employment, recreation, family support and advocacy. The basic **GOALS** of the center are : (1) to develop the individual, (2) to be in partnership with the community, (3) to develop leadership around social action issues, and (4) to help people use community systems effectively. St. Mark's funding sources are the Board of Global Ministries and affiliates, United Way and City and State government. St. Mark's is governed by an 18 member Board of Directors and a 16 member Advisory Board, with a staff of 35 whose main thrust is to provide services and activities which fulfill the needs of the entire community. The agency serves an average of five hundred and seventy-five people each day through the following programs.

Education:

St. Mark's Street Academy was established in 1974 as an alternative junior high school which offers personalized attention and instruction to young people who, for many reasons, need an alternative to the traditional school setting. The **GOAL** of Street Academy is to create a learning environment in which participants increase their sense of self-worth, their academic skills and their sense of responsibility to themselves, their community and fellow citizens. What makes Street Academy's goal a reality and unique is the incorporation of individual and group counseling into the curriculum design on a daily basis; the teacher/student ratio of one to fifteen; and the capacity to serve up to 65 students, ages 12 to 15 (7th and 8th grade) in a learning environment. Our students are referred from the Orleans Parish School Board, the Probation Department, Juvenile Court, friends and Community agencies.

Vocational Training and Employment:

Youth Employment involves pre-vocational training, skills development, and job placement for St. Mark's participants and other community youth. The Center serves as a worksite for the city's youth work programs to introduce them to the world of work and its expectations.

Recreation/Youth Development:

St. Mark's Recreation/Youth Development Evening Program has been continuously in existence since 1909, serving upward of 100 youths daily, year round, with activities including swimming, dance, arts and crafts, team sports, field trips, tutoring, counseling, and games. All participants are reminded that benefit of all these activities is to learn to exercise more self-control, to be responsible for your own actions, to learn to be a team player, to create a sense of accomplishment, and to do the very best with whatever they undertake to do.

The St. Mark's Camp was established in 1954 on 23 acres of land on the Tchefuncte River outside of Covington, La. which provide camping experiences for St. Mark's participants, agencies, churches, organizations, and community groups. It's also available to other groups for a nominal fee. The camp has a 44 bed bunkhouse, a fully equipped kitchen and dining hall, bathrooms and showers and an outside swimming pool. It is generally used for camping, retreats, workshops, special events, hiking and nature studies.

St. Mark's Day Care Centers/Family Day Care:

St. Mark's First Day Care Center is located at 900 N. Villere Street and has been in existence since 1979, providing quality child care, education, and developmental guidance for children ages 2 to 4 years old whose families live and/or work in the Orleans area. The second Day Care Center is based on the George Washington Carver junior/senior high school campus, which provides day care services to teen student mothers with children 6 months to 5 years old, and can house up to 70 children. The only criteria for receiving this day care is that the student must be active in school. The Carver Campus serves more than 1400 students in grades 6 through 12. Under the umbrella of St. Mark's Day Care Services evolved Conference Day Care which provides enrichment activities; custodial care and nurture; education and entertainment; nutritious meals; and a safe, secure, healthy environment for each child of organizations, businesses, groups, etc. who need child care services during conventions, seminars, workshops, etc. Because St. Mark's Day Care Services have established a well respected reputation in quality child care, St. Mark's Day Care meets a major need in our community for all areas of child care.

Family Day Care in its continuing support of quality child care offers Family Day Care Providers a means of gaining recognition and acceptance as professionals. A family day care home is certified by the state to offer child care in the privacy of the "caregiver's" home. Child care training and support services, and food and nutrition assistance is available to family day care providers caring for fewer than seven unrelated children in the caregiver's home.

SPANISH-AMERICAN MINISTRY

The Spanish-American Ministry is now housed in the building of St. Mark's United Methodist Church. This has brought a new dimension to the ministry in our relationship with a caring and loving anglo congregation, who is now an active part of the Spanish-American Ministry.

Knowing that the Spanish population is one of the fastest growing, the Spanish-American Ministry is trying to find new avenues of services to this population's needs. Among those needs, one of the most noticeable is the one in relation to the teenagers, their struggles, their education. It is our primary focus of attention to bring to them a program that challenges them to high goals and provides them a place where they can learn about Christ, have fun and learn to be productive participants in society. Under the leadership of Dr. Jose Torres and the

cooperation of Mr. Roy Swayze and Mr. Vandell Estrada, it has been possible to bring such a program all this year round with a weekly meeting each Friday.

The other traditional services of food and clothes distribution are possible by the donation of the different local churches. To these we thank in a very special way.

But all the services we offer depart and converge into one point, to show the love of God in action.

The Congregation that resulted from The Spanish-American Ministry is well and alive. This year we added eight new members. In spite of our financial problems and decrease in attendance, we are able to continue our regular programs, which include: Sunday School, Sunday worship service, weekly Bible studies in different locations in The Greater New Orleans area, plus the weekly youth meeting.

The grant of \$5,000 from the Louisiana Methodist Foundation is our hope to improve the program with the children and youth.

This year a new car was presented to the Spanish-American Ministry. This vehicle is making the work of the pastor easier and is preserving the life of the old van, which is needed to pick up children and youth for the activities. The new automobile is a donation from Munholland United Methodist Church. Thank you, Munholland!

All this work is possible by the contribution of the local churches in our conference. On behalf of The Spanish Ministry, thank you for your offerings and love. We are counting on your support. Thank you.

Marta Sanfiel, Pastor and Director

TOWN & COUNTRY MINISTRIES

TOWN & COUNTRY MINISTRIES is experiencing new life in the Louisiana Conference. We are indebted to the Rev. Dr. Rex Squyres for his past gift to the Louisiana Foundation for the purpose of "Resurrecting" an emphasis in the area of Town & Country Ministries. Because of his gifts, many significant things have happened for the Rural Church and for pastors of Rural and Small Membership Churches in Louisiana United Methodism.

On April 8-9 of this year, the THIRD ANNUAL RURAL PASTORS FELLOWSHIP RETREAT was held at the Uskichitto Retreat Center near LeBlanc, La. The Resource Leader for this event was the Rev. Dr. William F. Appleby, C.C.O.M. Director of the Mississippi Conference. Dr. Appleby has served as Chairperson for the National United Methodist Rural Fellowship. Last year (1990), the Rev. Melvin West served as our Resource Leader. Our Fourth Annual Rural Pastor's Fellowship Retreat is already being planned.

In expression of our thanks and appreciation to the Rev. Dr. Rex Squyres for his love for The United Methodist Church and his superb leadership in past years in the area of Town

and Country Ministries, we are pleased to honor him at this year's Annual Conference with the U.M.R.F. CITATION OF MERIT AWARD.

We would encourage all Rural and Small Membership Churches to re-claim the observance of Rural Life Sunday (4th Sunday in April). Also, we would invite everyone to take a moment to visit the TOWN & COUNTRY DISPLAY sometimes during the Annual Conference.

COMMITTEE ON CONFERENCE RULES

The following is the report as it was presented to the Annual Conference by the Conference Committee on Rules. The action taken by the Annual Conference is provided at the close of each resolution.

Article I, Section C, Rule 5

Replace the current rule, in its entirety, with the following:

5. Conference Committee on Nominations

a. Five Members by virtue of their office:

1. The Bishop of The Louisiana Annual Conference;
2. The Conference Lay Leader;
3. The President of the Conference United Methodist Women;
4. The President of the Conference United Methodist Men;
5. The President of the Conference Council on Youth Ministry;

b. Nine District Representatives

Each District Conference, District Council on Ministries, or District Committee on Nominations, as appropriate in the respective districts, shall elect one representative, lay or clergy, to serve as a member of the Conference Committee on Nominations.

c. Six Members-at-Large

In order to ensure adequate representation of racial and ethnic persons, youth, young adults, older adults, women and men, clergy and laity, persons with a handicapping condition, persons from small-membership churches, distribution by geographic area, and differing theological perspectives, six members-at-large shall be appointed by a committee composed of the Bishop, the Conference Lay Leader, the Chairperson of the Commission on the Status and Role of Women, and the Chairperson of the Commission on Religion and Race.

The Bishop shall serve as the chairperson of the Committee. Other officers may be elected by Committee as the Committee deems necessary. The Executive Director of the Conference Council on Ministries shall serve as consultant to the Committee.

District Representatives and Members-at-Large shall serve quadrennial (four-year) terms. The district representatives must be "attached to a local congregation, institution, or agency within the district they have been elected to represent--relocation outside the district during the quadrennium shall require that a new district representative be elected.

The Committee shall nominate to the Annual Conference such officers and members of the Boards, Councils, Committees, and Commissions as the law of the Church or the Rules of the Conference require, or as the Conference deems necessary to its work.

Submitted by the Conference Restructuring Committee

Rationale: The Committee on Nominations must be thoroughly inclusive and representative. The proposed combination of ex-officio, representative, and appointed membership seeks to ensure adequate representation and involvement of the whole spectrum of Louisiana Methodism in the process of nominating persons to lead the Annual Conference in witness and mission.

The Committee recommends Concurrence.

The Annual Conference approved this rule change.

Article VI, Rule 12

Replace the current rule with the following:

12. Conference Nominating Process

The Conference nominating process shall be as follows:

A. Prior to January 1 of the year preceding each new quadrennium, the Secretary of the Annual Conference Shall give each District Superintendent a list of all offices for which nominations will be made for the ensuing four years.

B. Prior to January 15, the District Superintendents of the respective districts shall distribute to the pastors and local church Lay Leaders copies of the list of all offices for which nominations will be made at the ensuing Annual Conference session. Local church Nominating Committees may propose nominees for the listed positions. They shall submit with each nomination the following information: the person's address, phone number, name and membership size of local church, a brief resume (including interests and experiences in specific church work), and vital information including the person's age, sex, ethnic status and any handicapping condition.

C. Prior to February 10, the District Committee on Nominations shall meet to nominate persons for the offices in question. The Committee shall give priority to names submitted by local church Nominating Committees, but it shall not be limited to those names. It shall not be required to nominate a person for every vacancy, but shall nominate only those persons it considers adequate to the task.

D. Prior to March 1, the District Committees on Nominations shall submit their lists of nominations to the Secretary of the Annual Conference, accompanied by the information about each nominee specified in "B" above. The Conference office shall maintain computer records of current and prior service in Conference elective offices and shall make this information available to assist the Conference Committee on Nominations. The Conference Secretary shall compile and circulate nominations submitted and its computer records of prior service to members of the Conference Committee on Nominations at least five days prior to its initial meeting.

E. Prior to April 1, The Conference Committee on Nominations shall meet and make nominations for all Conference offices which must be filled in the next quadrennium. It shall give priority to the lists of names submitted by the Districts, but it may consider other names. The nominations shall be mailed to the lay and clergy members of the Annual Conference as part of the Pre-Conference Reports.

F. All persons nominated for an office in the Annual Conference shall be contacted by the District or Conference committee placing their names in nomination to determine whether the persons so nominated are willing to serve.

G. Nominating Committees shall examine all nominations to ensure appropriate representation of ethnic minority persons, lay and clergy women, lay and clergy men, persons with handicapping conditions, youth, young adults and older adults.

H. Following the elections at the beginning of a new quadrennium the newly elected bodies shall meet at the sites of the Annual Conference session. The District Superintendents shall convene the newly elected bodies and shall call for the election of a chairperson. Each body shall elect its chairperson and other officers upon nomination from the floor.

I. When vacancies occur during a quadrennium, The Conference Committee on Nominations shall make nominations to fill the vacancies at the ensuing session of the Annual Conference. The Secretary of the Annual Conference shall retain the records of persons nominated in the process described above. The Committee shall use these records to assist its work. It shall not be limited to persons previously nominated. These nominations shall be published in the Pre-Conference Reports.

Submitted by the Larger Cabinet.

Rationale: For several years, the Conference has been striving to perfect the nominations process—often without a clear understanding or definition of the "process". This proposal provides a specific program for the orderly conduct of the process which could be understood at the local church, district, and conference levels.

The Committee recommends Concurrence.

The Annual Conference approved this rule change.

Article VI, Rule 4

Retitle the current rule and substitute these two paragraphs in lieu of the current first paragraph:

Administration of Funds for Conference Boards, Agencies, and Institutions:

Local Church treasurers shall send all funds for Conference Boards, Agencies and Institutions to the Conference Treasurer for appropriate distribution.

All financial books and bookkeeping and funds of Conference Councils, Boards Committees, and Commissions shall be administered and unified in the office of the Conference Treasurer. Disbursements shall be made through a voucher system to be supervised by the Conference on Finance and Administration. The Council on Finance and Administration shall be authorized to invest the surplus funds of Conference boards and agencies when the surplus exceeds a reasonable amount needed as carry-over to begin the next year. Provisions of this paragraph shall not apply to institutions, the Board of Pensions, or the Commission on Equitable Salaries and Sustentation. Investment income generated by funds of the Ministerial Education Fund shall be retained in that account.

Submitted by Tim Lawson, Chairperson of the Rules Committee.

Rationale: The current title refers primarily, if not exclusively, to the first sentence. The recommended title will more adequately state the purpose and function of the rule. The division of the current paragraph into two paragraphs and the major editorial amendments will help clarify the different elements of this rule.

The Committee recommends Concurrence.

The Annual Conference approved this rule change.

Article VI, Rule 4

Add the following to the first paragraph, immediately following the current third sentence:

Conference Boards and Agencies may set aside funds out of their current fiscal year budget for specific conference programs approved by the Conference Council on Ministries that are to be continued into the next year or that are to be implemented in the next year that require advance funding. Such programs shall be held accountable to their respective Board or Agency and to the Council on Finance and Administration regarding financial expenditures. Such funds will be administered by the Conference Treasurer and be available to the respective Boards and Agencies.

Submitted by the Board of Discipleship.

Rationale: The current practice of eliminating end-of-year "surpluses" frustrates long-range planning and carry-over projects. It has been a continuing problem for the Board as it has attempted to plan activities, secure resource persons, and set into motion

projects that overlap from one Conference year or fiscal year to another. This will become an increasing problem as the Board attempts to plan programs in relation to the VISION 2000 emphasis. This provision facilitates the effective funding of "cross-year" projects and programs, once approved by the Council on Ministries.

The Committee recommends Concurrence.

This rule change was withdrawn by the Conference Board of Discipleship.

Article VI, Rule 13

Add the following paragraph to the rule:

Where appropriate, the chairing of the Annual Conference Boards and Agencies shall be rotated each quadrennium between laity and clergy. Insofar as possible, this rotation will be established so as to allow each quadrennium for the chairpersons to be one half laity and one half clergy.

Submitted by the Board of Laity.

Rationale: Laity include numerous persons with specific credentialed expertise who are willing to use their professional expertise as volunteers to the benefit of the church and the Kingdom. Serving in positions of authority and influence in their professions, these laity should be entrusted with positions commensurate with their credentials for responsibilities in the church. As partners with clergy this provides a holistic approach to carrying on the work of the church that clergy with their unique qualifications and responsibilities cannot do as well alone.

The Committee recommends Non-Concurrence.

The Annual Conference did not approve this rule change.

Article III, Section C

Replace the first paragraph with the following:

The Conference Council on Ministries staff shall consist of a director and such associate director(s) and staff associates as the missional needs and budgetary capabilities of the Council warrant. The director and any associated director(s) or staff associates shall be chosen in accordance with the Book of Discipline.

Submitted by Tim Lawson, Chairperson of the Rules Committee.

Rationale: The Council (and the Conference) would hereby have the opportunity to develop a staff based upon established missional needs and available financial resources,

eliminating the requirement for an associate director if one proved unnecessary and allowing the Council to recruit the best available candidates for associate positions which are deemed appropriate by the Council.

The Committee recommends Concurrence.

The Annual Conference approved this rule change.

Article VI, Rule 19

To the end of the eighth sentence, add the following phrase:

as reported in the most recently published edition of the Conference Journal.

The new sentence would read:

The total number of additional lay delegates will then be prorated to the districts based upon the church membership of the districts as reported in the most recently published edition of the Conference Journal.

Submitted by the Rev. Dr. Byrl Moreland on behalf of the Cabinet in consultation with the Committee on Credentials.

Rationale: In order to standardize the accounting process, some official documentation is required. The most recently published Journal offers a readily available and reasonably timely source of shared information.

The Committee recommends Concurrence.

The Annual Conference approved this rule change.

Article VI, Rule 7

Replace the current specification in the first sentence,

"...send them [reports] to the office of the Conference Council Director sixty (60) days before the opening date of the Annual Conference..."

with the specification:

seventy-five (75) days.

The first portion of the first sentence would then read:

All Councils, Boards, Commissions, and Committees of the Louisiana Conference shall prepare all Annual Conference reports, resolutions, and recommendations and send them to the office of the Conference Council Director seventy-five (75) days before the opening

date of the Annual Conference;

Submitted by Tim Lawson, Chairperson of the Rules Committee.

Rationale: The increasing amount of information submitted and/or required for inclusion in the Pre-Conference Report makes the slightly earlier deadline desirable. Many groups have, in effect, completed their preparations for Annual Conference during the Convocation of Boards in January.

The Committee recommends Concurrence.

The Annual Conference did not approve this rule change.

Tim Lawson, Chair

E. CONFERENCE CENTER

With the approval of the 1990 Annual Conference, the Conference Center Project was underway. Bishop William B. Oden called a meeting on June 14th of interested parties relative to the next step needed in the fulfillment of this project. Bishop Oden announced at this meeting that Dr. Harvey Williamson would act as the Project Coordinator for the Conference Center. In addition, an ad hoc committee was appointed made up of Dr. Charles Simmons, Rev. Larry Stafford, Dr. Tom Matheny, Dr. Jimmie Caraway, Dr. Don Cottrill, Dr. Byrl Moreland, and Dr. Harvey G. Williamson. This ad hoc committee would immediately begin making plans for a special offering to be taken in all churches throughout the Louisiana Conference on September 9th for the purpose of securing necessary funds for the buying of 400 acres of land in the Alexandria area. To date, the offering received totals \$305,934.00.

It was agreed by the ad hoc committee that Dr. Tom Mathey would proceed with the purchase process with Martin Timber Company for the option of purchasing 400 acres.

In October, the ad hoc committee signed a contract with Geo-Marine, Inc. of Plano, Texas, for the purpose of providing technical services to the Louisiana Conference for preliminary environmental impact assessment. This work was needed in order for the conference to receive approval for the building of a lake and dam on the proposed 400 acre site. Geo-Marine would furnish all of the necessary information and make applications for permits from the United States Army Corp of Engineers, the New Orleans District. This work has now been completed and the Corp of Engineers has told the committee that a Nationwide permit #26 was all that was necessary and needed for the construction of the proposed lake and dam site.

Dr. Matheny, the chair of the ad hoc committee, announced that 16 firms had submitted applications for the drawing of proposed plans for the Conference Center. After reviewing these, it was decided that the committee would invite 7 of the firms to the conference headquarters building in Baton Rouge for interviews. Those interviewed were George A. Jackson, Jr., Shreveport; Sumdall Associates, Shreveport; Bradley-Miremont-Blewster, Baton Rouge; Crump and Associates, Baton Rouge; Barron, Heinberg and Brocato, Alexandria; Architecture Six, Lake Charles; Ballard and Associates, Alexandria.

At the conclusion of the interviews on October 19th, the committee narrowed the choice to 4 firms. Three members of the committee would then visit the respective offices of these 4 firms to learn more about their operations. Those selected were Crump and Associates, Baton Rouge; Barron, Heinberg and Brocato, Alexandria; Sundall and Associates, Shreveport; Ballard and Associates, Alexandria. At the next meeting of the ad hoc committee, a recommendation was made that the firm of Barron-Heinberg-Brocato of Alexandria be selected for the architectural work for the proposed Conference Center. Their main responsibility will be that of drawing a master plan for this project.

At the December meeting of the ad hoc committee, the matter of a permanent Board of Trustees was discussed. Various names were placed in nomination for membership on the Board and it was decided that members would serve for a two year period, after which would begin a three-year rotation system. Bishop Oden would write those nominees presented to see if they would be willing to serve on the Conference Center Board of Trustees. Dr. Matheny presented the Articles of Incorporation for the Conference Center. They were discussed. Amendments and changes were made to the document, and it was decided that these would be presented to the new Board of Trustees for their adoption.

The ad hoc committee approved the mailing of a questionnaire to each local pastor and chairperson of the Conference Council on Ministries/Administrative Council in order to get ideas, suggestions and recommendations in terms of what they thought might be needed and incorporated into the development of a Conference Center. The response to this questionnaire was not as good as expected, but the committee was grateful to those who took the time to submit their thoughts and ideas, all of which will be shared with the architect in the development of a master plan.

In January, those who had agreed to serve on the Conference Board of Trustees gathered in Baton Rouge to sign the Articles of Incorporation and to elect officers. Dr. Tom Matheny was elected President; Rev. Don Avery, Vice-President; and Mrs. Vera Packer, Secretary. The following names will be submitted to the Annual Conference in June for election as a Board of Trustees for the Conference Center. (Note: These nominees were elected at the Annual Conference session).

Dr. Matheny thanked the group for selecting him as president and said that he felt certain committees would be necessary for the operation of the Board. He recommended that the following committees be set up: Nominating Committee, Program Committee, Personnel Committee, Site Planning Committee, Policy Committee, Development Committee, and Long

Range Planning Committee. The Board of Trustees accepted the recommendation of the ad hoc committee and approved the hiring of Barron-Heinberg-Brocato as architects for the Conference Center.

At the writing of this Pre-Conference Report, a survey has been made of the entire property that is being purchased for a Conference Center site and a title search is in the final stages of being completed, after which a contract will be signed for the purchase of the 400 acres by the Louisiana Annual Conference from Martin Timber Company. All this should be completed and the architect will have begun work on the master plan by the time Annual Conference session takes place in June.

ADDENDUM TO CONFERENCE CENTER BOARD OF TRUSTEES REPORT

On May 10, 1991, we had a very great day. We purchased the property for the Conference Center. There had been some delay for you had made a number of requirements, as you will recall, and some of those, particularly the report of the Corps of Engineers, caused some delay.

For this Conference year, we are not going to be asking for any financing program, although any contributions would be most welcome. Next year, we will have for you a Master Plan for the Center and a Master Plan for financing its construction.

We attach to this report a Time Table which indicates that we will break ground shortly after the 1992 Annual Conference.

We have come a long way since last Conference year and this would not have been possible if it were not for the leadership in this Conference, both laity and clergy.

If it had not been for laity like Paul White and Nancy Carruth, Boyd Baun, Norma Winegeart and the United Methodist Women, and Kenny Morrow and the United Methodist Youth - none of this could have been done.

If it were not for the District Superintendents and their splendid cooperation, as well as Don Cottrill and Jimmie Caraway in the Conference office - this could not have been done.

If it were not for the splendid and tireless work of Harvey Williamson - this could not have been done.

If it were not for the constant leadership and guidance and help of our Bishop - this could not have been done.

It is no coincidence that the churches who did best in raising funds for the Conference Center also participated the most at "The Gathering" and in the work of the

program of VISION 2000.

All of this is evidence that the system of United Methodism in this Conference works and works very well. It is also evident that this Conference has a core of leadership on the part of the laity and clergy alike that is unequaled anywhere. All of us are grateful.

I move the adoption of the report which carries with it the names of the members of the Board of Trustees in the Pre-Conference Report attached together with the name of Shelby Smith and the election of the officers as listed below.

ARTICLES OF INCORPORATION

OF

LOUISIANA CONFERENCE CENTER OF THE
UNITED METHODIST CHURCH

STATE OF LOUISIANA

PARISH OF EAST BATON ROUGE

BE IT KNOWN, that on this 14th day of January, 1991, BEFORE ME, the undersigned Notary Public, duly commissioned and qualified, in and for the Parish and State aforesaid, and in the presence of the undersigned competent witnesses, personally came and appeared the undersigned persons, whose names are hereunto subscribed, all of whom are full age of majority, who did severally declare that pursuant to the authorization and direction of a resolution of the Louisiana Annual Conference as adopted June 5, 1990, and availing themselves of the benefits and provisions of the Constitution of the State of Louisiana and the laws of said State relative to the organization of non-profit corporations, and particularly of the provisions of Louisiana R. S. 12:201, et seq., they have united to form, and do by these presents form and organize themselves, as well as all other persons who may hereafter join or become associated with them or their successors, into a non-profit eleemosynary and religious corporation for the objects and purposes and under the covenants, stipulations and agreements as follows, to-wit:

ARTICLE I

NAME

The name and title of this corporation shall be:

LOUISIANA CONFERENCE CENTER OF THE UNITED METHODIST CHURCH.

ARTICLE II

DURATION

This corporation shall have and enjoy corporate existence and succession in perpetuity unless sooner dissolved in accordance with applicable law.

ARTICLE III

OBJECTS AND PURPOSES

The objects and purposes of this corporation shall be to organize, facilitate, plan, design, build and construct a Conference Center for the use of the people of The Louisiana Annual Conference of the United Methodist Church South Central Jurisdiction in accordance with Report Number One adopted by the Annual Conference on June 5, 1990, and to plan and

provide programs designed to carry out the purposes outlined in that resolution, as follows:

- (1) Provide a place for the development of unified, inclusive, fellowship among the membership of the Annual Conference.

The Conference Center will answer in part our need as an Annual Conference for a "gathering spot" as a total community within the conference. This will be a common center, one that belongs to all of us as United Methodists, with no history of belonging to "them" or "us". This common sense of ownership will allow us to build a new understanding of Louisiana United Methodism, one that is shared among all Louisiana United Methodists, one that crosses the geographical boundaries of North, Central and South Louisiana, as well as crossing racial and historical barriers.

- (2) Provide the opportunity for the enrichment of the spiritual life of individuals and of the Annual Conference as a whole.

The Conference Center will provide a location for individuals and groups to pull away from the ongoing business of our daily living in order to allow a special time for meditation, prayer, contemplation and spiritual development. These experiences will come through the planned opportunities of a Cursillo, an Ashram, or a seminar with selected leaders. It will also come through the channel of individual spiritual retreats. The spiritual atmosphere of larger gatherings of seminars and meetings will also be enhanced by the retreat setting.

The Conference Center will offer individuals and groups a place where spiritual development and renewal can be scheduled year round and where resources are readily available.

- (3) Allow the present conference programming to be improved by overcoming the physical limitations of current facilities due to size, accessibility, availability, and quality and variety of accommodations.

The Conference Center will assist our present programming by providing United Methodist facilities that are not now available to us. The Conference Center will provide the advantages of (1) a central, easily accessible location within the boundaries of the Conference, (2) a flexibility in scheduling of events at the Center that is controlled by the Annual Conference, (3) a site that is large enough to accommodate larger conference groupings, (4) accommodations that offer quality and comfort for all age groups, and (5) eventually offering a variety of retreat and workshop experiences (where several events might be going on simultaneously).

- (4) The Conference Center will give birth to additional resourcing ideas that are not possible or even considered due to our current limitations. By expanding our facilities we will also expand our minds and spirits to create

new avenues for ministry as an Annual Conference as well as giving more options for training and educating local church, district and conference leadership.

In furtherance of the foregoing, the Corporation shall be authorized to buy, sell, mortgage, and exchange property and enter into contracts for planning, facilitating, and constructing the Center in cooperation with all of the Boards and Agencies of the Louisiana Annual Conference South Central Jurisdiction of The United Methodist Church.

This Corporation may engage in any lawful activity for which corporations may be formed under the Non-profit Corporation Law of the State of Louisiana, as it may be amended from time to time; and it shall have all the powers, rights and privileges authorized under said law, including, without limitation, the general powers presently authorized under LSA R. S. 12:207, as it may be amended from time to time.

This Corporation shall at no time infringe on the rights, prerogatives and responsibilities of the Board of Trustees of the Louisiana Annual Conference of The United Methodist Church, as fixed by the Book of Discipline of The United Methodist Church, and to that end shall not accept any donations, bequests or contributions intended for said Board of Trustees or for the Annual Conference as such, except with the consent of said Board of Trustees or the Annual Conference.

This Corporation shall, at no time, engage in activities which are not either religious, charitable or educational in purpose.

This Corporation shall not engage in any political or propaganda activity, nor shall it at any time attempt to influence legislation.

None of the assets or earnings of this Corporation shall ever inure to the benefit of any member, officer, trustee or agent of this Corporation, nor to any private individual. All officers, all agents, and all members of the Board of Trustees, as well as members of all standing or special committees, shall not receive any salary or other compensation from the corporation.

This Corporation is and shall remain a non-profit corporation as defined in Section 201, Subsection 7 of Title 12 of the Revised Statutes of Louisiana.

ARTICLE IV

MEMBERSHIP

This corporation is organized on a non-stock basis and shall so remain at all times.

The initial members shall be those appearers who have executed these presents, and they shall so remain as members through June 30, 1991.

Commencing June 30, 1991, and continuing thereafter, the members of this Corporation shall consist, ex-officio, of those persons constituting the Board of Trustees and hereinafter listed in Article V, and their respective successors.

ARTICLE V

Lucy M. Vincent	Bishop William B. Oden
Donald R. Avery	Judy McMaster

Seola Callahan	Larry D. Norman
Vera J. Packer	M. Leroy Harvey

G. PETITIONS

Petition No. 1

Resolution advocating Disability Awareness and Advocacy Sunday

This petition was not considered by the Annual Conference since the delegates had not received copies.

Petition No. 2

Resolution to the General Council on Ministries regarding the Disciplinary statement on Homosexuality

Charles R. Langford

Whereas the 1988 General Conference strongly affirmed (765-181) Paragraph 71F of the Social Principles of The United Methodist Church including the following paragraph:

"Homosexual persons no less than heterosexual person are individuals of sacred worth. All persons need the ministry and guidance of the Church in their struggles for human fulfillment, as well as the spiritual and emotional care of fellowship which enables reconciling relationships with God, with others, and with self. Although we do not condone the practice of homosexuality and consider this practice incompatible with Christian teaching, we affirm that God's grace is available to all. We commit ourselves to be in ministry for and with all persons."

And whereas this is consistent with past stances by the General Conference of The United Methodist Church and with the Church's traditional understanding in this matter; and

Whereas it is clear that the Committee to Study Homosexuality cannot reach a consensus for an interpretation to the contrary;

Now, therefore, let it be resolved, that the twenty-first session of the Louisiana Annual Conference (1) finds the current language of the above mentioned paragraph to be superior to either of the proposed revisions (quoted in "Comparison of proposed changes in Social Principles" on page 3 of the United Methodist Reporter, February 15, 1991), (2) requests that the General Council on Ministries (GCOM), in its September, 1991, meeting, affirm its support for retaining this paragraph in its

present form, and (3) requests that the GCOM recommend to the 1992 General Conference its retention.

The Louisiana Annual Conference voted concurrence – The petition was approved.

Petition No. 3

Resolution to form a Conference Task Force on Clergy Housing Charles R. Langford

Whereas it has been over 10 years since the Parsonage Standards Committee surveyed the Louisiana Annual Conference churches, clergy, and clergy spouses and made its recommendations on parsonage standards for the Conference; and

Whereas it has been over 10 years (1978) since those standards were adopted by the Louisiana Annual Conference; and

Whereas the 1988 Book of Discipline, Paragraph 256,3f, indicates an expectation that there will be standards for housing set by the Annual Conference; and

Whereas the economy of the State of Louisiana has experienced extreme highs and lows since 1980 with corresponding changes in the housing market; and

Whereas the providing of adequate retirement homes with furnishing by either the Annual Conference and/or the retiring clergy is increasingly expensive; and

Whereas there are increasing questions concerning the authority for and the advisability of providing a housing allowance in lieu of a parsonage (see article, "Housing Allowance for Clergy: What's Happening in Our Church," Circuit Rider, April, 1991, (Vol. 15, No. 3));

Now, therefore, let it be resolved, by the twenty-first session of the Louisiana Annual Conference, that a task force on clergy housing be formed by the Bishop (groups & organizations which may be represented on the committee include the Board of Ordained Ministry, the Retired Ministers Home Board, clergy spouses, and local church Pastor/Staff-Parish Relations Committees) with the authority to (1) evaluate the options for providing housing for the clergy of this Annual Conference and their families (including furnished parsonages, unfurnished parsonages, and housing allowances), (2) survey clergy, clergy spouses, and Pastor/Staff-Parish Relations Committees, (3) investigate existing policies of other Annual Conference, and (4) recommend appropriate action by this Annual Conference when it meets again in 1992.

The Louisiana Annual Conference voted concurrence – The petition was approved.

Petitions 4-14

Resolutions from Downsville United Methodist Church

- No. 4: To amend Para. 35 such that each "church" would have a representative at the Annual Conference rather than each "charge". This resolution would also delete the paragraph concerning equal voting members.
- No. 5: Asking the General Conference to establish a Constitutional rule rejecting homosexuality as a lifestyle and barring homosexuals as candidates for ministry.
- No. 6: Seeks the establishment of a standardized compensation plan for ministers not based on size of church or tenure. This would delete para. 722.
- No. 7: To amend Para. 711 section 711.5 such that local churches can withhold and re-direct portions of Annual Apportionments without penalizing pastors.
- No. 8: To add a Restrictive Rule calling for the removal from office of any officer of the church involved in the appointment or reappointment of a homosexual person. This resolution would also bar election to office and ordination of homosexual persons.
- No. 9: To amend para. 2503 by adding 2503.6 making it possible for a local congregation to leave the UMC taking with them all property in ownership.
- No. 10: To give full voting rights to probationers, associate and affiliate members, and local pastors on all matters of the Annual Conference.
- No. 11: Deals with Para. 38, Article IV and Para. 39, Article V and seeks to change the eligibility requirements for delegates for Jurisdictional, General and Central Conferences.
- No. 12: Amending Para. 423 such that all members in full connection would have the right to vote on all matters before the Annual Conference.
- No. 13: This resolution would empower the laity to vote on matters of ordination, character and conference relations of ministers (change in Para. 36, Article II).
- No. 14: To amend Para. 443.4 such that clergy can be received by vote of the Annual Conference rather than Executive Session, with privilege to serve on boards, agencies, task forces and committees with voice but without vote.

The Louisiana Conference voted to pass these petitions on to General Conference without action by the Annual Conference.

Petition No. 15**Resolution to the General Conference regarding VISN Interfaith Satellite Network
Sarah Kreutziger**

Whereas, The United Methodist Church through its General Commission on Communications was a founder and continues in full participation in the Vision Interfaith Satellite Network (VISN), and

Whereas, VISN has grown since its founding in 1988 to provide a direct ministry and witness to viewers in nearly every state across the nation through 24 hours of programming daily, and

Whereas, The United Methodist Church is one of 27 members representing 5 Protestant, Roman Catholic, Jewish and Eastern Orthodox faith groups in support of VISN, and

Whereas, the VISN national cable network promotes positive religious and social values and illustrates that religion is a vital and integral part of American life, and

Whereas, VISN now serves as a national outlet each week for more than 12 hours (24 half hours) and numerous public service spots of United Methodist related programming, including the weekly "Catch the Spirit" magazine format show, and

Whereas, VISN allows no on-air fund raising, no attacks on other faith groups, and no proselytizing by one group to members of another faith group, and

Whereas, VISN offers 14 hours of local pre-emption time per week for United Methodists and other local faith groups to present their own ministries and witness at a community level, and

Whereas, VISN can inspire and motivate persons to become active again or in new ways in their own congregations as well as to create a spirit of tolerance, acceptance, understanding and trust among the faith groups within the community, and

Whereas, VISN is now supported by the faith groups and the cable industry but must reach 15 million households to become self-supporting,

BE IT THEREFORE RESOLVED,

That the Louisiana Annual Conference of The United Methodist Church endorses the VISN Cable network, and

Urges our pastors and laypersons to take the initiative in their communities to work with other religious leaders in securing VISN for our communities, and Urges our pastors and laypersons to support the production and airing of local programs for VISN, and

Urges our pastors and layperson to actively support and invite people to view VISN

once it is available in the community and to utilize it creatively as a resource of mission and witness within our own congregations and within the community.

The Louisiana Annual Conference voted concurrence – The petition was approved.
